The History of the World, Ecclesiastical  
and Civil: from the Creation to the Present  
Time ... Done Into English by Several  
Hands from the Fourth and Best Edition,  
Etc Delacorte Press

For every athlete or sports fanatic who  
knows she's just as good as the guys. This  
is for fans of The Running Dream by  
Wendelin Van Draanen, Grace, Gold, and

Glory by Gabrielle Douglass and  
Breakaway: Beyond the Goal by Alex  
Morgan. The summer before Caleb and  
Tessa enter high school, friendship has  
blossomed into a relationship . . . and their  
playful sports days are coming to an end.  
Caleb is getting ready to try out for the  
football team, and Tessa is training for  
cross-country. But all their structured  
plans derail in the final flag game when  
they lose. Tessa doesn't want to end her  
career as a loser. She really enjoys  
playing, and if she's being honest, she

likes it even more than running cross-  
country. So what if she decided to play  
football instead? What would happen  
between her and Caleb? Or between her  
two best friends, who are counting on her  
to try out for cross-country with them? And  
will her parents be upset that she's  
decided to take her hobby to the next  
level? This summer Caleb and Tessa figure  
out just what it means to be a boyfriend,  
girlfriend, teammate, best friend, and  
someone worth cheering for. "A great next  
choice for readers who have enjoyed

Catherine Gilbert Murdock's Dairy Queen and Miranda Kenneally's Catching Jordan."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it

was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

This volume completes Donald Hill's distinguished edition of the *Metamorphoses*. Of the previous volume it was said: 'It is all we could hope for, with excellent translation, fuller understanding from the notes and an extensive bibliography. The text is attractively and conveniently laid out, with Latin and translation en face. The translation is in blank verse for the English reader while being stimulating and thought-provoking for the Latinist. The notes too make interesting reading at any level, with a vast store of information from a multitude of sources...' - LACT.

Colton is Juno's best friend. He'd usually be the one she goes to for advice on what do you do when you fall in love with your best Imagine you're a matchmaker and you realize too late you're in love with your childhood best friend. You only have yourself to blame—you're the one who matched him and now he's engaged to be married. When you find yourself in this position there's a few secrets you're going to need to keep... Secret #1 - Smile when he tells you the happy news, even if your heart cracks in half. Secret #2 - Don't

compare yourself to his beautiful French fiancée. You're just as beautiful. Secret #3 - Don't tag along to the tux fitting with him alone. Just no. Secret #4 - Don't help him learn to dance to his wedding song. Secret #5 - Erase all memories of the two of you through the years when lines blurred for even the briefest of moments. And the one you never saw coming... Secret #6 - Definitely, don't stand and object—someone else might just do it for you.

Athenaeus (Naucratis) was a Greek rhetorician and grammarian, flourishing about the end of the 2nd and beginning of the 3rd century AD. The Suda says only that he lived in the times of Marcus Aurelius. Several of his publications are lost, but the fifteen-volume Deipnosophistae mostly survives. Athenaeus himself states that he was the author of a treatise on the thratta, a kind of fish mentioned by Archippus and other comic poets, and of a history of the Syrian kings. Both works are lost.

The Wonders of the Little World Pen and Sword Military

Essays exploring the role religion played in

ancient Roman warfare, including destroying enemies' gods, wartime ceremonies, and live burials. Religion was integral to the conduct of war in the ancient world and the Romans were certainly no exception. No campaign was undertaken, no battle risked, without first making sacrifice to propitiate the appropriate gods (such as Mars, god of War) or consulting oracles and omens to divine their plans. Yet the link between war and religion is an area that has been regularly overlooked by modern scholars examining the conflicts of these times. This volume addresses that omission by drawing together the work of experts from across the globe. The chapters have been carefully structured by the editors so that this wide array of scholarship combines to give a coherent, comprehensive study of the role of religion in the wars of the Roman Republic. Aspects considered in depth will include: declarations of war; evocation and taking gods away from enemies; dedications and ceremonies; the cult of the legionary eagle; the role of women in Republican warfare; omens and divination; live burials of people in times of military crisis; and the rituals of the

Roman triumph. PraiseReligion & Classical Warfare: The Roman Republic "The authors take a novel approach in looking at military history of the Roman Republic in terms of the relationship between warriors and religion. The ancient world was driven to a high degree by religious belief, even to the point of commanders relying on seers to advise them on the eve of battle.—Very Highly Recommended." —Firetrench "A work of meticulous and detailed scholarship." —Midwest Book Review

*A Universal History of the Nations of Antiquity*

The first full-scale history of Hannibal's Carthage in decades and "a convincing

and enthralling narrative." (The Economist ) Drawing on a wealth of new research, archaeologist, historian, and master storyteller Richard Miles resurrects the civilization that ancient Rome struggled so mightily to expunge. This monumental work charts the entirety of Carthage's history, from its origins among the Phoenician settlements of Lebanon to its apotheosis as a Mediterranean empire whose epic land-and-sea clash with Rome made a legend of Hannibal and shaped the course of Western history. Carthage Must Be Destroyed reintroduces readers to the ancient glory of a lost people and their generations-long struggle against an implacable enemy.
