FREEMAN CHARLES

Atari AuthorHouse

"This account of the most famous lawsuits in rock history ... traces the difficulties rockers have faced dealing with bad contracts, personnel problems, litigious fans, and crooked managers and accountants."--Jacket.

Enterprise & Innovation in the Pikes Peak Region Schirmer Trade Books

Tom Petty may be one of rock'n'roll's preeminent artists today - having sold more than 60-million records - but his rise to superstardom was never a foregone conclusion. His band Mudcrutch was a household name in his hometown of Gainesville, Florida, in the mid-1970s, but the band self-destructed just months after moving to Los Angeles in search of a record deal. Tom Petty and former Mudcrutch alums Mike Campbell and Benmont Tench then regrouped with Gainesville ex-pats Stan Lynch and Ron Blair to form Tom Petty & The Heartbreakers in 1976. The new group fought to build an audience only to endure

conflict with the record label, which caused Petty to go bankrupt before emerging from a scathing lawsuit with the sweeping anthems - 'Refugee' and 'Don't Do Me Like That' - that catapulted the band's third album *Damn The Torpedoes* to multi-Platinum status. *Tom Petty: Rock 'n' Roll Guardian* is the first intimate portrait of one of the most enduring figures on rock'n'roll's world stage. Petty is the ultimate underdog that made good and his honest approach to the craft of songwriting has brought him the respect of music industry insiders and fans alike.

The New Deal's Black Congressman Omnibus Press

In April of 2014, former edibleRed vocalist Collette McLafferty had the shock of her life when a gig in a P!NK cover band dragged her into a \$10,000,000 lawsuit. The Plaintiff, a personal injury attorney who once played drums for Michael Bolton, had a dispute with her band leader claiming he stole the lawyer's idea to start Long Island's first P!NK cover band. Although she had never met the attorney and was only a "hired gun" in the group, McLafferty found herself named in the 112-page complaint. Stunned to learn she could be in a years-long court battle for singing "Raise Your Glass" at a Long Island Bar, Collette made the difficult decision to take her case to the press. She made a late

night phone call to The New York Post in hopes of leaving a message. To her surprise, a copy boy was eating lunch at the Tip Desk during the graveyard shift. Sympathetic to her situation, he knew he had a big story on his hands and promised to pitch it the next morning. Although the dispute was mostly between the two men, Collette woke up to the headline "Singer Sued for Being Too Old and Too Ugly for P!NK Cover band" in the paper. The sensationalized headline told a story of a singer who was so "old, ugly and untalented" that her one-night performance prompted the lawyer to sue. This "fake news" version of events went viral worldwide, garnering coverage in Time, Yahoo News and Breitbart. The former MTV "Buzzworthy" artist was dismayed to see her online reputation unceremoniously destroyed as highlights from her 20-year professional history were suddenly buried under pages of career-ending click bait. The headlines alleged she "ruined" the P!NK cover band with her inferior looks and singing, triggering a deep depression. Determined to find justice, McLafferty fought the case and eventually introduced "Collette's Law" with the help of The Lawsuit Reform Alliance of New York and Assemblyman Luis Sepulveda. "Confessions of a Bad, Ugly Singer" documents the emotional two-year journey of navigating the legal system, while embarking on a quest to clear her name.

Counsel of Deceit Moon Rock Books

Intercollegiate athletics continue to bedevil American higher education. This book explores the complexities of intercollegiate athletics while explaining the organizational structures, key players, terms, and important issues relevant to the growing fields of recreational studies, sports management, and athletic administration.

Crazy Laws & Lawsuits Lulu.com

"In first-time novelist Grey's legal thriller, a tax accountant who's endured sexual harassment and assault faces off against her tormentors in court.... Grey's engaging, realistic narrative is an uphill battle for sympathetic Nicole, a successful single mom who's survived years of abuse.... Topical, no-nonsense portrayal of a wronged woman seeking justice." Kirkus Review A #MeToo legal thriller that goes behind closed doors to show how employee loyalty to the firm, or rather to a paycheck, causes a "whistle-blower" to quickly become a pariah in the workplace. This novel also explores how a firm and its attorneys recreate facts, cover their tracks, and fabricate paper trails to discredit an employee who fights back against injustice. And finally, it helps to explain why most women will not report sexual harassment in the workplace. This is not a cut-and-dried legal thriller. Counsel of Deceit attempts to show what happens to the by-stander employees of firms subject to sexual harassment lawsuits. It delves deeply into the psychological aspects of those employees who are shaken by those who "rock the boat" in a long-standing culture. Nicole Brannig has finally achieved her dream: to become a CPA in one of the large firms. But men will be men, and one of the partners touches her inappropriately in the breakroom. As a survivor of childhood sexual abuse and rape, Nicole has endured worse than a little groping. Much worse. She decides to forget about the incident, but the partner commits an even more egregious assault later. She reports it to her boss. Rather than take her seriously, he takes steps to terminate her, and her career goes up in smoke. Pushed into a corner, she is left with no choice but to fight back, but she chooses the wrong attorney. Her federal lawsuit is lost because of a well-planned strategy by-and in collusion with-outside counsel for Channel, Morgan and Bond. With one more chance for justice, a lawsuit is filed in state court, but Nicole has lost almost everything and snaps. Then the truth, the whole truth, and nothing but the truth comes out.

For more than half a century, the NCAA has been one of the most powerful institutions in America, acting to prevent college athletes from receiving any money from their labours while enriching everyone else involved in college sports. In 2000 a few brave individuals took on this cartel, and paved the way for others to do the same. This is the story of a small band of renegades who, against all odds, took on the NCAA, nearly bringing it to its knees, and exposing its tyranny to a new wave of challengers.

Apprehend Me No Flowers Paulist Press

National bestselling cozy mystery author Diane Vallere brings you a riveting installment of amateur sleuthing and decorating in the delightful and humorous Madison Night mystery series. Two abandoned bodies lead to a polarized community. Can an amateur sleuth bridge the divide and help catch a killer? After a lawsuit puts interior decorator Madison Night's business on indefinite hold, she needs a distraction. A walk in the park with police captain Tex Allen is anything but: they discover two corpses on the property. The bodies are unidentifiable, and inconvenient weather conditions have rendered the crime scene obsolete. With no leads, the case seems unsolvable. With time on her hands, discovers a clue that ties the victims to a local florist. A surprise court date catches her off guard, and her continuing involvement in the case may cost her more than she can afford to lose. Can Madison dig up the evidence needed to catch a killer before the bloom fades on her business? APPREHEND ME NO FLOWERS is the seventh thrilling cozy mystery in the humorous Mad for Mod series. If you like vintage fashion, edgy cozies, and police investigations, then you'll love Madison Night's latest adventure. Buy APPREHEND ME NO FLOWERS for a fun, petal-pushing mystery today! Keywords: humorous mysteries, cozy mysteries, amateur sleuths, women sleuths, mystery with humor, fashionable fiction, fashionable mysteries, friendship fiction, traditional mysteries, Dallas, Texas, vintage, Doris Day, stylish sleuths, funny mysteries, mysteries set in Texas, funny cozy mysteries, humorous cozy mysteries, traditional mystery, designer mystery, cozy hobby mystery, animal mystery, dog, determined sleuth, female sleuth, women sleuth, fearless sleuth, crime, crime fiction, murder mystery, amateur detective, sleuthing in style, stylish sleuthing, suspense, thriller, over-50 Madison Night Mad for Mod Mysteries (cozy/traditional mysteries winking at Doris Day movies) Midnight Ice (Prequel) Pillow Stalk That Touch of Ink With Vics you get Eggroll The Decorator Who Knew Too Much The Pajama Frame Lover Come Hack Apprehend Me No Flowers Teacher's Threat The Kill of it All Love Me or Grieve Me (Oct 2022) What people are saying about the Madison Night Mysteries: "Make room for Vallere's tremendously fun homage. Imbuing her story with plenty of mid-century modern decorating and fashion tips, not to mention a steady patter of Doris Day trivia, Vallere debuts a well-paced cozy series. Her disarmingly honest lead and two hunky sidekicks will appeal to all fashionistas and antiques types and have romance crossover appeal." - Library Journal "If you are looking for an unconventional mystery with a snarky, no-nonsense main character, this is it. Madison is a strong leading lady who lands in lots of quirky situations. Instead of clashing, humor and danger meld perfectly, and there's a cliffhanger that will make your jaw drop. You'll look forward to the second Madison Night mystery." - RT Book Reviews "A charming modern tribute to Doris Day movies and the retro era of the 50s, including murders, escalating danger,

romance... and a puppy!" - Linda O. Johnston, Author of the Pet Rescue Mysteries "It was fast and furious, had a lot of info, characters, suspects, and even a few tangled romances. I love mysteries where I can't figure out who the real killer is until the end, and this was one of those. The novel was well-written, moved at a smooth pace, and Madison's character was a riot." - ChickLit Plus "This was a delightful read for me. I particularly enjoy and like Doris Day and was so surprised that Pillow Talk was mentioned in the book along with Doris Day. It's nice having a cute, cozy mystery to read, I look forward to more in the series!" -Bookreporter.com "If you love the Technicolor movies of Doris Day and Rock Hudson and watch Mad Men for fashion tips, author Diane Vallere has written a mystery that will appeal to the mid-century modern heart." - ReaderToReader.com "An intricately plotted and well-written book, I really enjoyed the story. I can't imagine decorating a house in the style from Doris Day's movies but it makes fine reading." - Fresh Fiction *California. Court of Appeal (1st Appellate District). Records and Briefs* Vintage

In *Rockonomics* you will discover how Al Jolson, Bing Crosby, and Frank Sinatra cut themselves in for songwriting credit as payment for agreeing to record a tune; the inside story of Dick Clark and Alan Freed, whose business practices were notably similar, but who came out of the payola scandal with careers heading in opposite directions; why, on his first three albums, Bruce Springsteen received nine cents an album to his manager's thirty-six cents; updates on the Beatles \$80 million lawsuit, and new lawsuits since this book's original publication, including Billy Joel's; plus, the phenomenon of rap, the death of Bill Graham, the new "political correctness" of rock, a financial report on the state of the business through the first third of the nineties, and much more.

Nobody Died at Sandy Hook (B&W) (Second Edition-Expanded and Revised) Taylor & Francis

The story follows the lives of four ordinary individuals who by happenstance came to be working together. They, like most people were doing their best to get ahead by using the skills they had acquired on their journey through life up to that point. Little did they know that they had other skills that would take them in a completely unexpected direction. They had no hint of the turn of events that would make their names instantly recognized anywhere in the solar system or turn them into global heroes. The storyline is not the only thing that presents the reader with the opportunity to transplant themselves into the story. Almost every challenge that is overcome and structure that is mentioned is possible using technology available today or at least within the grasp of today's innovators. The author presents one solution to the reader, but some readers will not be able to resist the temptation to visualize a different and possibly better course of action. This story should provide plenty of food for thought for people who like to problem solve. There are no magical beings in this story or characters with superhuman powers, so the author felt compelled to include some sexual content.

Between Rock and a Hard Place AuthorHouse

From New York Times bestselling author and internationally renowned environmental and consumer advocate Erin Brockovich comes *Rock Bottom*, a debut thriller and first in a series of novels that introduces one of the most fascinating and memorable characters in suspense fiction. Ten years ago, a pregnant seventeen-year-old, Angela Joy Palladino, fled her hometown, Scotia, West Virginia, as a pariah. Over time, AJ succeeded in establishing herself as an environmental activist, dubbed "The People's Champion," only to be forced to retreat from the spotlight in the wake of a crushing media disaster. When AJ is offered a job with a lawyer who is crusading against mountaintop

removal mining, she is torn. As a single mother of a special needs nine-year-old boy, AJ can use any work she can get. But doing so will mean returning to the West Virginia hometown she left in disgrace so long ago. Upon arriving in Scotia, AJ learns of the sudden death of the lawyer who hired her. Soon after joining forces with his daughter, Elizabeth, threats begin to surface, bodies begin to pile up, and AJ discovers that her own secrets aren't the only ones her mountain hometown has kept buried. Hitting rock bottom, AJ must face the betrayal of those once closest to her and confront the harrowing past she thought she had left behind. In *Rock Bottom*, Erin Brockovich combines passionate intensity, first-rate storytelling, and her real life experiences in a novel that will leave you breathless.

Introduction to Intercollegiate Athletics Serpentine Books

Ezekiel Shaw and his fanatical followers preach a gospel of hate, picketing the funerals of fallen soldiers, and praising God for sending America's soldiers back in body bags. But when they disrupt the funeral of Second Lieutenant Lauren Hanson, a West Point graduate killed by a roadside bomb in Afghanistan, hard-charging Fort Worth trial attorney Jace Forman becomes determined to put an end to their crazed crusade no matter the cost. As Jace and reporter Leah Rosen battle the odds and the clock in pursuit of justice and truth in the courts, they draw closer to uncovering a shocking conspiracy-and facing sinister forces that will stop at nothing to keep them from revealing the truth. "Religious extremism is a very dangerous and powerful force," said Crouch. "It threatens our First Amendment rights and has been used to suppress women's rights throughout the world (including our own country)." Blending fast-paced action with authentic courtroom drama, *The Word* will keep readers enthralled from its explosive prologue to nail-biting conclusion. Learn more at HubertCrouch.com.

Confessions of a Bad, Ugly Singer University of Missouri Press

#1 NEW YORK TIMES BESTSELLER • After leaving a fast-track legal career and going on a serious bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley & Figg, a self-described "boutique law firm" that is anything but. Oscar Finley and Wally Figg are in fact just two ambulance chasers who bicker like an old married couple. But now the firm is ready to tackle a case that could make the partners rich—without requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of \$25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley & Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true ... and it is. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon!

Rock Bottom University of Missouri Press

Documentary filmmaker Ray Wheeler is down on his luck.

Embroided in a lawsuit, he is reeling from the consequences of a near-fatal shooting on his last film, and has just lost his teaching gig. Broke and beleaguered, he can't afford to be particular about his next project. So when a former student invites him to film the comeback of Lena Wells, an iconic rock-and-roll singer who hit it big in the seventies, more than two decades earlier, he reluctantly agrees—even though he doesn't like her music. When Ray arrives at Lena's hometown of Medicine Park, Oklahoma, a defunct resort community, he is determined to approach his topic with the professional detachment that has guided his career. His work ethic is modeled on the prime directive of *Star Trek*: never interfere with an alien civilization. But with only five days left before Lena's comeback concert, Ray quickly runs afoul of his

subject, who places him on a one-week probation. The terms: impress her or else. It doesn't take long before Ray violates his own ethical standards. Drawn romantically toward Lena, he also fails to prevent himself from interfering with the lives of the people closest to her, including her only son, Gram, whose paternity is a mystery even to himself; her daughter-in-law, Jettie; and the enigmatic guitar player Cyril Dodge. When disaster strikes Ray's set again, this time in Medicine Park, he must face truths he has avoided for too long—about love, relationships, and responsibility. An ode to both southwestern Oklahoma and rock music, *Live from Medicine Park* is a bittersweet reflection on the search for identity and purpose amid tragedy. As the novel reaches its climax, Ray sets out on one last adventure to set things right. Redemption may be possible—but only on its own terms.

Jet Polyester Press

This book is about the first "fear of AIDS" case tried in America. It tells the untold story of the trial that the general public heard nothing about. By telling the true story from the perspective of the lawyer who actually represented the Estate of Rock Hudson it is hoped the reader, acting as the 13th juror, will see the gross injustice done to the late actor by Christian and Rock's alleged friend, Mark Miller, as well as the court, the jury, and the press, all of which were blinded from the truth by this newly discovered disease called AIDS. Marc Christian claimed he was given a death sentence because Rock didn't tell him of his AIDS diagnosis and continued to have high risk sex with him. 25 years later Christian died not from HIV or AIDS. He was never HIV positive. How could this be if he was telling the truth that he continued having anal sex with Hudson 3 to 5 times a week for 8 months after Rock was first told he had full blown AIDS? Christian was either superhuman and they should clone his blood as a cure for AIDS, or he simply didn't tell the truth at trial, where Rock Hudson could not defend himself because Christian waited until Rock died, and found out he wasn't in his Will, before bringing his lawsuit.

Fatal Vision Wm. B. Eerdmans Publishing

A biography of the first African American to be elected to the US Congress. Contending that Nordin's (1883-1968) successes were due to questionable deeds and attitudes, traces how he

ingratiated himself with the political machine in Chicago to get elected and faithfully served them for many years in office. Also documents how his patrons dropped him because of his support, however belated, of the NAACP and his legal action against racial discrimination. Annotation copyrighted by Book News, Inc., Portland, OR

Bullet Proof Mold Litigation They Fought the Law

Collects entries on domestic violence that cover topics that include ritual abuse-torture and domestic violence against women with disabilities.

Rockonomics Yale University Press

When Professor Donna Manley receives a book contract from a publisher in August 2014, she has no idea that the search for additional details the publisher requires will take her from her college in Buffalo, NY all the way to Hollywood and back. Nor does she know that, along the way, she will find herself on one of the USA's top late-night talk shows where an off-hand remark she makes on camera will inspire a lawsuit from Hollywood A-lister, Cammie Cavazian. She also doesn't know that help in getting the lawsuit dropped will come from a major rock star, Burton Jones, who has gone into hiding in Toronto, ON to escape the celebrity treadmill, and also from a twelve year-old fan of Cammie's, Millie Wachowski, who lives not far from Donna and is deeply unhappy about her parents' decision to stop her gymnastics training. And, as Cammie herself doesn't yet know, between them, Donna, Burton and Millie will soon expose Cammie's darkest secrets.

They Fought the Law JHU Press

The law has never been funnier or crazier--and this book (now in a brand-new format) contains the proof! In an age of litigation run rampant, lawsuits have become increasingly bizarre--not to mention downright silly. It may seem obvious that junk food makes you fat, or that if you fall into an ornamental rock garden it will hurt, but some people need a big warning sign. From convicted criminals to forgetful senators and gambling-crazy moms, everyone, it seems, needs protecting from themselves. Some chancers walk away with a big check, but readers can render their own verdicts on barely injured sports stars, warring neighbors, aggrieved former pet owners, angry husbands, furious wives, and kids who think, "To hell with the inheritance, I'm suing Mom and Dad."
