Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night. . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

From leading experts who have trained thousands of professionals in dialectical behavior therapy (DBT), this manual provides indispensable tools for treating adolescents with emotional or behavioral problems of any level of severity.

Clinicians are guided step by step to teach teens and parents five sets of skills: Mindfulness, Distress Tolerance, Walking the Middle Path (a family-based module developed by the authors specifically for teens), Emotion Regulation, and Interpersonal Effectiveness. Designed for optimal clinical utility, the book features session outlines, teaching notes, discussion points, examples, homework assignments, and 85 reproducible handouts, in a large-size format for easy photocopying. Purchasers also get access to a Web page where they can download and print the reproducible materials. See also the authors' *Dialectical Behavior Therapy with Suicidal Adolescents* (with Marsha M. Linehan), which delves into skills training and other DBT components for those at highest risk.

The Five Senses Turtleback Books

Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and

subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."
