This publication traces developments in
the use of profiles produced over the last

two years and attempts to face some difficult and controversial issues raised repeatedly in any consideration of profiling. The introduction addresses assessment issues. Section 2 discusses the technical issues surrounding profiles, or records of achievement, and their relationship to discusses the technical issues surrounding profiles and their relationship to graded assessments. Section 3 makes a case for the assessment of personal qualities of students and offers some guiding principles. Section 4 discusses the importance of staff development and makes suggestions as to its implementation. In section 5, some major further education examining bodies in Great Britain (Business Education Council, Technician Education Council, City and Guilds of London Institute, and Royal Society of Arts Examination Board) develop their recent thinking and chart progress in profiling, illustrated by their currently available schemes. Section 6 provides accounts of developments in Northern Ireland. It includes a review of a local education authority profile initiative that illustrates a range of profiling formats and indicates the practical support needed for effective implementation. Profiling in the Youth Training Programme is also reviewed. Appended are: (1) a draft policy statement on records of achievement for school leavers by the Department of Education and Science; and (2) comments on this statement by the authors of the present document. "This book covers the 1300 years from the Villanovan and Etruscan forerunners of the Romans to the introduction of Christianity under the Emperor Constantine the Great. The text examines the Roman artistic output chronologically, showing how greatly it was influenced by the taste and patronage of the various emperors. Each chapter focuses on one historical period or dynasty, and explores the history, myth and literature behind the art."--

The Next Christians Simon and Schuster
Reveals the real, whole name of God and its place within each of us • Explains how none of the God-names commonly used in the Bible is God's real name •

Shows how the real name of God unites all religions from both West and East • Includes spiritual techniques, prayers, poems, and meditative chants to bring each of us into deep, personal, intimate, living relationship with God Of the many names of God commonly used in the Bible and other sacred literature, none is God's real name. Every God-name, including YHWH, reflects only one of God's many aspects, such as the loving creator, the militaristic authoritarian, or the all-knowing judge. None embodies the wholeness, the totality, the full Essence of God. Who then are we to speak to when we seek God? If you can't truly know something until you know its name, how can we truly know God? The culmination of years of translation research and etymological investigation, Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible: Anochi. He shows how this sacred name unites all religions--both of the West and the East. The name Anochi enables us to finally meet the whole, complete, real God--both the grand God of the vast universe and the God of breath, soul, and heart who dwells within each of us. This in-depth exploration of God's name includes spiritual techniques, poems, guided prayers, and meditative chants to bring each of us into personal, intimate, and purposeful relationship with God. By knowing the real name of God, we can affirm the connection to the Divine at the core of our being. We can touch the face of God that resides deep within us all.

Named one of the Best Romance of 2020 by EW, Washington Post, NPR, and Bookpage! Meet the SOCIETY OF SIRENS—three radical, libertine ladies determined to weaponize their scandalous reputations to fight for justice and the love they deserve... She's a Rakes on a quest for women's rights... Seraphina Arden's passions include equality, amorous affairs, and wild, wine-soaked nights. To raise funds for her cause, she's set to publish

explosive memoirs exposing the powerful man who ruined her. Her ideals are her purpose, her friends are her family, and her paramours are forbidden to linger in the morning. He's not looking for a summer lover... Adam Anderson is a wholesome, handsome, widowed Scottish architect, with two young children, a business to protect, and an aversion to scandal. He could never, ever afford to fall for Seraphina. But her indecent proposal—one month, no strings, no future—proves too tempting for a man who strains to keep his passions buried with the losses of his past. But one night changes everything... What began as a fling soon forces them to confront painful secrets—and yearnings they thought they'd never have again. But when Seraphina discovers Adam's future depends on the man she's about to destroy, she must decide what to protect... her desire for justice, or her heart.

From the intellectual leader of the Republican party, an unvarnished look into the state of the conservative movement today and a clear plan for what needs to be done to save the American Idea. THE WAY FORWARD challenges conventional thinking, outlines his political vision for 2014 and beyond, and shows how essential conservatism is for the future of our nation. Beginning with a careful analysis of the 2012 election--including a look at the challenge the GOP had in reaching a majority of voters and the prevalence of identity politics--Ryan examines the state of the Republican party and dissects its challenges going forward. THE WAY FORWARD also offers a detailed critique of not only President Obama but of the progressive movement as a whole--its genesis, its underlying beliefs and philosophies, and how its policies are steering the country to certain ruin. Culminating in a plan for the future, THE WAY FORWARD argues that the Republican Party is and must remain a conservative party, emphasizing conservatism in a way that demonstrates how it can modernize and appeal to both our deepest concerns and highest ideals.

Dear Ally, How Do You Write a Book?

In a lyrical love letter to guide dogs everywhere, a blind poet shares his delightful story of how a guide dog changed his life and helped him discover a newfound appreciation for travel and independence. Stephen Kuusisto was born legally blind—but he was also raised in the 1950s and taught to deny his blindness in order to "pass" as sighted. Stephen attended public school, rode a bike, and read books pressed right up against his nose. As an adult, he coped with his limited vision by becoming a professor in a small college town, memorizing routes for all of the places he needed to be. Then, at the age of thirty-eight, he was laid off. With no other job opportunities in his vicinity, he would have to travel to find work. This is how he found himself at Guiding Eyes, paired with a Labrador named Corky. In this vivid and lyrical memoir, Stephen Kuusisto recounts how an incredible partnership with a guide dog changed his life and the heart-stopping, wondrous adventure that began for him in midlife. Profound and deeply moving, this is a spiritual journey, the story of discovering that life with a guide dog is both a method and a state of mind.

Thirty years ago a frustrated physicist from Seattle named Ron Gregg was retreating from an aborted attempt at a new alpine style route on Denali. His partner had been evacuated by helicopter, but Ron chose to ski back to the highway solo. In the process, Ron found a new direction in life. At that time, outdoor gear left much to be desired. Many of the best climbers and alpinists designed their own equipment out of necessity. They fashioned

climbing harnesses, backpacks and entire kits in basements and garages. Nobody cared what the gear looked like. For a mountaineer with a penchant for design, the 70s and 80s were an era of extreme entrepreneurial opportunity and epic adventure. Designed by Adventure: 30 Years of Outdoor Research follows Ron Gregg's seminal early years as he bootstraps what would become an iconic company known for relentless commitment to functionality and durability. His intense passion for making better products in his own factory establishes Outdoor Research as an outdoor industry leader, yet Ron's devotion to his Seattle factory eventually imperils the company as globalization changes the game. His sudden and tragic death in the mountains of British Columbia creates a crisis as his family and the management team struggle to find a solution to keep the company going. Ultimately a new team comes together to build on Ron's legacy and principles, building Outdoor Research into one of the fastest growing companies in its industry.

Artists are increasingly interested in producing work that is not only beautifully designed and produced, but is also environmentally friendly and socially responsible. In Sustainable Ceramics, pioneer Robert Harrison draws on more than four decades of making, and a wealth of experience shared by other artists to present practical possibilities for ceramic artists. This book covers all the factors to consider when going 'green', from fuels and alternative firing technology to energy-saving methods, sustainable ways to collect and use clay itself, and ways to deal with or recycle waste materials and save water. He suggests simple and achievable

methods by which to reduce the carbon footprint of ceramic art, and draws on interviews and examples throughout by practitioners who reclaim, reuse and recycle in their studio or work.

Sustainable Ceramics is an essential resource for any ceramicist, studio or school looking for ideas on how to reduce the impact of their practice on the environment.

In *To Live Is Christ*, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, "I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this . . . but I press on.'" Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively.
