Now available in ePub format. Now in its 8th edition, The Rough Guide to the Greek Islands is the definitive guidebook to this fantastic region. This full-color edition has been completely revamped and updated with new user-friendly accommodation and eating reviews and crystal-clear maps, but still holds onto all the best features of the guidebook, such as detailed background and a journalistic eye for detail. Get the low down on island hopping from Corfu to Kós, read insider tips on the best beaches to escape the crowds, and discover the choicest resorts from boutique to backpacker. Read expert information on everything Greek-from Homer to hiking. As our readers put it, this is "simply the best guide you can get," "packed with accurate, practical detail," "the most complete, and the most readable and frank" of the guidebooks. Travel like you mean it, with The Rough Guide to the Greek Islands.

[Lonely Planet Western Europe](#) The Wild Rose Press Inc

Make the most of your time with The Rough Guide to Greece, the ultimate handbook to the Greek mainland and islands – right down to the tiniest one-village outcrops. Flick through the full-colour section for an overview of all of Greece's highlights, from Mount Pilio's lush countryside and Prespa's beautiful lakes to the fish market in Thessaloniki and the famous oracle site in Delphi. There are three full-colour sections: Greek cuisine, Wild Greece and Orthodox Festivals, hundreds of reviews of all the best places to eat, drink and sleep, for all budgets, plus practical tips on a wide range of activities, from bird-watching and windsurfing to hiking and cycling. The guide also takes a detailed look at the country's history, culture, mythology and wildlife and comes complete with maps and plans for every region.

From the remote Neolithic period the soil of Crete has lovingly protected priceless treasures, which have been, and are continually being brought to light by archaeological excavations.These masterpieces of Cretan, and especially of Minoan civilization, are now displayed in the Herakleion Museum, and form a collection of unique value.The publication of the Guide to the Herakleion Museum by Ekdotike Athenon is intended to help the visitor to become acquainted with the treasures of Cretan art in a scientific and methodical way, and, through the exhibits, to trace the evolution of the civilization of the island throughout the many centuries of its history.The structure and composition of the book has been designed with these aims in mind, and the relevant photographs are set out alongside the text. The visitor thus has the opportunity to come into contact, room by room, with the great artistic achievements of Minoan civilization, and to form an idea of the character of its unique cultural heritage.

Discover 52 amazing itineraries for delicious days out in places such as Puglia, Paris, Melbourne and New Orleans with recommendations for where to stay, what to do and of course what to eat.

The Siege: A Novel Lonely Planet

On March 23, 1900, Arthur John Evans and his staff began to excavate on Crete, looking for the fabled site of Knossos, where an extraordinary civilization, a precursor to classical Greece, was rumored to have existed. Almost from the first shovel stroke, artifacts began to emerge. Evans realized that here was "an extraordinary phenomenon, nothing Greek, nothing Roman. A wholly unexplored world." The Palace of Minos at Knossos recounts the exciting story of uncovering a remarkable society lost to the world for 3,500 years, from its initial discovery through its excavation to the structure we see today. Sidebars on archaeological techniques, illustrations of the sites, tables, and diagrams throughout provide a wealth of information on the Palace. The use of artifacts and other "documents" recovered from the Palace bring out the voices of the people of the past, offering clues to who they were and how they lived. The Palace of Minos at Knossos concludes with an interview with archaeologist Chris Scarre who talks about the misperceptions about Knossos and what we really know about its culture.

The Rough Guide to Greek Islands Rowman & Littlefield

In the spring of 1900, British archaeologist Arthur Evans began to excavate the palace of Knossos on Crete, bringing ancient Greek legends to life just as a new century dawned amid far-reaching questions about human history, art, and culture. With Knossos and the Prophets of Modernism, Cathy Gere relates the fascinating story of Evans's excavation and its long-term effects on Western culture. After the World War I left the Enlightenment dream in tatters, the lost paradise that Evans offered in the concrete labyrinth—pacifist and matriarchal, pagan and cosmic—seemed to offer a new way forward for writers, artists, and thinkers such as Sigmund Freud, James Joyce, Giorgio de Chirico, Robert Graves, and Hilda Doolittle. Assembling a brilliant, talented, and eccentric cast at a moment of tremendous intellectual vitality and wrenching change, Cathy Gere paints an unforgettable portrait of the age of concrete and the birth of modernism.

At the Palaces of Knossos Apa Publications (UK) Limited

In October 1945 at the age of 19, John Freely passed the southernmost tip of Crete on his way home from the war in China, just as Odysseus did on his homeward voyage from the battle of Troy. He has been bewitched by Homer and the lands of Homer's epics ever since. As the culmination of a life spent exploring both these lands and the stories by, and connected to, Homer, Freely has created a captivating traveller's guide to Homer's lost world and to his epics, the Iliad and the Odyssey, investigating where such places as the Land of the Lotus Eaters are and what it was about the landscapes of Greece and Turkey that so inspired Homer - the greatest classical epic poet. With unparalleled knowledge and passion, John Freely guides the traveller through all of those places linked to Homer that can be identified and brings Homer and his world vividly to life, revealing how the Homeric epics continue to echo through the ages in literature, art, legend and folklore.

A Travel Guide to Homer Routledge

Thousands of years ago, royals gathered in the luxurious Palace of Knossos. Today, the palace is in ruins. Though bright frescoes still decorate its walls, the walls themselves are crumbling. What happened here? This high-interest title explores just that! Engaging text, colorful photos, maps, graphs, and other features combine to tell the gripping story of the Palace of Knossos and its fall to ruin.
