Who lit the first jack-o'-lantern? What creature of the night must return to his grave by dawn? And why do we holler "Trick or treat"? J is for Jack-O'-Lantern: A Halloween Alphabet invites you to come along on this A-Z adventure and celebration of all things that "go bump in the night." Poetry and prose combine to entertain and educate. H is for Haunted House A haunted house;

you better beware. Only enter if you dare. Monsters lurking, looking mean-- Just can't wait to make you scream! Classic autumn games, jokes, and recipes (including gooey deviled egg eyeballs!) help round out the Halloween festivities. Atmospheric artwork blends just enough fun with fright to provide the perfect backdrop. One of Denise Brennan-Nelson's favorite Halloween memories is of her daughters wearing homemade skunk costumes, since the girls are "Mommy's little stinkers." Her other books include Willow and Buzzy the bumblebee. When she's not

visiting schools to speak to schoolchildren and teachers, Denise is at home in Howell, Michigan. Born in Hong Kong, Donald Wu grew up in the San Francisco Bay area. He studied illustration at the California College of the Arts. Donald's current focus is in children's book illustration, but he also has experience with portraiture and editorial artwork. He lives in the San Francisco Bay area.

*All Kinds of Kisses* Simon and Schuster

There are all kinds of kisses... Cheep kisses. Moo kisses. Maaa kisses. Coo kisses... But the best kiss of all... Is Mommy's kiss goodnight. Sweet dreams, little one! Mommies and babies aren't the only ones who enjoy sharing kisses. All throughout the farm, animal families snuggle up with their little ones, offering them

warmth and love. Following a mama bird on her journey back to the nest to give her own baby some special cuddles, Nancy Tafuri uses beautiful, inviting illustration to share how different creatures, from peeping ducks to mooing cows, show their love and affection in very similar ways. A heartfelt homage to all of the wonderful kinds of kisses

"Beep Beep Sheep in a jeep on a hill that s steep." "Sheep in a Jeep" is well-loved by the preschool and early-reader sets for its slapstick story of five sheep (in a jeep) and silly sound effects especially when the jeep goes splash and thud in the mud Nancy Shaw s rollicking rhymes are Seuss-snappy, and Margot Apple s appealing pencil illustrations are expressive and hilarious. Shear delight. Don t miss Shaw and Apple s other sheep-heaped titles: "Sheep in a Shop," "Sheep on a Ship," "Sheep Out to Eat," "Sheep Trick or Treat," "Sheep Blast Off," and "Sheep Take a Hike." "

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible

change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits - - be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound. My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching. There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.
