Good Talk Ballantine Books
Drawing from decades of experience in connecting spirituality with daily life, offers traditional and contemporary ways to mark all sorts of important events in people's lives. For each

of more than one hundred everyday events and holidays, it offers a meditation, a blessing, a profound Jewish teaching and a ritual.

[The Jewish Travel Guide 2005](#) One World
The only question more popular among the Jewish people than "have you eaten yet?" is "Yes, But Is It Good for the Jews?" Jews have long considered

everything from current events to dinner menus to NBC's fall lineup through this essential prism. Revealed here for the first time is the ancient method by which to evaluate this burning question-the mathematical art of Judology. Think of it as the third cousin of Kabbalah. Yes, But Is It Good for the Jews? is a hilarious tour of world history and culture that features entries on a wide variety of subjects including: Ikea, The Bible (Old and New Testaments), Vidal Sassoon, Scientology, and more. Each one includes a definition, an explanation for why it might or might not be good for the Jews, and the Judological formula which untimely determines the

answer. It's easy: Antisemitic Potential/Backlash + Impact on the world x The J Factor (level of Jewishness) = Tzurus (Yiddish word for "trouble") / 7 (Kabbalah mystical number) = Good or Not Good for Jews This must-have guide for our times will tell you which celebrity to disparage (Madonna), which product to boycott (Nintendo), which book to skip (almost anything by Hemingway) and which country to avoid (Turkmenistan). Yes, But Is It Good for the Jews? is the perfect gift for every night of Chanukah or for the Bar Mitvah boy/Bat Mitzvah girl in your life. Jonny Geller is a literary agent and is based in London where he lives with his wife

and two sons. Visit www.isitgoodforthejew.com for a quiz, a blog and more.

Here is a book of workable, sensible solutions to the everyday problems faced by newly observant Jews as they try to explain the parameters of their new lives to the people who love them—but think they've gone around the bend. For the formerly nonobservant Jew who has decided to live an observant life, the most daunting task can be dealing with less-observant loved ones. How can you explain to them what you now feel and believe? How can you continue to be part of the lives of your

parents, your siblings and their families, and your in-laws, given how differently you now live your life? In this book, Azriela Jaffe—the observant daughter of less-observant parents—answers these and other pressing questions. Jaffe discusses how to eat kosher and observe the Sabbath and Jewish holidays in the home of a non-observant relative, and how to host nonobservant relatives in your own home; how to explain the laws of modesty and courtship practices; how to attend family life-cycle events—or explain why you sometimes can't; and how to help your relatives understand the decision to put secular education temporarily aside to attend yeshivah and

further your knowledge of Jewish law, rituals, and customs. Eminently insightful, helpful, and readable, *What Do You Mean, You Can't Eat in My Home?* will be an invaluable tool in the lives of an ever-increasing number of Jewish families. [The Negro Motorist Green Book](#) Jason Aronson Shanghai, China. *Shanghai History, Tourism, Business Travel, and Vacation Guide*. Shanghai is home to the world's second-tallest tower and a host of other neck-craning colossi. But it's not all sky-scraping razzmatazz. Beyond the crisply cool veneer of the modern city typified by Pudong, you can lift the lid to a treasure chest of architectural styles.

The city's period of greatest cosmopolitan excess the 1920s and 1930s left the city with pristine examples of art deco buildings, most of which survived the 20th-century vicissitudes assailing Shanghai. And there's more: from Jesuit cathedrals, Jewish synagogues and Buddhist temples to home-grown longtang (laneway) and shíkùmén (stone gate) housing, Shanghai's architectural heritage is like none other. Cuisine: Thirty years ago Shanghai's dour restaurant scene was all tin trays and scowling waiting staff, with international food confined to the dining rooms of 'exclusive' hotels. Today the mouth-watering restaurant scene is varied, exciting and up

to the minute and Shanghai has its own Michelin dining guide in 2017, proving just how far the city has come. Food is the hub of Chinese social life. It's over a meal that people catch up with friends, celebrate and clinch business deals, and spend hard-earned cash. Some of your best memories of the city could be culinary, so do as the Shanghainese do and make a meal of it. Shopping: Bearing in mind that Chinese shoppers constitute up to 47% of the global luxury-goods market, shopping is rarely done in half-measures in Shanghai. Retail therapy is one way of spending new money and the Shanghainese aren't called 'little capitalists') by the rest of China for nothing,

especially at the luxury end of things. But it's not all Prada, Gucci and Burberry. There are pop-up boutiques, bustling markets, cool vintage shops and young designer outlets. Beyond clothing you're also spoiled for choice, whether you're in the market for antiques, ceramics, art, Tibetan jewellery...whatever is on your shopping list. Entertainment & the Arts: Běijīng often hogs the limelight as China's cultural nexus but, for what is essentially a town of wheelers and dealers, Shanghai is surprisingly creative. Many art galleries are exciting, offering a window onto contemporary Chinese concerns, while nightlife options have exploded. Acrobatics shows are always a favourite and you

might grab the chance to catch some Chinese opera. Shanghai's music and club scene is vibrant: from unpretentious jazz and indie venues to all-night hip-hop and electro dance parties, the city swings with the best of them. The Rock, the Road, and the Rabbi Villard The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of

some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. *What Do You Mean, You Can't Eat in My Home?* Jewish Lights Publishing Between 1917 and 1921, as revolution convulsed Russia, Jewish intellectuals and writers across the crumbling empire threw themselves into the pursuit of a "Jewish

renaissance." Here is a brilliant, revisionist argument about the nature of cultural nationalism, the relationship between nationalism and socialism as ideological systems, and culture itself, the axis around which the encounter between Jews and European modernity has pivoted over the past century.

Author, amateur sleuth, and bookstore owner Samantha Washington finds herself on a tragic mystery tour while visiting the land of Miss Marple and Sherlock Holmes in the sixth Mystery Bookshop Series installment from V.M. Burns. Sam joins Nana Jo and her Shady Acres Retirement Village friends Irma, Dorothy, and Ruby Mae on a weeklong trip to London, England, to experience the Peabody Mystery Lovers Tour. The

chance to see the sights and walk the streets that inspired Agatha Christie and Sir Arthur Conan Doyle is a dream come true for Sam--and a perfect way to celebrate her new publishing contract as a mystery author. But between visits to Jack the Ripper's Whitechapel district and 221B Baker Street, Major Horace Peabody is found dead, supposedly of natural causes. Despite his employer's unfortunate demise, the tour guide insists on keeping calm and carrying on--until another tourist on their trip also dies under mysterious circumstances. Now it's up to Sam and the Shady Acres ladies to mix and mingle among their fellow mystery lovers, find a motive, and turn up a

murderer...

An essential strategy book for how to have transformative, sustainable, responsible travel experiences--starting at your own front door. Recognized Peacemaker and National Geographic Explorer Aziz Abu Sarah shows how, by crossing boundaries, we can heal our world from stereotypes, prejudice, and ignorance. Whether you're planning future travels or exploring the diverse cultures in your own community, Crossing Boundaries provides strategies for growth and getting out of your comfort zone. Moving between inspirational stories, humorous anecdotes,

and helpful conflict resolution tips, Abu Sarah guides you through having personal, meaningful experiences with people from different backgrounds. He sketches a vision of a kind of travel with the power to help heal the divides of a world polarized by seemingly intractable conflicts. He argues that transformative travel can start at home. He knows this firsthand: a former Palestinian radical, he shares his own moving story of creating connections across his divided hometown of Jerusalem, and of co-founding a tour agency with a Jewish American. Today, they direct Dual Narrative Tours, co-led by guides from different communities

in countries like Israel and Palestine, Ireland and Northern Ireland, North and South Vietnam, and many others. Drawing on these experiences, Abu Sarah's book offers tips on how to meet people naturally and safely, design an inclusive itinerary, shop to support the local economy, deal with setbacks, and much more. A guide for going beyond museums and monuments, this book is for both the first-timer and seasoned veteran. Abu Sarah shows that if you put down your phone and strike up a conversation, you can break through the walls that separate people. You'll discover shared values, build lasting relationships, and realize that far more unites us than

divides us.

 Have you been single longer than the Jews wandered the desert? Or are you newly single and hoping to hook up with a hot MOT*? Either way, Tamar Caspi is on a mission to help you find your Chosen One... and who better to do that than the advice columnist from the massively popular dating site JDate.com? In *How to Woo a Jew*, your very own Jewish Carrie Bradshaw takes you through each facet of the dating world—from traditional Jewish matchmaking and mixers to modern online dating portals, from honing your Jewdar to kosher sex. Whatever mishegas you've made of your

love life, Caspi has words of wisdom—and a few enlightening quizzes, charts, and illustrations—to help you find your Jewish soul mate. *Member of the Tribe
Jewish Renaissance in the Russian Revolution
 Penguin
 The *Great Jewish Cities of Central and Eastern Europe: A Travel Guide and Resource Book to Prague, Warsaw, Cracow, and Budapest* is the most comprehensive guidebook covering all aspects of Jewish history and contemporary life in Prague, Warsaw, Cracow, and Budapest. This remarkable book includes detailed histories of the Jews in these cities, walking tours of Jewish districts past and present, intensive descriptions

of Jewish sites, fascinating accounts of local Jewish legend and lore, and practical information for Jewish travelers to the region. The Great Jewish Cities of Central and Eastern Europe is much more than a tour guide. It is a rich storybook filled with illuminating gleanings from all aspects of Jewish culture in the region: inspiring legends from the streets of Jewish Cracow; a secret glimpse at the former facade of a Prague synagogue; strolls atop a buried Medieval synagogue in Budapest; a virtual reality tour of Warsaw's former Jewish quarter. The author combines experience in several disciplines to elucidate all aspects of Jewish history in these cities,

from architectural history to religious symbolism. The entire history of Jewish life, including local traditions and contemporary anecdotes is covered. In addition, The Great Jewish Cities of Central and Eastern Europe is also a practical sourcebook essential for the Jewish traveler, containing information ranging from kosher restaurants to the prayer times and service descriptions of active synagogues in the region. Whether it's an ancient legend or a description of a kosher restaurant, Eli Valley describes the topic in a style that is both enthusiastic and easy to read. The author's years of experience in the region give him an insight into the local Jewish communities

rarely seen by the outside world. In spite of the renewed accessibility of Jewish sites, local tour guides are not well-versed in the history of Jewish compatriots, and guide books include only sparse, misleading information about the Jewish sites. The unfortu

Storytelling, as oral tradition and in writing, has long played a central role in Jewish society. Family, educators, and clergy employ stories to transmit Jewish culture, traditions, and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject, summarizing plot lines for easy access to the right story for any occasion. Some

centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs, or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach, with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore.

Kensington Publishing Corporation

This historical exploration of the Green Book offers “a fascinating [and] sweeping story of black travel within Jim Crow America across four decades” (The New York Times Book

Review). Published from 1936 to 1966, the Green Book was hailed as the “black travel guide to America.” At that time, it was very dangerous and difficult for African-Americans to travel because they couldn’t eat, sleep, or buy gas at most white-owned businesses. The Green Book listed hotels, restaurants, gas stations, and other businesses that were safe for black travelers. It was a resourceful and innovative solution to a horrific problem. It took courage to be listed in the Green Book, and Overground Railroad celebrates the stories of those who put their names in the book and stood up against segregation. Author Candacy A. Taylor shows the history of the Green Book, how we arrived

at our present historical moment, and how far we still have to go when it comes to race relations in America. A New York Times Notable Book of 2020

Or take the Black history tour in Cartagena? The ABC Travel Greenbook has got you covered from A-Z.

Yes, But Is It Good for the Jews?

IndyPublish.com

"Garry, it's Alan. Look, I'm calling because I just felt the need to tell

someone that I'm forty-four years old, and about an hour ago, for the first time in my life, I put suntan lotion on my ass. I'll explain later. Bye." In *Clothing Optional*, Alan Zweibel offers a collection of laugh-out-loud personal narratives, essays, short fiction, dialogues, and even a few whimsical drawings. Zweibel first made a name for himself as one of the original writers for *Saturday Night Live*, but his career's humble beginnings included creating one-liners for Catskill comedians at seven dollars a pop. That experience is only one of the hysterically inspired anecdotes ("Comic Dialogue") in this quirky compilation. Zweibel confesses his first love, as a young Hebrew school student,

for Abraham's wife, Sarah ("At this point, Sarah's husband had been dead for more than three thousand years—so, really, who would I be hurting?"); recounts the time he was sent to a nudist resort to write an article ("The fact that I brought luggage is, in itself, worthy of some discussion"); offers a touching tribute to Saturday Night Live writer and mentor Herb Sargent ("Herb was New York. But an older, more romantic New York that took place in black and white like the kind of TV I grew up on and wanted to be a part of someday"); and imagines a scenario in which Sergeant Joe Friday, the stiff, monotoned character from *Dragnet*, is inexplicably partnered

with Snoop Dogg ("Damn, Friday. You gotta learn to chill. Take some free time and kick it with your boys") Every piece is punctuated with the same wit and insight that have come to define Zweibel's humor. Unhinged and hilarious, *Clothing Optional* is an unguided tour through the uniquely peculiar life and mind of a man who *The New York Times* said "has earned a place in the pantheon of American pop culture."

NATIONAL BESTSELLER

- A "beautiful and eye-opening" (Jacqueline Woodson), "hilarious and heart-rending" (Celeste Ng) graphic memoir about American identity,

interracial families, and the realities that divide us, from the acclaimed author of *The Sleepwalker's Guide to Dancing*. ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The New York Public Library, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, BuzzFeed, Esquire, Literary Journal, Kirkus Reviews “How brown is too brown?” “Can Indians be racist?” “What does real love between really different people look like?” Like many six-year-olds, Mira Jacob’s half-Jewish, half-Indian son, Z, has questions about everything. At first they are innocuous enough, but as tensions from the 2016 election spread

from the media into his own family, they become much, much more complicated. Trying to answer him honestly, Mira has to think back to where she’s gotten her own answers: her most formative conversations about race, color, sexuality, and, of course, love. Written with humor and vulnerability, this deeply relatable graphic memoir is a love letter to the art of conversation—and to the hope that hovers in our most difficult questions. LONGLISTED FOR THE PEN/OPEN BOOK AWARD “Jacob’s earnest recollections are often heartbreaking, but also infused with levity and humor. What stands out most is the fierce compassion with which she parses the

complexities of family and love.”—Time
“Good Talk uses a masterful mix of pictures and words to speak on life’s most uncomfortable conversations.”—io9
“Mira Jacob just made me toss everything I thought was possible in a book-as-art-object into the garbage. Her new book changes everything.”—Kiese Laymon, New York Times bestselling author of *Heavy*
Harvard University Press
Today the Borscht Belt is recalled through the nostalgic lens of summer swims, Saturday night dances, and comedy performances. But its current state, like that of many other formerly glorious regions, is nothing like its earlier status. Forgotten about

and exhausted, much of its structural environment has been left to decay. The Borscht Belt, which features essays by Stefan Kanfer and Jenna Weissman Joselit, presents Marisa Scheinfeld’s photographs of abandoned sites where resorts, hotels, and bungalow colonies once boomed in the Catskill Mountain region of upstate New York. The book assembles images Scheinfeld has shot inside and outside locations that once buzzed with life as year-round havens for generations of people. Some of the structures have been lying abandoned for periods ranging from four to twenty years, depending on the specific hotel or

bungalow colony and the conditions under which it closed. Other sites have since been demolished or repurposed, making this book an even more significant documentation of a pivotal era in American Jewish history. The Borscht Belt presents a contemporary view of more than forty hotel and bungalow sites. From entire expanses of abandoned properties to small lots containing drained swimming pools, the remains of the Borscht Belt era now lie forgotten, overgrown, and vacant. In the absence of human activity, nature has reclaimed the sites, having encroached upon or completely overtaken them. Many of the interiors have been vandalized or

marked by paintball players and graffiti artists. Each ruin lies radically altered by the elements and effects of time. Scheinfeld's images record all of these developments. [Fodor's Essential Israel](#) Seal Press
This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history.

Ancient "tells" dating back to the Bronze Age, colonnaded streets and temples from Hellenistic and Roman times, early Christian pilgrimage

destinations, Crusader castles, Mamluk and Ottoman fortifications--all illustrated with chronological charts, maps, site plans, and photographs.
