Does your love life need a makeover? At last, a dating rulebook for fashion lovers! All's Fair in

Love and Wardrobe puts a uniquely glamorous spin on shopping for love, offering pearls of wisdom from a venerable fashion editor. Who better to help you resist wayward temptation and avoid potentially expensive mistakes? With stiletto-sharp wit, this little guide reinvents the dos and don'ts of dating, covering everything from The Bra Code to the etiquette of chatting up a living mannequin. By the time your nail polish is dry, you'll also learn to:

- Give your love life a makeover
- Write a lipstick letter like you mean it
- Prevent first date faux pas
- Pack for a proper getaway (as in, get away from a creeper...fast!)
- Communicate effectively with the right statement pieces
- And more!

Consider this statement-making little book your front-row seat to the madcap antics of the modern guy—featuring more than one hundred rules on shopping for love, eye candy fashion illustrations, and a standard Curate-a-Date application for weeding out ill-fitting duds and heartbreaking heels.

Living Mindfully Across the Lifespan

Harlequin  
Do you feel miles apart, even though you sleep

inches away? Do you feel like there's something missing in your relationship? Or do you just want to make your marriage epic (legendary)! You shouldn't have to figure it out alone. Adapted from a wildly popular series of sermons on relationships, "The Elephant In The Bedroom" is the biblical guide that gets real and raw as it tackles the tough issues that married and single people face in relationships. These are the topics that pastors, churches and the people themselves do not want to face or talk about. You will laugh, cry, blush and go "Aha!" as Dr. Gene Herndon, with over a decade of marital counseling experience, breaches taboo topics such as in-laws, sex before marriage, divorce, infidelity, and much more. We believe everyone should have the tools and support they need to have a marriage that is passionate, fulfilling, and lasting. The Elephant In The Bedroom will open your hearts, eyes and minds to hidden insights, helping you to have the discussions you need to have with your spouse, yourself and your loved ones, and cause you to analyze potential

relationships and people in a whole new way. Get ready to have fun, learn and gain valuable lifelong insights that will help you love more successfully and discover your path from brokenness to wholeness.

In *Gettin' There*, bestselling author Steve Farrar delves into the book of Psalms to give men a new sense of continuity, direction,

purpose, and perspective. The Psalms are like a marked trail through life, showing that others have walked ahead and faced many of the challenges, temptations, heartaches, and perplexities that men will encounter on their journeys. Farrar shows that when a man begins to understand that the strong and caring hand of God is sovereign over everything in his life -- including his trials and heartaches -- his confidence, hope, and joy will increase dramatically in the God who created him and desires to use him.

In his third book of poetry, Vijay presents a collection of poems that draw on his childhood and life experiences. Vijay's writings often focus on finding and meditating on beauty in the present moments, while simultaneously taking comfort in the eternity of being. Although his poems cover the deeper topics of life, death, love, and human existence, you will find them to be uplifting and idealistic, with meaningful spiritual undertones. His writings are profoundly influenced by his strong connections to family, friends, nature, and God.

[Advice for an Imperfect Married World](#) *A Woman's Fear*

Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and

contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes “normal” behavior among happy couples? What steps you should take if that “normal” is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America’s top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful – or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example, what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be

both different and the same, and –regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy – and unhappy -- couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their “ideal romantic evening.” Much more than a peek behind the relationship curtain, *The Normal Bar* offers readers an array of prescriptive tools that will help them establish a “new normal.” Mindful of what keeps couples stuck in ruts, the book’s authors suggest practical and life-changing ways to break cycles of disappointment and frustration. *Other Men's Wives* Little, Brown  
*Living Mindfully Across the Lifespan: An Intergenerational Guide* provides user-friendly, empirically supported information about and answers to some of the most frequently

encountered questions and dilemmas of human living, interactions, and emotions. With a mix of empirical data, humor, and personal insight, each chapter introduces the reader to a significant topic or question, including self-worth, anxiety, depression, relationships, personal development, loss, and death. Along with exercises that clients and therapists can use in daily practice, chapters feature personal stories and case studies, interwoven throughout with the authors’ unique intergenerational perspectives. Compassionate, engaging writing is balanced with a straightforward presentation of research data and practical strategies to help address issues via psychological, behavioral, contemplative, and movement-oriented exercises. Readers will learn how to look deeply at themselves and society, and to apply what has been learned over decades of research and clinical experience to enrich their lives and the lives of others.

**The Serious Scale of Sarcasm: More Balanced Than a Drunken High-Heeled Clown on a Tight Rope** McFarland  
 In these pages, the harrowing experiences of women in Tanzania are laid bare. Through poignant and insightful narratives, the book delves into the intricate complexities of cultural practices, memory, trauma, and spirituality. It offers a sobering account of the harsh realities women endure, navigating deeply entrenched gendered cultures that assign lower cultural value to womanhood. However, amidst these challenges, the book reveals the remarkable resilience exhibited by women within Tanzanian society. Drawing from the author's personal background as a descendant of traditional midwives, one who was a former practitioner of female genital mutilation surgery, this raw and unflinching account provides an authentic

portrayal of the realities faced by Tanzanian women. The author's years spent as a rural pastor in Tanzanian villages have endowed him with a unique perspective, enabling him to draw profound parallels between his mother's journey into womanhood and his wife's relentless endeavors to combat gender inequality and violence both within and beyond the church. Through this intimate and revealing lens, readers are invited to explore the intricate intersections of gender, culture, and spirituality in Tanzania. The evocative narratives within this book serve as catalysts, inspiring readers to challenge their preconceptions and take a firm stance against the injustices that women endure. With its captivating storytelling and powerful message, this thought-provoking work is an essential read for individuals interested in delving into gender studies, cultural studies, and the pursuit of social justice.
