Travis Kelce Interview After Game

Downloaded from dev.mabts.edu by guest

AUBREY BALLARD

Out of the Pocket Twelve

"Nobody knows Dolly like Dolly," declares Dolly Parton. Dolly's is a rags-to-riches tale like no other. A dirt-poor Smoky Mountain childhood paved the way for the buxom blonde butterfly's metamorphosis from singer-songwriter to international music superstar. The undisputed "Queen of Country Music," Dolly has sold more than 100 million records worldwide and has conquered just about every facet of the entertainment industry: music, film, television, publishing, theater, and even theme parks. It has been more than fifty years since Dolly Parton arrived in Nashville with just her guitar and a dream. Her story has been told many times and in many ways, but never like this. *Dolly on Dolly* is a collection of interviews spanning five decades of her career and featuring material gathered from celebrated publications including *Rolling Stone*, *Cosmopolitan*, *Playboy*, and *Andy Warhol's Interview* magazine. Also included are interviews which have not been previously available in print. Dolly's feisty and irresistible brand of humor, combined with her

playful, pull-up-a-chair-and-stay-awhile delivery, makes for a fascinating and inviting experience in down-home philosophy and storytelling. Much like her patchwork "Coat of Many Colors," this book harkens back to the legendary entertainer's roots and traces her evolution, stitching it all together one piece at a time.

Let the World See You Penguin

ESPN's Sal Paolantonio takes readers inside the Eagles' improbable 2017 season, one which culminated in the franchise's long-awaited first Super Bowl victory—from their hot start in the fall with nine straight wins, to the unfathomable loss of star quarterback Carson Wentz, to the sweetest victory over the New England Patriots in Minnesota featuring the unforgettable "Philly Special," and finally to the raucous celebrations on Broad Street. Through exclusive interviews, fans will learn how Philadelphia overcame Wentz's season-ending injury which instantly branded them underdogs, gaining inside perspective into the dynamic between head coach Doug Pederson, back-up quarterback and eventual Super Bowl LII MVP Nick Foles, and the many individuals who stepped up and answered the call at the right times. Paolantonio captures the mood of the team week by week, every step of the way, profiling numerous key players, coaches, and more.

Fundamism Random House Trade Paperbacks

With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City Refreshing and wry in equal measure, *Happy Hour* is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old, and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave from Brooklyn to the Upper East Side to the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her

dues with skipping out on the bill. Happy Hour is a novel about getting by and having fun in a world that wants you to do neither.

[Philly Special](#) Simon and Schuster

The breakout star of ABC's *The Bachelorette* and New York Times bestselling author of *It's Not Okay* returns with a "relatable AF" (Cosmopolitan) collection of her adventures as a still-single gal surviving and thriving in New York City. Sharing moments like finding her first New York apartment (the front door broke so she had to use the fire escape), her first dates on "celebrity Tinder" (just as bad as regular Tinder) and finally, watching her ex-fiancé propose to another woman on *Bachelor in Paradise*, Andi Dorfman doesn't shy away from pulling back the curtain on the life of a reality star who's returned to reality. Once again, Dorfman "doesn't hold back" (HuffPost) as she recounts her romantic mishaps, city adventures, and, of course, insider Bachelor experiences. *Single State of Mind* is Sex and the City for the reality TV generation.

Thomas Nelson

The ultimate tribute to the Philadelphia Eagles' ascendant quarterback Jalen Hurts altered the trajectory of Eagles history in 2023 as the team silenced all doubters and earned a spot in Super Bowl LVII. Hurts has already written his name into the franchise record books, earned the trust of teammates with his distinct leadership style, and forged roots in Philadelphia. Now, his sights are firmly set on bringing Super Bowl glory back to this city. Featuring incisive writing plus dozens of full-color photographs from *The Philadelphia Inquirer*, this commemorative book provides the most comprehensive portrait of the star quarterback on and off the field, including Hurts' upbringing in Houston, the uncertainty of his early days in Philadelphia, his thrilling rise to stardom after earning the starting role with the Eagles, and the dominant 2022 season that proved he was the franchise QB the Eagles had been searching for.

Meet a very Serious Goose in late-night host Jimmy Kimmel's first fun and funny picture book!

There is nothing silly about this goose. You CANNOT make her laugh, so DON'T EVEN TRY! Written, illustrated, and lettered by Jimmy Kimmel, this picture book challenges young readers to bring the silly out of a very Serious Goose. Inspired by Jimmy's nickname for his kids, *The Serious Goose* reminds us to be silly in a serious way. Put your little comedians in front of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create giggles of giggles time and time again! Kimmel's proceeds from sales of *THE SERIOUS GOOSE* will be donated to Children's Hospital Los Angeles (CHLA) and children's hospitals around the country.

Single State of Mind BroadStreet Publishing Group LLC

INSTANT NEW YORK TIMES BESTSELLER A moving account of resilience, hope, fear and mortality, and how these things resonate in our lives, by actor and advocate Michael J. Fox. The entire world knows Michael J. Fox as Marty McFly, the teenage sidekick of Doc Brown in *Back to the Future*; as Alex P. Keaton in *Family Ties*; as Mike Flaherty in *Spin City*; and through numerous other movie roles and guest appearances on shows such as *The Good Wife* and *Curb Your Enthusiasm*.

Diagnosed at age 29, Michael is equally engaged in Parkinson's advocacy work, raising global awareness of the disease and helping find a cure through The Michael J. Fox Foundation for Parkinson's Research, the world's leading non-profit funder of PD science. His two previous bestselling memoirs, *Lucky Man* and *Always Looking Up*, dealt with how he came to terms with the illness, all the while exhibiting his iconic optimism. His new memoir reassesses this outlook, as events in the past decade presented additional challenges. In *No Time Like the Future: An Optimist Considers Mortality*, Michael shares personal stories and observations about illness and health, aging, the strength of family and friends, and how our perceptions about time affect the way we approach mortality. Thoughtful and moving, but with Fox's trademark sense of humor, his book provides a vehicle for reflection about our lives, our loves, and our losses. Running through the narrative is the drama of the medical madness Fox recently experienced, that included his daily negotiations with the Parkinson's disease he's had since 1991, and a spinal cord issue that necessitated immediate surgery. His challenge to learn how to walk again, only to suffer a devastating fall, nearly caused him to ditch his trademark optimism and "get out of the lemonade business altogether." Does he make it all of the way back? Read the book.

[Superman's Not Coming](#) Penguin

A major new book from #1 New York Times bestseller and sports-writing legend John Feinstein, *QUARTERBACK* dives deep into the most coveted and hallowed position in the NFL - exploring the stories of five top quarterbacks and taking readers inside their unique experiences of playing the

position and holding the keys to their multi-billion-dollar teams. In the mighty National Football League, one player becomes the face of a franchise, one player receives all the accolades and all the blame, and one player's hand will guide the rise or fall of an entire team's season - and the dreams of millions of fans. There are thirty-two starting quarterbacks in the NFL on any given Sunday, and their lives are built around pressure, stardom, and incredible talent. Legendary bestselling sportswriter John Feinstein, in his most insightful book yet, shows readers what it's really like to play the glory position and to live that life - mapping out a journey that runs from college stardom to the NFL draft to taking command of the huddle and marching a team down the field with a nation of fans cheering. Feinstein builds his profile around five NFL starting quarterbacks - Alex Smith, Andrew Luck, Joe Flacco, Ryan Fitzpatrick and Doug Williams. With incredible inside access, we get the full quarterback experience...being drafted #1 overall, pushing through grueling injuries, winning Super Bowls, being named a starter on multiple teams, being the first African American QB to lead a franchise to a title. Feinstein shows us exactly what it's like in the locker room, huddle, heat of battle, and press conferences, through spectacular moments and embarrassing defeats. He explores the controversies of a league embroiled in questions of substance abuse and racism, TV revenue, corporate greed, and the value placed on player health. And in the end, Feinstein addresses the ways in which each quarterback - some just a year out of college -- is handed the keys to a franchise worth billions of dollars, and how each team's fortunes ride directly on the shoulders of its QB. This is Feinstein's most fascinating behind-the-scenes book. *Philly Special* Simon and Schuster

"A radiant debut."—Emily Henry, #1 New York Times bestselling author of *Book Lovers* THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today • Parade • PopSugar • USA Today • SheReads • BuzzFeed • BookBub • Bustle • and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

Fortitude Simon and Schuster

From hockey's most prolific fighter comes a sports memoir unlike any other—passionate, funny, and candid, *Shift Work* chronicles Domi's sixteen tumultuous seasons in the NHL. Making it through a single fight as an enforcer in the NHL is a sign of toughness. Making it through 333 of them is a mark of greatness. Whether it was on the ice or off it, Tie Domi was driven to be the best at his job and was gifted with an extraordinary ability to withstand pain. He made a career out of protecting the people around him and became known as someone who would stand up for the people who needed it most. Raised by immigrant parents in Belle River, Domi found success from an early age on the field and the rink. A gifted athlete in whatever sport he played, Tie eventually focused his sights on hockey. As he moved up the junior ranks, he made a name for himself as a player who was always ready to take on anyone who dared to cross his teammates. Tie's reputation followed him into the NHL, and it wasn't long before he ranked among the game's most feared—and fearless—enforcers. From New York to Winnipeg to Toronto, Tie quickly became a fan favourite in whatever city he played. As he went about working his name into the record books, Tie surrounded himself with people from every walk of life, learning from each one as he evolved into a respected leader who was never afraid to tell it like it was. In *Shift Work*, Tie recounts the ups and downs of his life on and off the ice, showing what he has learned and how he has grown as both a player and a person. He offers insight into the most memorable points of his career, sharing his successes and mistakes with unparalleled honesty. *Shift Work* shows Tie Domi as he is—a devoted father and friend, a valued and loyal team player, a magnetic personality, and an athlete of immense skill and

courage.

I'm Fine...And Other Lies HarperCollins

Spanning from WWII to the Cold War and beyond, this is the "magnificent . . . triumphant" biography of the investigative journalist, resistance fighter, and whistle blower who helped expose the Watergate scandal (Doris Kearns Goodwin, author of *Leadership*) He was one of the most fascinating figures in 20th-century political history. Yet today, Elias Demetracopoulos is strangely overlooked—even though his life reads like an epic adventure story . . . As a precocious twelve-year-old in occupied Athens, he engaged in heroic resistance efforts against the Nazis, for which he was imprisoned and tortured. After his life was miraculously spared, he became an investigative journalist, covering Greece's tumultuous politics and America's increasing influence in the region. A clever and scoop-hungry reporter, Elias soon gained access to powerful figures in both governments—and attracted many enemies. When the Greek military dictatorship took power in 1967, he narrowly escaped to Washington DC, where he would lead the fight to restore democracy in his homeland—while running afoul of the American government, too. Now, after a decade of research and original reporting, James H. Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government, but that of the Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford, Carter and Reagan administrations, making him a target of CIA, FBI, and State Department surveillance and harassment—and Greek kidnapping and assassination plots American authorities may have purposefully overlooked. A stunning feat of biographic storytelling, sweeping from World War II to the Cold War, Watergate and beyond, *The Greek Connection* is about a lifetime of standing up for democracy and a free press against powerful special interests. It has much to teach us about our own era's abuses of power, dark money, journalist intimidation, and foreign interference in elections.

Kingdom Quarterback Flatiron Books

An uplifting story about role models, football, and tackling fear set in the heart of Friday Night Lights country—from the bestselling author of *Heat*, *Travel Team*, and *Fantasy League*. Clay is a quarterback's dream. When he zips across the field, arms outstretched, waiting for the ball to sail into his hands, there's no denying him the catch. Like most Texans, Clay is never more at home than when playing football. And his coach, a former star player for the Dallas Cowboys, is just like a second father. But as the football season kicks off, Clay begins to notice some odd behavior from his coach—lapses in his memory and strange mood swings. The conclusion is painful, but obvious: Coach Cooper is showing side effects of the many concussions he sustained during his playing days. As Clay's season wears on, it becomes clear that the real victory will be to help his coach walk onto that famous star logo in the middle of Cowboys Field one last time--during a Thanksgiving day ceremony honoring him and his former Super Bowl-winning teammates. In *Lone Stars*, #1 New York Times bestseller Mike Lupica demonstrates once again that there is no children's sports novelist today who can match his ability to weave a story of vivid sports action and heartfelt emotion. A touching story that proves life is bigger than a game. Praise for *Lone Stars* "Lupica has crafted another fine sports story for the middle school reader."—VOYA "Young readers, no matter their level of interest in the game, will be drawn in by this touching, timely story."—Booklist "There is plenty of great football action to keep the sports enthusiasts engaged, and the information about concussive injury is easily understood and applied. This is an entertaining read that also imparts an important message."—School Library Connection

Middle School Rules of Brian Urlacher Melville House

In the vein of Mary Karr's *Lit*, Augusten Burroughs' *Dry* and Sarah Hepola's *Blackout*, *As Needed for Pain* is a raw and riveting—and often wryly funny—addiction memoir from one of New York media's most accomplished editors which explores his never-before-told story of opioid addiction and the drastic impact it had on his life and career. Dan Peres wasn't born to be a media insider. As an awkward, magic-obsessed adolescent, nothing was further from his reality than the catwalks of Paris or the hallways of glossy magazine publishers. A gifted writer and shrewd cultural observer, Peres eventually took the leap—even when it meant he had to fake a sense of belonging in a new world of famed fashion designers, celebrities, and some of media's biggest names. But he had a secret: opiates. Peres's career as an editor at *W* magazine and *Details* is well known, but little is known about his private life as a high-functioning drug addict. In *As Needed for Pain*, Peres lays bare for the first time the extent of his drug use—at one point a 60-pill-a-day habit. By turns humorous and gripping, Peres's story is a cautionary coming-of-age tale filled with unforgettable characters and breathtaking brushes with disaster. But the heart of the book is his journey from outsider to insecure insider, what it took to get him there, and how he found his way back from a

killing addiction. As *Needed for Pain* offers a rare glimpse into New York media's past—a time when print magazines mattered—and a rarefied world of wealth, power, and influence. It is also a brilliant, shocking dissection of a life teetering on the edge of destruction, and what it took to pull back from the brink.

Quarterback Chronicle Books

This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer's disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN's iconic *College GameDay* show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the *GameDay* set, and into the broadcast booth. You'll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he's established and the insights he's learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he's also a survivor. He's the quiet kid who withstood the collapse of his parents' marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you'll make it” dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* “proves the importance of perseverance and family” (Peyton Manning).

The Mamba Mentality Triumph Books (IL)

ESPN's Sal Paolantonio takes readers inside the Eagles' improbable 2017 season, one which culminated in the franchise's long-awaited first Super Bowl victory—from their hot start in the fall with nine straight wins, to the unfathomable loss of star quarterback Carson Wentz, to the sweetest victory over the New England Patriots in Minnesota featuring the unforgettable “Philly Special,” and finally to the raucous celebrations on Broad Street. Through exclusive interviews, fans will learn how Philadelphia overcame Wentz's season-ending injury which instantly branded them underdogs, gaining inside perspective into the dynamic between head coach Doug Pederson, back-up quarterback and eventual Super Bowl LII MVP Nick Foles, and the many individuals who stepped up and answered the call at the right times. Paolantonio captures the mood of the team week by week, every step of the way, profiling numerous key players, coaches, and more.

Lord Help Me Penguin

Fresh off of a gutsy, thrilling 2023 Super Bowl win for the Kansas City Chiefs, two inspiring stories that fit perfectly together—a biography of superstar quarterback, Patrick Mahomes, who brought the Chiefs to their first Super Bowl win in fifty years in 2020 as well as a second in 2023, along with the historical struggles and recent resurgence of the former “Paris of the Plains,” Kansas City.

There is nobody like Patrick Mahomes. In three seasons, he has won a Super Bowl and competed in another, earned the titles of First Team All-Pro, NFL Offensive Player of the Year, and league MVP, and turned the Kansas City Chiefs from famed playoff failures into the most successful team in the NFL. With his unique and groundbreaking playing style, and winning personality both on and off the field, Mahomes has become a truly transcendent quarterback in a journey that mirrors and accentuates the rebirth of the once swingin' cow town of Kansas City, Missouri. Once an adventure-filled jazz epicenter and nightlife hub to rival New Orleans, Kansas City's wild edges and captivating neighborhoods were snuffed out in pursuit of a suburbanized dream that largely left out people of color. It's been a long road attempting to move past the scars of segregation and overcome the city's flyover reputation, but Kansas City is now poised to make a comeback, and no other person or team embodies that hope like Patrick Mahomes and the Kansas City Chiefs. Kansas City and Mahomes represent the story of the midwestern American city—how they grew, how they shaped the country, how the sport of football came to mean so much to them, how they failed, and how they are changing. Kansas City-area natives Mark Dent and Rustin Dodd have written for outlets such as *The New York Times*, *The Kansas City Star*, and *Texas Monthly*, bringing their deep connection to the city, football expertise, and polished writing skills to create a serious book about a very entertaining subject—the rebirth of a city, a team's triumph, and how Patrick Mahomes, and the team he led, were exactly what was needed to bring Kansas City back together again.

My Mom Is a Foreigner, But Not to Me Hachette UK

NEW YORK TIMES BESTSELLER • “Desus & Mero are smarter and funnier than everyone writing books.”—Shea Serrano “I will never write anything as hilarious as they have. I give up.”—Malcolm Gladwell “These motherf**ers make me laugh until I choke.”—Jia Tolentino NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR A wild, hilarious guide to life from the hosts of the hit late-night show *Desus & Mero* and the *Bodega Boys* podcast Who could have predicted that, after a fateful meeting in a Bronx summer school in the 1990s, Desus & Mero would turn their friendship into an empire of talking to each other. And it's no surprise—tuning in to them is like listening to the funniest, smartest people you know dissect a topic and then light it on fire. Now they've written the most essential guide to life of this century*, in which all the important questions are asked: How do I talk to my kids about drugs if I do them, too? What are the ethics of ghosting in a relationship? How do I bet on sports? How should I behave in jail? How much is too much to spend on sneakers? Is porn really that bad for me? As they put it: “We want to share all we've learned, after years in the Bronx streets, with you: the people. So with a lifetime spent building up a plethora of information from trials and tribulations and a handful of misdemeanors, we decided to write this book—a sequel to the Bible, or maybe to *The Hitchhiker's Guide to the Galaxy*, depending on how big a nerd you are. Let this book be your North Star.” *NO REFUNDS

Every Summer After Independently Published

For more than a decade, Brian Urlacher was the face of the Chicago Bears—one of the NFL's most storied franchises. An eight-time Pro Bowl middle linebacker, Urlacher established himself as one of the league's preeminent defenders with his athleticism, intelligence and ferocity. He is widely expected to gain entrance into the Pro Football Hall of Fame when he is eligible in a few years which is not bad for an athlete from Lovington, New Mexico, where his coaches didn't even see college potential in him until his junior year of high school. *The Middle School Rules* of Brian Urlacher features the real-life childhood stories and exploits of young Brian Urlacher and illustrate

how they shaped him into the world-class athlete he became. The first of *The Middle School Rules* series, these books not only entertain, but also inspire greatness in the next generation by highlighting the importance of being your best, overcoming adversity, and reaching your dreams through discipline and hard work.

Trophy Son St. Martin's Press

“Whitney Cummings has written a book about being, well, not fine—and what to do when you find yourself with brutal anxiety and a co-dependency disorder; all in her trademark wit, humor, and honesty. This book, however, is fine as hell.”—Sophia Amoruso, author of *#Girlboss* “The funniest cry for help you'll read this year.”—BJ Novak Well, well, well. Look at you, ogling my book page....I presume if you're reading this it means you either need more encouragement to buy it or we used to date and you're trying to figure out if you should sue me or not. Here are all the stories and mistakes I've made that were way too embarrassing to tell on stage in front of an actual audience; but thanks to not-so-modern technology, you can read about them here so I don't have to risk having your judgmental eye contact crush my self-esteem. This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my shoulder while trying to impress a guy, coming very close to spending my life in a Guatemalan prison, and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. In addition to hoarding mortifying situations that'll make you feel way better about your choices, I've also accumulated a lot of knowledge from therapists, psychotherapists, and psychopaths, which can probably help you avoid making the same mistakes I've made. Think of this book as everything you'd want from the Internet all in one place, except without the constant distractions of ads, online shopping, and porn. I'm not sure what else to say to say, except that you should buy it if you want to laugh and learn how to stop being crazy. And if we used to date, see you in court.

Elixir MCD

The untold story of Willie Nelson and his sister, Bobbie, who, over the course of their lives together, supported each other through personal tragedies and triumphs and forged an unbreakable bond through their shared love of music “Tender and intimate.”—*The New Yorker* “Poignant, beautiful, heartfelt.”—*New York Journal of Books* ONE OF THE BEST MUSIC BOOKS OF THE YEAR: Rolling Stone, Kirkus Reviews Abandoned by their parents as toddlers, Willie and Bobbie Nelson found their love of music almost immediately through their grandparents, who raised them in a small Texas town. Their close relationship was the longest-lasting bond in both their lives. In alternating chapters, this heartfelt dual memoir weaves together both their stories as they experienced them side by side and apart. The Nelsons share powerful, emotional moments from growing up, playing music in public for the first time, and facing trials in adulthood, as Willie pursued songwriting and Bobbie faced a series of challenging relationships and a musical career that took off only when attitudes about women began to change in Texas. This is Bobbie's only memoir, and in it she candidly shares her life story in full. Her deeply affecting chapters delve into her personal relationships and life as a mother and as a musician with technical skills that even Willie admits surpass his own. In his poignant stories, Willie shares the depth of his bond with his sister, and how that bond carried him through his most troubled moments. Willie and Bobbie supported each other through unthinkable personal heartbreak, and they always shared in each other's victories. Through dizzying highs and traumatic lows, spanning almost nine decades of life, Willie and Bobbie always had each other's back. Their story is an inspiring, lyrical statement of how family always finds the way.
