If your students have ever heard the story of Job, they are likely to remember one thing—suffering. (Well, they might remember a pile of cow dung, but they're teenagers!) While suffering is a prevalent theme in Job, the stories inside this book also provide readers with truth and wisdom about a just and loving God who walks with us in the midst of an unjust world. Every human being—Christ follower or not—has asked, “Why does God allow suffering?” We all know that there are no easy answers to that question. But as you take the book and story of Job piece by piece, you'll be able to guide students towards a better understanding of this God who can be so difficult to comprehend. Through the twelve sessions, you'll help your students face some of the tougher issues of life, like: • The relationship between sin and suffering • How to be a friend to those who are suffering (and how not to be!) • Why don't the wicked suffer? • How to survive suffering (and let God be God) In the tradition of the best selling Creative Bible Lessons series, CBL in Job presents each session in sections to help you move your students through a sequence of engagement, reflection, learning, and application. Including preparation for leaders, materials lists, discussion starters, scripture lessons, and activities to help personalize the learning, you'll find that any youth worker can use this book to effectively guide students toward the important lessons from Job.

Students who've experienced the Bible's great truths, not just read about them, can walk through their lives with a firm foundation under their feet. They know what they believe and why, and they feel a lot more comfortable in situations that are challenging to their faith. This collection of lessons covering the most important truths in the Bible gives you an easy-to-use resource that will plunge your teenagers into the beautiful basics: the reality of God in the world, the truth about who Jesus really is, and why all of us need a "Good Shepherd" to find us and reclaim us...13 powerhouse lessons in all. And because they're created by the editors of Group/Simply Youth Ministry, every lesson uses the R.E.A.L. learning approach--Relational, Experiential, Applicable, and Learner-based. This approach is not only easy to lead, but also guarantees that your students will engage with these great truths. They'll learn how to live out their relationship with Jesus in their everyday lives as they wrestle with issues that really matter... - Why bad things happen to good people, and how Jesus brings beauty out of ugly; - What it means to "grow into" Jesus--living and loving others the way he does; and - Learning how to depend upon the Holy Spirit in life. No matter what the life issue, the Bible offers foundational truths that can help your students live more confidently with a deeper ongoing connection to Jesus. And our concise instructions and easy-to-use reproducible handouts make your job easy. Use these lessons as "spice" in between a teaching series, or build a series around them. Also, they're easily adapted for a confirmation setting, a "new believers" class, a "grow-deep" discipleship group, or even Sunday school.

For today's youth, life is filled with new choices, new decisions, new feelings, new perspectives, and new freedoms. During this time, teens are forming the belief systems that will influence their adult faith, and their ideas about the nature of God, the Bible, and the church. Will teen involvement in church youth programs provide them with a framework for making important choices? Will this time nurture values and encourage their emerging identities to be deeply Christian? Something wonderful can happen when you mix teenagers, the Bible, and an enthusiastic teacher together. Many

teenagers are hungry to learn about the Bible, what it means, and how it can be applied to their lives. Traditionally, this type of education happens in Sunday School. Unfortunately, too many Youth Sunday School teachers are not prepared or feel inadequate when it comes to teaching teens. They do their best, but all they are doing is surviving the Sunday school hour. Help! I Teach Youth Sunday School offers the Sunday school teacher specific tips and hints to prepare for and care for teens. Real-life stories are mingled with information on Youth and their culture, common myths about Sunday school, a new way of preparing the Sunday school lesson, creative teaching ideas, ways to think about growing a class, and how to reach out for new members while reaching in to old members.

Teenagers with a firm faith foundation, who know what they believe and why, aren't easily swayed by others who might challenge their faith. Lessons use active-learning techniques to hold teenagers' interest and keep them involved, and each lesson gives a biblical perspective to faith issues, such as Creation and Jesus' return. With concise and easy-to-use handouts, teachers will be able to help teenagers learn these vital concepts with ease.

Does prayer really change things? Why doesn't God always answer my prayers? What's the point of prayer anyway? Is there a certain way I'm supposed to pray? Do I have to be a Christian for God to hear my prayers? When God communicates with His children, it isn't always obvious--certainly not as obvious as our conversations with friends. We won't receive a text or a phone call. We can't expect Him to comment on our most recent status update or post. Instead, we are called to meet with Him in prayer. Over the course of eight sessions, students will discover the importance of communicating with God by taking a closer look at Jesus' prayers. Throughout the Gospel of Luke, Jesus teaches us how to depend on God through prayer, what it means to pray continually, as well as how prayer can help us gain wisdom, overcome temptation, and surrender our desires to His. Too many of us have never experienced the power of prayer simply because we've never been taught the discipline of prayer and the necessity of making it a priority in our lives. How we pray is important, but THAT we pray is essential.
