Signs of Life is Natalie Taylor's story. It starts the day her husband dies and ends sixteen months later on her son's first birthday. Natalie's journey from wife to widow to mother is heartbreaking, blackly funny and will move you to laughter and tears as she makes it across that finish line. And you have no doubt she will make it because Natalie is a warrior and a woman to cheer for. Intelligent, witty and moving, this is the very best kind of indie movie in a book. A book to delight, to treasure and to press into the hands of your best friend.

All Hail Her Royal Majesty... In the wake of an unthinkable tragedy, Emilia Lancaster has become something she never imagined possible: the reigning Queen of Germania. Still reeling from the violent anti-monarchist attacks against her kingdom, engulfed in grief over the fresh loss of her father, and heartbroken by the betrayal of her closest allies, the newly-minted royal finds herself more isolated than ever... despite the whole country watching her every move. She'd like nothing more than to run away — from the prying eyes of the public, from the political schemes unfolding all around her, and, perhaps most of all, from the painful memories of Carter Thorne, the man who stole her heart without asking for permission. But running isn't an

option; not when there's an empire to rule. So, Emilia does the only thing she can: puts on her crown, slaps on a smile, and acts like the steady sovereign her shaken subjects need her to be. Non sibi sed patriae. Not for self, but country. After everything that's happened to her in the past few months, Emilia assumes she's made it through the worst. She's wrong. The danger is closer than ever. Unforeseen enemies are lurking just out of sight, determined to put an end to the Lancaster line, once and for all... Their final target? Germania's fiery new queen. DIAMOND EMPIRE is the final installment of the breathtaking royal romance saga THE FORBIDDEN ROYALS TRILOGY. Pulse-pounding suspense, deadly political schemes, and scorching sexual tension make this final installment utterly un-put-downable!

Enjoy these SAMPLE pages from The Post-Church Christian- A Baby Boomer and a Millennial... a father and a son... a conversation about the church... a misunderstanding waiting to happen... right? Drawing on experience in missions, pastoral work, and higher education-Moody Bible Institute president, Paul Nyquist, and his son, Carson Nyquist, will lead us on an honest, thoughtful, and dangerous expedition toward The Disconnect. That space, often filled with awkward silences and clenched jaws, that exists between the two largest generations in our world today. The differences are myriad. Millennials value: Raw reality. Authenticity. A missional focus. Questioning everything. Community living. Contentment with ambiguity-both scripturally and morally. Boomers value: Doctrinal purity and clarity. Traditional values. Consumerism. Corporate Ladder Climbing. Bigger is Better. Evangelism of the Lost. Classic lines of authority. Rather than judging each other on the culture we come from-this book will open a dialogue between generations that will have a great effect on churches, ministries, businesses, and families. Both generations will be heard-but will both listen?

With Leap, Terry Tempest Williams, award-winning author of *Refuge*, offers a sustained meditation on passion, faith, and creativity-based upon her transcendental encounter with Hieronymus Bosch's medieval masterpiece *The Garden of Delights*. "A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is *Friday Night Lights* meets *The Time Traveler's Wife* and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

"I know. I know. No one says it but I know..." —from *Signs of Life* Twenty-four-year-old Natalie Taylor was leading a charmed life. At the age of twenty four, she had a fulfilling job as a high school English teacher, a wonderful husband, a new house and a baby on the way. Then, while visiting her sister, she gets the news that Josh has died in a freak accident. Four months before the birth of her son, Natalie is leveled by loss. What follows is an incredibly powerful emotional journey, as Natalie calls upon resources she didn't even know she had in order to re-imagine and re-build a life for her and her son. In vivid and immediate detail, Natalie documents her life from the day of Josh's death through the birth their son, Kai, as she struggles in her role as a new mother where everyone is watching her for signs of impending collapse. With honesty, raw pain, and most surprising, a wicked sense of humor, Natalie recounts the agonies and unexpected joys of her new life. There is the frustration of holidays, navigating the relationship with her in-laws, the comfort she finds and unlikely friendship she forges in support groups and the utterly breathtaking, but often overwhelming new motherhood. When she returns to the classroom, she finds that little is more healing than the honesty and egocentricity of teenagers. Drawing on lessons from beloved books like *The Color Purple* and *The Catcher in the Rye* and the talk shows she suddenly can't get enough of, from the strength of her family and friends, and from a rich fantasy life—including a saucy fairy godmother who guides her grieving—Natalie embarks on the ultimate journey of self-discovery and realizes you can sometimes find the best in yourself during the worst life has to offer. And she delivers these lessons, in way that feels like she's right beside you in her bathrobe and with a glass of wine--the cool, funny girlfriend you love to stay up all night with. Unforgettable and utterly absorbing, *Signs of Life* features a powerful, wholly original debut voice that will have you crying and laughing to the very last page.
