HarperCollins

From acclaimed author Jamie Brenner comes a stunning new novel about three generations of women who discover that the scandalous books of their past may just be the key to saving their family's future. For decades, the Hollander Estates winery has been the premier destination for lavish parties and romantic day trips on the North Fork of Long Island. But behind the lush vineyards and majestic estate house, the Hollander family fortunes have suffered and the threat of a sale brings old wounds to the surface. For matriarch Vivian, she fears that this summer season

could be their last—and that selling their winery to strangers could expose a dark secret she's harbored for decades. Meanwhile, her daughter, Leah, who was turned away from the business years ago, finds her marriage at a crossroads and returns home for a sorely needed escape. And granddaughter Sadie, grappling with a crisis of her own, runs to the vineyard looking for inspiration. But when Sadie uncovers journals from Vivian's old book club dedicated to scandalous novels of decades past, she realizes that this might be the distraction they all need. Reviving the "trashy" book club, the Hollander

women find that the stories hold the key to their fight not only for the vineyard, but for the life and love they've wanted all along. *Blush* is a bighearted story of love, family, and second chances, and an ode to the blockbuster novels that have shaped generations of women.

When a mysterious man claims to be her long-missing brother, a woman must confront her family's closely guarded secrets in this “delicious hybrid of mystery, drama, and elegance” (Jodi Picoult, #1 New York Times bestselling author). Washington, DC, 2019: Laura Preston is a reclusive artist at odds with her older sister Beatrice as their elegant,

formidable mother slowly slides into dementia. When a stranger contacts Laura claiming to be her brother who disappeared forty years earlier when the family lived in Bangkok, Laura ignores Bea's warnings of a scam and flies to Thailand to see if it can be true. But meeting him in person leads to more questions than answers. Bangkok, 1972: Genevieve and Robert Preston live in a beautiful house behind a high wall, raising their three children with the help of a cadre of servants. In these exotic surroundings, Genevieve strives to create a semblance of the life they would have had at home in the US—ballet and riding classes for the children, impeccable dinner parties, a meticulously kept home. But in truth, Robert works for American intelligence, Genevieve finds herself drawn into a passionate affair with her husband's boss, and their serene household is vulnerable to unseen dangers in a rapidly changing world and a country they don't really understand. Alternating between past and present as all of the secrets are revealed, *What Could Be Saved* is an unforgettable novel about a family broken by loss and betrayal, and “a

richly imagined page-turner that delivers twists alongside thought-provoking commentary” (Kirkus Reviews).

Danez Smith is our president
Homie is Danez Smith’s magnificent anthem about the saving grace of friendship. Rooted in the loss of one of Smith’s close friends, this book comes out of the search for joy and intimacy within a nation where both can seem scarce and getting scarcer. In poems of rare power and generosity, Smith acknowledges that in a country overrun by violence, xenophobia, and disparity, and in a body defined by race, queerness, and diagnosis, it can be hard to survive, even harder to remember reasons for living. But then the phone lights up, or a shout comes up to the window, and family—blood and chosen—arrives with just the right food and some redemption. Part friendship diary, part bright elegy, part war cry, Homie is the exuberant new book written for Danez and for Danez’s friends and for you and for yours.

‘MEIN KAMPF’ is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF’ was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. The Word on College Reading and Writing Knopf Books for Young Readers "Thoroughly charming."—Kirkus Reviews (starred review) "Original."—Booklist (starred review) "A story about selflessness, friendship and the importance of seeking unity through

difference."—Shelf Awareness (starred review) Two unlikely friends—Federico, in sixteenth-century Rome, and Bee, in present-day New Jersey—are linked through an amiable cat, Leonardo Da Vinci's mysterious wardrobe, and an eerily perfect sketch of Bee. Newbery Honor author Catherine Gilbert Murdock's *Da Vinci's Cat* is a thrilling, time-slip fantasy about rewriting history to save the present. This inventive novel will engross anyone who loved *When You Reach Me* and *A Wrinkle in Time*. Federico doesn't mind being a political hostage in the Pope's palace, especially now that he has a cat as a friend. But he must admit that a kitten walking into a wardrobe and returning full-grown a moment later is quite odd. Even stranger is Herbert, apparently an art collector from the future, who emerges from the wardrobe the next night. Herbert barter with Federico to get a sketch signed by the famous painter Raphael, but his plans take a dangerous turn when he hurries back to his era, desperate to save a dying girl. Bee never wanted to move to New Jersey. When a neighbor shows Bee a sketch that perfectly resembles her, Bee, freaked out,

solidifies her resolve to keep to herself. But then she meets a friendly cat and discovers a mysterious cabinet in her neighbor's attic—a cabinet that leads her to Renaissance Rome. Bee, who has learned about Raphael and Michelangelo in school, never expected she'd get to meet them and see them paint their masterpieces. This compelling time-slip adventure by Newbery Honor author Catherine Gilbert Murdock is full of action, mystery, history, art, and friendship—and features one unforgettable cat. Includes black-and-white spot art throughout of Da Vinci's cat by Caldecott Medalist Paul O. Zelinsky, as well as an author's note about the art, artists, and history that inspired the novel .

Though he finds himself falling for her, he is willing to play by Harper's rules. So with the greatest of intentions and the poorest of follow-throughs, the two set out to be "just friends." But as they get to know each other better, Harper fears that trading fillings for feelings may make her lose control and can't risk her carefully ordered life coming undone, no matter how drool-worthy Dan is. #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author "A wonderful book, a story of

the heart told by a writer with soul."—Los Angeles Times "The most important thing in life is to learn how to give out love, and to let it come in." Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. "The truth is, Mitch," he said, "once you learn how to die, you learn how to live." Tuesdays with
