It is estimated that three to five percent of the adult male population of the United States feels the need, at least occasionally, to dress in women's clothing. Judging from enrollment at her academy, Miss Vera would say that figure is low. Veronica Vera founded Miss Vera's Finishing School for Boys Who Want to Be Girls in 1992 and started a gender revolution. Working from the pink palace of the Academy's intimate Manhattan campus, she has helped hundreds of students embrace and master Venus Envy through her expert instruction in the arts

of dressing up, making up, going out, and acting like a lady. In her new book, she shares her priceless wisdom with the world. With sparkling wit and dazzling insight, Miss V gives us the 411 on body hair, foundation garments, make-up, and dressing, as well as offering invaluable advice on Creating a Herstory (finding the real life story of the femmeself within) speech, manners, walking in high heels, and--that biggest step of all--going out in the real world all dressed up. Amply illustrated and filled with the real stories of students and graduates, Miss Vera's Finishing School also offers a fascinating history of how the Academy came to be, as well as Miss Vera's own incisive gender manifesto. "As we step boldly toward the new millennium, many more of us will be doing it in high heels," says Veronica Vera. In Miss Vera's Finishing School for Boys

Who Want to Be Girls, she proves conclusively that, after a long day in wingtips, there's nothing like slipping into a pair of spiked heels.

The first major biblical commentary from the pen of N. T. Wright While full of theological import, Paul's letter to the Galatians also captures and memorializes a significant moment in the early history of Christianity. This commentary from N. T. Wright—the inaugural volume of the CCF series—offers a theological interpretation of Galatians that never loses sight of the political concerns of its historical context.

With these two elements of the letter in dialogue with each other, readers can understand both what Paul originally meant and how his writing might be faithfully used to respond to present questions. Each section of verse-by-verse commentary in this volume is followed by Wright's reflections on what the text says about Christian formation today, making this an excellent resource for individual readers and those preparing to teach or preach on Galatians. The focus on formation is especially appropriate for this biblical letter, in which Paul wrote to his fellow early Christians, "My children—I seem to be in labor with you all over again, until the Messiah is fully formed in you!"

Literary critic Kate Dickinson Sweetser offers this book on ten of the female characters of the books of the renowned author Charles Dickens. Among them will be found several of the most popular of the creations of Dickens, notably, The Marchioness, Little Nell, Jenny Wren, and Florence Dombey, and it is hoped that in this presentation as simple stories of girlhood, their classic form and beauty may arouse in young readers a new interest in the novels from which they are taken. It is a companion book to her other work, "Ten Boys from Dickens."

The Interior Courier Corporation

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the

other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to: • Examine your own motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

Anne of Windy Poplars, also published as *Anne of Windy Willows* in the UK, Australia and Japan, is an epistolary novel by L. M. Montgomery. First published in 1936, it details Anne Shirley's experiences over three years teaching at a high school in Summerside, Prince Edward Island. The novel features a series of letters Anne sends to her intended, Gilbert Blythe, who is completing medical school.

Chronologically, this book is fourth in the series, but it was the seventh book written. Lucy Maud Montgomery (1874 - 1942), was a Canadian author best known for a series of novels beginning with *Anne of Green Gables*. Montgomery went on to publish 20 novels as well as 530 short stories, 500 poems, and 30 essays.

James just took a job in Dallas transferring from Miami as an HVAC estimator. Little does he know that first love, Alexa, from college has engineered the transfer. She's a feminist, who for the past four years has worked on career. Now she wants love - specifically her first love, James, at her side. When he walks into his favorite sports bar, there she is! In the following weeks and months Alexa leads James into his new life as her soon to be male wife. She's one of a group of wealthy Texas widows known as the "Female Leadership Association" (FLA), an organization created to help mentally and/or physically abused women gain independence. The

women of FLA aren't interested in staying home barefoot and pregnant; they chart their own relationships and teach other woman to do the same. Although the story is a romantic comedy, at its heart are strong messages of gender equality.

What if your husband no longer satisfied your needs in the bedroom, you could get rid of him or you could make him into a little sissy, this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man. This would free you up to enjoy the attentions of more worthy manly specimens knowing that the house would be clean when you got home. You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before. Well that is exactly what I did and here is his story.....

An enthralling and comprehensive look into the contemporary state of one of the

wealthiest—and most misunderstood—family dynasties in the world, perfect for fans of Succession, The House of Gucci, The Cartiers, and Fortune's Children. Oil magnate J. Paul Getty, once the richest man in the world, is the patriarch of an extraordinary cast of sons, grandchildren, and great-grandchildren. While some have been brought low by mental illness, drug addiction, and one of the most sensational kidnapping cases of the 20th century, many of Getty's heirs have achieved great success. In addition to Mark Getty, a cofounder of Getty Images, and Anne G. Earhart, an award-winning environmentalist, others have made significant marks in a variety of fields, from music and viticulture to politics and LGBTQ rights. Now, across four continents, a new generation of lively, unique, and even outrageous Gettys are emerging, and not coasting on the dynasty's still-immense wealth. August Getty designs extravagant gowns worn by Katy Perry, Cher, and other stars; his sibling, Nats—a fellow LGBTQ rights activist who announced his gender transition following his wedding to transgender icon Gigi Gorgeous—produces a line of exclusive streetwear. Their fascinating cousins include Balthazar, a multi-hyphenate actor-director-DJ-designer, and Isabel, a singer-songwriter-MBA candidate. A far-flung yet surprisingly close-knit group, the ascendant Gettys are bringing this iconic family onto the global stage in the 21st century. Through extensive research, including access to J. Paul Getty's diaries and love letters, and fresh interviews with family members and friends, Growing Up Getty offers an inside look into the benefits and burdens of being part of today's world of the ultra-wealthy.
