This book will give you the keys to experiencing sex at 360 degrees: passion,

eroticism, delicacy and lots of fun. The secret to making a couple last? No magic formula, just play. Adult sex games help build trust, lower inhibitions, and, if done right, can be very, very hot. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of

desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and

not). Here's what you'll find inside: Couples Intimacy Games For Connecting With Your Partner. Quiz questions to spice up your sex life Enjoying Sex Toys with Your Partner Role-playing games Oral sex games as excellent foreplay Kissing sex games to make you hot and horny Hottest and most popular sex games with a complete guide Many useful tips and ideas

inspiring, that they'll lose head your man or woman. And much more! Even the most close-knit couples sometimes need to warm up a bit and have new experiences. Trying different types of foreplay is a great way not to fall into the routine under the sheets. If you don't stoke the fire every now and then with something new in the bedroom, the heat could die out entirely. By reading this book, you

will finally be able to go where you've never been before and discover your true sexual dimension. So... It's time to give space to your fantasies, keep the flame of passion alive and indulge in a whole new form of pleasure! What's the first step? Get Your Copy!
