HOOPER PONCE

The Absolutely True Diary of a Part-Time Indian Simon and Schuster
 A New York Times Notable Book: This national bestseller is a vivid biography of the meteoric rise and tragic death of art star Jean-Michel Basquiat Painter Jean-Michel Basquiat was the Jimi Hendrix of the art world. In less than a decade, he went from being a teenage graffiti artist to an international art star; he was dead of a drug overdose at age twenty-seven. Basquiat's brief career spanned the giddy 1980s art boom and epitomized its outrageous excess. A legend in his own lifetime, Basquiat was a fixture of the downtown scene, a wild nexus of music, fashion, art, and drugs. Along the way, the

artist got involved with many of the period's most celebrated personalities, from his friendships with Keith Haring and Andy Warhol to his brief romantic fling with Madonna. Nearly thirty years after his death, Basquiat's story—and his art—continue to resonate and inspire. Posthumously, Basquiat is more successful than ever, with international retrospectives, critical acclaim, and multimillion dollar sales. Widely considered to be a major twentieth-century artist, Basquiat's work has permeated the culture, from hip-hop shout-outs to a plethora of products. A definitive biography of this charismatic figure, *Basquiat: A Quick Killing in Art* is as much a portrait of the era as a portrait of the artist; an incisive exposé of the eighties art market that paints a vivid picture of the rise and fall of the graffiti

movement, the East Village art scene, and the art galleries and auction houses that fueled his meteoric career. *Basquiat* resurrects both the painter and his time. *Heroic Poets, Poetic Heroes* Courier Dover Publications
 Whether they focus on Thor's powerful hammer, the mysterious valkyries, the palatial home of the gods - Asgard - or ravenous wolves and fierce elemental giants, the Norse myths are packed with vivid incident. But at the centre of their cosmos stands a gnarled old ash tree from which all distances and times are measured. When the old tree creaks, Ragnarok - the end of the world and of the gods themselves - is at hand. It is from this tree that Odin, father of the gods, hanged himself in search of the wisdom of the dead: a disturbing image of divine sacrifice far removed from the feasting

and fighting of his otherworld home, Valhalla. This is the first book to show how the Norse myths have resonated from era to era: from Viking-age stories of ice and fire to the epic poetry of Beowulf; and from Wagner's "Ring" to Marvel Comics' "Mighty Thor". Heather O'Donoghue considers the wider contexts of Norse mythology, including its origins, medieval expression and reception in post-medieval societies right up to the present. "From Asgard to Valhalla" is a book that will intrigue and delight anyone with an interest in how the Norse myths have so profoundly shaped the western cultural heritage.

Guide de la section de l'Etat indépendant du Congo à l'Exposition de Bruxelles-Tervueren en 1897 Ixelles Editions

After barely surviving a barrage of ultra-violence and being burned by those closest to them in 2 GUNS, the lives of ex-undercover agents Bobby Trench and Marcus Steadman get even more chaotic when the pair again cross paths in the pages of 3 GUNS, writer Steven Grant's follow-up to his 2006 crime caper. Now, after racing headlong across the Southwest, desperately outrunning Feds and mobsters alike while trying to clear their names, Trench and Steadman are pulled into another impossible situation: brokering gun deals between the Russians and anti-government revolutionaries...from opposite sides. And little do they know, a Third Gun has her eyes set on the ultimate prize--and she won't go down without a fight.

Tell Me How This Ends Well Chicago Review Press

In MEG: Generations, Steve Alten New York Times bestselling author continues his terrifying series. MEG: GENERATIONS opens where MEG: NIGHTSTALKERS left off. The Liopleurodon offspring has been moved to a holding tank aboard the Dubai-Land transport ship, Tonga for its journey to the Middle East. While the Crown Prince's investors gawk at the creature, below deck in the tanker's hold, another captured beast is awakened from its drug-induced state and goes on a rampage. The vessel sinks, the Lio escapes At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Woman's Inhumanity to Woman BoD - Books on Demand

Breaking new ground in family psychology, an exploration of the intricacy, friction, and love in the bonds between in-laws. When we marry, we believe the bond is between only two individuals. Few of us realize the power that inlaws will exert over our lives. But the in-laws we acquire

when we marry affect our quality of life—our marriage, family, personal comfort, and long-term well-being—for better or worse. What Do You Want From Me? takes a fresh look at the age-old problem of managing conflict with in-laws, offering practical help for dealing with problems that are both immediate ("How do I deal with my in-laws now?") and strategic ("How can I change the nature of my in-laws' demands?"). Terri Apter, a psychologist whose books on family dynamics have received international acclaim, draws on nearly two decades of psychological research to pinpoint the sources of tension between in-laws and explore the ways in which we can build healthy relationships with the in-laws in our lives.

Les Girondins, poème en douze chants Ateneo University Press

Entre fusion et confusion, entre haine et passion, entre amour et rejet, la relation mère-enfant est un profond dilemme. Un dilemme entre l'attachement nécessaire pour combler nos besoins affectifs (je veux que tu m'aimes) et le détachement nécessaire pour exister par et pour soi-même (je veux être moi). Bonne ou mauvaise, tout au long de votre vie, la relation que vous entretenez avec votre mère aura une grande influence sur votre personnalité et vos comportements. Terri Apter présente dans ce livre les différents types de mauvaises mères et explique comment s'affranchir d'une relation douloureuse. Mère violente, mère toute-puissante, mère narcissique, mère envieuse ou mère absente Psychologue, spécialiste des relations familiales,

l'auteur explique les ravages que peut engendrer une relation affective traumatisante vécue dans l'enfance. Elle décrit les 5 grands profils de mère toxique afin que chacun puisse : • comprendre quels sont les ressorts psychologiques d'une mauvaise relation maternelle, • s'extirper de cette relation de souffrance, sans haine et sans culpabilité, • éviter de reproduire avec ses propres enfants, ce qu'il ou elle a vécu ou vit encore avec sa propre mère. L'auteur propose différents questionnements et des stratégies (prise de distance, différenciation, résilience, etc.) pour élucider les comportements excessifs de ces mères qui, pour chaque enfant devenu adulte, a été le tout premier objet d'amour et d'attachement. Comprendre sa relation avec sa mère est nécessaire pour vivre sereinement ! Terri Apter explique que la majeure partie des enfants vivent auprès d'une « suffisamment bonne mère » (la enough good mother décrite par Winicott) et s'épanouissent bon an, mal an, à ses côtés. Mais des études scientifiques montrent aussi qu'une proportion constante de 20% de la population adulte, soit 1 personne sur 5, grandit auprès d'une mère toxique ! Il ne s'agit pas de porter de jugement sur ces mères et de les condamner, mais de mettre en lumière la manipulation dont elles sont capables et le chantage qu'elles s'exercent sur leurs enfants. En refermant ce livre, chaque lecteur doit pouvoir dire à sa mère - au moins virtuellement - « j'ai compris qui tu étais, je vois clair dans tes manœuvres, mais j'ai décidé de maintenir la relation avec toi et de ne plus en souffrir ». A propos de l'auteur Terry Apter est psychologue clinicienne, et professeur au Newnham College (Université de Cambridge). Spécialisée dans les relations familiales, elle a été remarquée pour ses précédents livres sur les relations entre sœurs, avec les belles-mères, etc. Elle intervient comme chroniqueuse dans Psychology Today. Un livre publié par Ixelles éditions Retrouvez-nous sur www.ixelles-editions.com Contactez-nous à l'adresse contact@ixelles-editions.com *Horror Movie Posters* Hogarth An all-new edition of the tragicomic smash hit which stormed the New York Times bestseller charts, now featuring an introduction from Markus Zusak. In his first book for young adults, Sherman Alexie tells the story of Junior, a budding cartoonist who leaves his school on the Spokane Indian Reservation to attend an all-white high school. This heartbreaking, funny, and beautifully written tale, featuring poignant drawings that reflect the character's art, is based on the

author's own experiences. It chronicles contemporary adolescence as seen through the eyes of one Native American boy. 'Excellent in every way' Neil Gaiman Illustrated in a contemporary cartoon style by Ellen Forney.

L'aide-mémoire ultime pour se remettre d'un abus narcissique! La maltraitance narcissique est la forme la plus courante de maltraitance émotionnelle et psychologique qui existe aujourd'hui. Si elle est si répandue, c'est parce qu'elle peut toucher n'importe qui, indépendamment de l'âge, de la race, du sexe ou du statut socio-économique. Et pour ne rien arranger, il existe très peu de ressources pour aider les personnes qui ont été touchées par ce type d'abus. C'est pourquoi j'ai créé ce livre - pour vous donner les outils dont vous avez besoin pour comprendre ce qu'est l'abus narcissique et comment il affecte votre vie, ainsi que pour vous fournir des stratégies pour faire face à une relation abusive. Le rétablissement d'un abus narcissique est difficile, mais il ne doit plus être impossible. Ce guide vous aidera à identifier les signes du narcissisme, à les désarmer et à les affronter de front. Ce guide a été rédigé par quelqu'un qui est passé par là et qui sait à quel point il est difficile de se remettre sur pied. Vous y trouverez une vue d'ensemble du narcissisme et de toutes ses formes afin que vous puissiez commencer à guérir. Comprenez ce qui s'est passé et pourquoi, afin de guérir vos blessures et d'aller de l'avant dans la vie de vos rêves. Dans ce livre, vous découvrirez la carte pour : - Reprendre votre vie en main: guérissez vos blessures et remettez-vous paisiblement de tous les abus narcissiques qu'on vous a fait subir. Ayez une vision réaliste de ce que sera votre vie une fois que vous aurez quitté cette personne. - Ne plus jamais être victime d'abus: Identifiez les narcissiques, désarmez-les et apprenez à les gérer efficacement. Arrêtez-les avant même qu'ils n'entrent dans votre vie grâce à ces stratégies permettant de repérer rapidement les personnes abusives. - Protégez-vous: Protégez-vous contre d'autres abus grâce à un guide sur la façon de sortir d'une relation abusive et de rester à l'écart des personnes toxiques! - Le bonheur: Vivez enfin la vie heureuse et paisible que vous méritez. Libérez-vous, guérissez et allez de l'avant grâce à ce livre qui vous guidera à travers tout cela. Que vous commenciez à peine ce voyage ou que vous ayez déjà réussi à vous guérir, ce livre a quelque chose à offrir à tout le monde! Faites défiler les pages, procurez-vous ce livre et commencez à le

lire!

Marilyn Faber & Faber

An astonishingly rich oral epic that chronicles the early history of a Bedouin tribe, the Sirat Bani Hilal has been performed for almost a thousand years. In this ethnography of a contemporary community of professional poet-singers, Dwight F. Reynolds reveals how the epic tradition continues to provide a context for social interaction and commentary. Reynolds's account is based on performances in the northern Egyptian village in which he studied as an apprentice to a master epic-singer. Reynolds explains in detail the narrative structure of the Sirat Bani Hilal as well as the tradition of epic singing. He sees both living epic poets and fictional epic heroes as figures engaged in an ongoing dialogue with audiences concerning such vital issues as ethnicity, religious orientation, codes of behavior, gender roles, and social hierarchies.

Narrative of a Five Years' Expedition Against the Revolted Negroes of Surinam, in Guiana, on the Wild Coast of South America, from the Year 1772 to 1777 Brain Lag

STOP! JE NE PEUX PLUS TE SUPPORTER!

Combien de fois l'avez-vous crié avec exaspération à votre enfant après une énième crise de colère? Combien de santé gagneriez-vous si vous n'aviez plus à crier, menacer, gronder et vous mettre en colère contre votre enfant? En tant que mère, vous vous retrouvez à gronder votre enfant plus par une sorte de résignation, souvent le résultat de journées particulièrement stressantes, que par une réelle motivation. À la base de tout cela, il n'y a qu'une seule grande montagne à gravir: l'incommunicabilité. Je sais, vous en avez assez des habituels bons conseils théoriques : j'ai résolu des centaines de cas comme le vôtre en plus de 15 ans en tant que psychothérapeute et éducateur pour enfants. C'est pourquoi j'ai décidé d'encapsuler dans ce manuel toutes les stratégies pratiques que j'ai adoptées avec succès pour gérer les enfants de 4 à 12 ans et les éduquer sans avoir recours aux cris. Voici ce que vous apprendrez dans ce guide pratique : LA VRAIE RAISON derrière les crises de colère, les hystéries et les colères (ce n'est pas pour attirer l'attention) Des techniques auxquelles vous n'auriez jamais pensé pour prévenir facilement les crises de colère et les colères Stratégies sur la façon de parler pour vous faire écouter (et sur la façon d'écouter pour que votre enfant vous parle) Comment développer l'estime de soi de votre enfant, pour qu'il soit heureux, confiant et capable d'affronter

les défis de la vie. Comment dire adieu aux moments de honte et gérer un enfant hyperactif (TDAH) ? Comportement pour une parentalité sans culpabilité et sans stress Des exemples pratiques pour réussir à transmettre les valeurs de respect, de gratitude et de gentillesse à votre enfant. Même si vous n'êtes pas psychologue et même si vous avez peu de temps disponible, vous méritez une vie de famille heureuse et une percée dans le développement personnel de votre enfant! Dire adieu aux cris, à la colère et au stress est possible. Cliquez sur "Acheter maintenant" en haut à droite et commencez à construire la relation de vos rêves avec votre enfant.

The Hips on the Drag Queen Go

Swish, Swish, Swish Wildside Press LLC

Drawing on the most important studies in psychology, human aggression, anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge bold and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, this investigation reveals--through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development--that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth.

Basquiat Cornell University Press

Featuring hundreds of movie posters from silent films to the present day. This book includes some of the best known posters for movies such as: *The Phantom of the Opera* (1925); *Dracula* (1931); *The Mummy's Curse* (1944); *Invasion of the Body Snatchers* (1956); *Psycho* (1960); *Clockwork Orange* (1971); *Nightmare on Elm Street* (1984); *Scream* (1996).

Krampus Running Press Kids

Like her art, Marilyn Monroe was rooted in paradox: She was a powerful star and a childlike waif; a joyful, irreverent party girl with a deeply spiritual side; a superb friend and a narcissist; a dumb blonde and an intellectual. No previous biographer has recognized--much less attempted to analyze--most of these aspects of her personality. Lois Banner has. With new

details about Marilyn's childhood foster homes, her sexual abuse, her multiple marriages, her affairs, and her untimely death at the age of thirty-six, Marilyn is, at last, the nuanced biography Monroe fans have been waiting for.

Dvd Savant BOOM! Studios

The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary "wound culture." In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of "art for art's

sake" and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

My Heart Is a Chainsaw Random House

There is no fourth wall in popular performance. The show is firmly rooted in the here and now, and the performers address the audience directly, while the audience answer back with laughter, applause or heckling. Performer and role are interlaced, so that we are left uncertain about just how the persona we see onstage might relate to the private person who presents it to us. Popular Performance defines and surveys varieties of performance where the main purpose is to entertain, and where there is no shame in being trivial, frivolous or nonsensical as long as people go home happy at the end of the show. Contributions by new and established scholars focus particularly on how it is made, explaining the techniques of performance and production that make it so appealing to audiences. With sections examining how popular performance works in a range of historical and contemporary examples, readers will gain insights into: * performance forms associated with the variety tradition: music hall, vaudeville, cabaret, variety * performance forms associated with circus:

wild west shows, clowning * issues relating to the identity of the performer in relation to magic, burlesque, pantomime in contemporary performance * issues relating to venue and audience in relation to contemporary street theatre, stand-up, and live sketch comedy.

What Do You Want from Me?: Learning to Get Along with In-Laws Simon & Schuster

For forty uninterrupted years, Robert Moses was the most powerful man in New York. Though never elected to office, he manipulated those who were through a mix of guile, charm and intimidation. Motivated at first by a determination to improve the lives of New York City's workers, he created parks, bridges and 627 miles of expressway to connect the people to the great outdoors. But in the 1950s, groups of citizens began to organize against his schemes and against the motor car, campaigning for a very different idea of what a city should be. David Hare's blazing account of a man - played by Ralph Fiennes - whose iron will exposed the weakness of democracy in the face of charismatic conviction, premieres at the Bridge Theatre, London, in March 2022.
