A Guide to Television's Mayberry R.F.D. Del Rey

From Emergency Ward 10 to ER and Quatermass to the X Files, cult television programmes have held viewers in their thrall for 40 years. In the '90s, satellite broadcasters have fuelled viewers' hunger for cult shows, while the terrestrial stations have muscled in with timewarp re-runs and new classics. Shows that a few years ago could only be played in the memory are back to entertain new audiences as well as those who remember their first time on air.

The Motion Picture Guide Univ of California Press

This is a detailed examination of 58 science fiction television series produced between 1990 and 2004, from the popular The X-Files to the many worlds of Star Trek (The Next Generation onward), as well as Andromeda, Babylon 5, Firefly, Quantum Leap, Stargate Atlantis and SG-1, among others. A chapter on each series includes essential production information; a history of the series; critical commentary; and amusing, often provocative interviews with overall more than 150 of the creators, actors, writers and directors. The book also offers updates on each series' regular cast members, along with several photographs and a bibliography. Fully indexed.

Impact of Mass Media Little, Brown

A spin-off of The Andy Griffith Show, Mayberry R.F.D. became successful in its own right. The show aired from 1969 through 1971 and was consistently in the top 15 of the Nielsen ratings. Its demise was caused by the sudden elimination of rural-oriented series by CBS in 1971 in order to make room for more "realistic" fare. The show's popularity owed much to the casting; George Lindsey (playing Goober Pyle), Jack Dodson (Howard Sprague), Paul Hartman (Emmett Clark), Ken Berry (Sam Jones), and others who moved seamlessly from The Andy Griffith Show to the new series. Episode-by-episode, this is the definitive reference to Mayberry R.F.D. Each entry provides episode title, writer, director, regular and guest cast, and numerous other facts about it. Capsule biographies of guest stars are given within the entry for the initial episode in which they worked, while more detailed biographies of the writers, directors, and major stars follow the episode guide.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala

Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world. *Insight Guides Pakistan (Travel Guide eBook)* TV GuideUnofficial "Miami Vice" Episode Guide Now updated and revised for 2009, Maltin's guide is most authoritative book in the field, and now contains more entries than ever before. It includes more than 17,000 entries as well as 10,000 DVD and 14,000 video entries. Original.

For the few hundred television viewers in 1946, a special treat on the broadcast schedule was the variety show called Hour Glass. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years, another variety show, Texaco Star Theatre, became the first true television hit and would be credited with the sales of thousands of television sets. The variety show formula was a staple of television in its first 30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars—including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey—rose to prominence through weekly variety shows. In the 1960s, major stars such as Jerry Lewis, Dean Martin, Judy Garland and Danny Kaye were hosting variety shows. By the 1970s, the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode. Air date, guest stars, sketches performed, and a listing of songs featured are included.

Proceed to Peshawar is a story of adventure in the Hindu Kush Mountains and of a previously untold military and naval intelligence mission during World War II by two American officers along 800 miles of the Durand Line, the porous border between Afghanistan and Pakistan. They passed through the tribal areas and the princely states of the North-West Frontier Province, and into Baluchistan. This appears to be the first time that any American officials were permitted to travel for any distance along either side of the Durand Line. Many British political and military officers believed that India would soon be free, and that the Great Game between Russia and Britain in the nineteenth and early twentieth centuries would then come to an end. Some of them thought that the United States should, and would, assume Britain's role in Central Asia, and they wanted to introduce America to

this ancient contest.

The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term "bully" and defining all bad behavior as "bullying" may dilute the term and trivialize the problem.

Since its original release *The "12 O'Clock High" Logbook: The Unofficial History of the Novel, Motion Picture, and TV Series* has been a consistent seller among WWII buffs, lovers of aviation, and fans of Hollywood TV and movies. The book, a labor of love for co-authors Allan T. Duffin and Paul Matheis, is a detailed, comprehensive look at a media phenomenon. Army Air Force officers Beirne Lay, Jr.,

and Sy Bartlett wrote the novel *12 O'Clock High* as a somewhat fictionalized record of their experiences in England during World War II. Twentieth Century-Fox optioned the book and produced the 1949 movie version starring Gregory Peck as tough-as-nails Brigadier General Frank Savage. In 1964, prolific producer Quinn Martin (*The Untouchables*, *The FBI*) brought *12 O'Clock High* to television as a weekly series on ABC, starring Robert Lansing as Savage. Packed with fresh interviews, rare photographs, and behind-the-scenes stories published for the first time anywhere, *The "12 O'Clock High" Logbook* is the definitive history of this unique tale of heroism in World War II.
