Master the Corrections Officer: Practice Test 2 Learning Express (NY)

A harrowing insight into New York City's most notorious detention complex, Rikers Island. The narrative plays through multiple characters who possess a particular position of control and power within the jail, along with the inmates and civilians who witness the violence, drugs, sex, and corruption that occurs every day inside. The seclusion of the jail from the city's beautiful skyline can seem like an amazing inferno to outsiders, however, for those who make it to the other side whether to make a living, being detained for breaking the law or visiting someone accused of doing so, they all share that unshakable feeling. Each character intertwines with one another through desperation and aspiration, sharing the same main objective... survival. Fraternization

between uniformed staff and those incarcerated, the drug and alcohol abuse they have in common, violence between the inner-city gangs who congregate under the same roof, and the political pressure of elected officials attempting to maintain order where over 40% of the population suffers from mental illness. Out of sight out of mind. WELCOME TO THE ISLAND.

"...Score #1 on the Test! Just Like I Did!" This book is subtitled "A Comprehensive Review of the New York States First-Line

Correctional Supervisors Test" which is the title of the civil service test for the promotion of Sergeant in most NYS County Correctional Facilities. This book contains an outline of the above entitled exam - and is a comprehensive review of New York State's Minimum Standards. If you are looking for an outline for the above entitled exam and a review of New York State's Minimum Standards - Then this book is for you. Welcome to the Ultimate Correctional Sergeants Exam Guide a comprehensive review for the exam entitled "New York State's First-Line Correctional Supervisors Test." You have bought the most advanced book ever published for this promotional exam. The purpose of this book is to provide the reader with an outline of the above entitled exam as well as a powerful and comprehensive system for learning the New York State Commission of Corrections Minimum Standards. Combining the information from the test guide provided by the New York State Department of Civil Service, this guide will prove invaluable for anyone studying for the above entitled exam. This book has been carefully designed to reinforce your understanding of the laws behind the New York State Commission of Corrections Minimum Standards so that you are better equipped to take the promotional exam. This book will also help you to perform your job to the best of your ability. Let's face it - whether you like it or not, the New York State Commission of Corrections Minimum Standards are the laws of the State of New York. If you do not know these rules and guidelines, you may be in violation of the law- potentially causing yourself unnecessary liability. As a corrections professional, you owe it to yourself to know these rules inside and out. The reason that I sat down and compiled this

information is because while I was studying the New York State Commission of Corrections Minimum Standards, I had a hard time reading through the boring page after page of legal terminology. So as a study guide for myself, I decided to break down the information into smaller pieces so that I could better understand the information. The end result is this study guide! Besides being a terrific study guide for the above entitled promotional exam, this book is also an excellent guide for any person seeking a better understanding of the complex laws that govern most county correctional facilities in New York State. I hope that this book will give you the edge that you need in order to score those few extra points that could make a difference for you in your career. My motto is "Score Higher-Get Hired!" Best of luck, Eric L. Morin -Corrections Officer - Rensselaer County, NY "Score #1 on the Test! - I did- You Can Too!"
