The most ambitious comics event of 2016 brings war to the 41st century - with Rai leading the charge! One hundred years from today, Father - the benevolent artificial intelligence that governs the island nation of Japan - will gain sentience. To defend its borders, Father will take drastic action by launching Japan into space...where its people will thrive in isolation, away from the overpopulated and resource-deprived planet below. Over the centuries, as New Japan orbits our increasingly unstable world, it will become a model society - one built on peace, prosperity... and Father's control. A thousand years from today, Father will create the first Rai, founding a lineage of technologically enhanced heroes engineered to defend New Japan and sworn to protect it from all enemies. For hundreds of years into the future, the Rai will single-handedly enforce New Japan's justice well...and serve Father without question. Now, at the dawn of 4001 A.D., the latest Rai is about to inherit the dark truth behind the origin of his kind...and discover the sinister secret at the heart of Father's existence. For New Japan to live, Earth must die...and as Rai challenges his former master for the first time in more than a millennium, the lone guardian of New Japan will be cast out of his own Father's kingdom... Exiled from the only realm he's ever known, Rai now walks the ravaged world of 4001 A.D. in search of forgotten heroes like himself... on a mission to collect the last surviving legends of a broken planet...and to forge a rebellion with the power to bring the most advanced civilization in history crashing back down to Earth. New York Times best-selling writer Matt Kindt (DIVINITY II) and superstar artist Clayton Crain (X-Force) bring their startling vision of the year 4001 A.D. to new heights...with the fate of New Japan floating in the balance! Collecting 4001 A.D. #1Ð4.

Twelve Years A Slave, Illustrated Edition Chronicle Books
 As Gotham City's guardian, Batman has investigated nearly every kind of murder—but he's never seen a homicide as strange as this. The death of Lamont Cranston, an Arkham Asylum employee, leads the Dark Knight Detective to an impossible conclusion: the crime was committed by a man also named Lamont Cranston, who died more than 50 years ago—a man better known as the Shadow. The Shadow is definitely alive and kicking, however, and once Batman picks up his trail he will stop at nothing to bring him to justice. But it soon becomes clear that the hunter and his quarry are both entangled in a much larger web of evil—a conspiracy that threatens everything they have sworn to protect. Now Batman and the Shadow must put aside their differences to stop a terrifying new foe called the Stag, who has set his sights first on Gotham and then the world. And this merciless monster has a partner of his own: the Clown Prince of Crime himself, the Joker. Can the Shadow and the Bat stop this unholy alliance? Or will these two brilliant crime-fighters fall victim to the twisted genius of their archnemeses? New York Times best-selling author Scott Snyder joins forces with acclaimed talents Steve Orlando and Riley Rossmo for BATMAN/THE SHADOW: THE MURDER GENIUSES—an action-packed thriller decades in the making! *Beauty and the Beast* Kingdom Hearts Ultimania: The Story Before Kingdom Hearts III

This stunning original novel will tell an all-new story set in the world of the new film, featuring Aladdin and Jasmine. A magic carpet ride full of adventure, suspense, and wonder written by New York Times Bestselling author Aisha Saeed, this story will be a must-read for any Aladdin fans who find themselves drawn into and enchanted by the magical world of Agrabah and beyond. *Secrets of Disneyland* TokyoPop

On the Destiny Islands, three children--Sora, Riku, and Kairi--are living out their peaceful, carefree lives while yearning for whatever lies beyond the great ocean. But one night, an unexpected disaster takes place, and the three are torn from

each other and their island home. Meanwhile, at Disney Castle, Donald Duck and the other castle residents are in an uproar upon discovering King Mickey has suddenly gone missing. When fate brings them together, Sora, Donald, and Goofy set out on a grand Disney adventure to find their friends!

I have it on the best of authority that neither the police nor the special agents of the general staff have the faintest conception of how it was accomplished. All they know, all that anyone knows, is that Nikolas Rokoff has escaped." John Clayton, Lord Greystoke—he who had been "Tarzan of the Apes"—sat in silence in the apartments of his friend, Lieutenant Paul D'Arnot, in Paris, gazing meditatively at the toe of his immaculate boot. His mind revolved many memories, recalled by the escape of his arch-enemy from the French military prison to which he had been sentenced for life upon the testimony of the ape-man. He thought of the lengths to which Rokoff had once gone to compass his death, and he realized that what the man had already done would doubtless be as nothing by comparison with what he would wish and plot to do now that he was again free. Tarzan had recently brought his wife and infant son to London to escape the discomforts and dangers of the rainy season upon their vast estate in Uziri—the land of the savage Waziri warriors whose broad African domains the ape-man had once ruled. He had run across the Channel for a brief visit with his old friend, but the news of the Russian's escape had already cast a shadow upon his outing, so that though he had but just arrived he was already contemplating an immediate return to London....

 Subtitling: Concepts and Practices provides students, researchers and practitioners with a research-based introduction to the theory and practice of subtitling. The book, inspired by the highly successful Audiovisual Translation: Subtitling by the same authors, is a new publication reflecting the developments in practice and research that mark subtitling today, while considering the way ahead. It supplies the core concepts that will allow its users to acquaint themselves with the technical,

linguistic and cultural features of this specific yet extremely diverse form of audiovisual translation and the many contexts in which it is deployed today. The book offers concrete subtitling strategies and contains a wealth of examples in numerous languages for dealing with specific translation problems. State-of-the-art translation technologies and their impact on the profession are explored along with a discussion of the ways in which they cater for the socio-political, multicultural and multilingual challenges that audiovisual productions and their translations must meet today. A truly multimedia package, *Subtitling: Concepts and Practices* comes with a companion website which includes a wide range of exercises with answer keys, video clips, dialogue lists, a glossary of concepts and terminology used in the industry and much more. It also provides access to a professional desktop subtitle editor, Wincaps Q4, and a leading cloud-based subtitling platform, OONA.

Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts – and people – of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

Kingdom Hearts: Chain of Memories Routledge

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
