Fire & Blood Gollancz
#1 NEW YORK TIMES
BESTSELLER • The
thrilling history of the
Targaryens comes to life
in this masterly work, the
inspiration for HBO's
Game of Thrones prequel
series House of the
Dragon "The thrill of Fire
& Blood is the thrill of all
Martin's fantasy work:

familiar myths debunked,
the whole trope table
flipped."—Entertainment
Weekly Centuries before
the events of A Game of
Thrones, House
Targaryen—the only
family of dragonlords to
survive the Doom of
Valyria—took up
residence on
Dragonstone. Fire & Blood
begins their tale with the
legendary Aegon the
Conqueror, creator of the
Iron Throne, and goes on
to recount the

generations of Targaryens
who fought to hold that
iconic seat, all the way up
to the civil war that nearly
tore their dynasty apart.
What really happened
during the Dance of the
Dragons? Why was it so
deadly to visit Valyria
after the Doom? What
were Maegor the Cruel's
worst crimes? What was it
like in Westeros when
dragons ruled the skies?
These are but a few of the
questions answered in
this essential chronicle, as

related by a learned maester of the Citadel. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody,

and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction."—*The Sunday Times* "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—*The Guardian*

Half Bad Penguin

He roams the country seeking assignments, but gradually comes to realise that while some of his quarry are unremittingly vile, vicious grotesques,

others are the victims of sin, evil or simple naivety. In this collection of short stories, following the adventures of the hit collection THE LAST WISH, join Geralt as he battles monsters, demons and prejudices alike...

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things

figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring

work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times

 ----- "Sanderson proves to be an exceptionally talented writer in the pages of this book. Complex as some of the background is, he never gets bogged down filling in details for the reader. Instead we learn everything we need seamlessly as the story unfolds. His prose is lyrical without ever getting in its own way ...

His characters are fascinating and fully realized. ... The Emperor's Soul is one of those rare high fantasies that feels fresh and is filled with a sense of wonder."

 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes

from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts,

technological
improvements, political
battles, transportation
networks, economic
shifts, social welfare

initiatives, and more. In so
doing, they elucidate
large national issues so
that students can relate
personally to the ideas
and events that comprise

American history. At the
same time, the stories
shed light on what it
means to be a Hoosier,
today and in the past.
