JOSEPH DARIEN

Women in Folk Literature Peter Lang GmbH, Internationaler Verlag Der Wissenschaften
 Set in Jamaica and New York, this acclaimed first novel explores the ties that bind mother to child and weaves a mesmerizing tale of promises broken and dreams deferred.
Atkinson's Casket Simon and Schuster
 Maria Sibylla Merian, a German painter and naturalist, produced an innovative work on tropical insects based on lore she gathered from the Carib, Arawak, and African women of Suriname.
Riddle of Berlin Bloomsbury Publishing USA
 The very first collection of essays written about the role of trees in early medieval England, bringing together established specialists and new voices to present an interdisciplinary insight into the complex relationship between the early English and their woodlands.
Outsiders University of Notre Dame Press
 In the year of 1857, people in the coastal town of Valda Bay face ruin due in part to the greed of Mr. Nash, the wealthiest man in

town. When Nash is brutally murdered no one mourns his passing, but now, local magistrate Chief Johnson is out to discover what really happened. Everyone in town is a suspect, but the Chief is in for more than he bargained. Secrets abound, everywhere apparently, as townsfolk scurry to hide the sins of their pasts in light of the investigation. The town lighthouse keeper, Erik Johansson, seems to be one of the few members of the community hiding nothing?but even that is a lie. Rumors have followed his family for years: rumors of a great, hidden fortune worth killing for. So as Chief's investigation goes from murder and arson, to debauchery and deceit, someone in Valda Bay seeks a treasure. A killer walks the streets. Townspeople turn on each other. Chief Johnson wonders, is Nash's murder somehow connected to the Johansson family? If so, who stood to gain? How much would they gain, and how far would they be willing to go to get it?
The Pigman MCD x FSG Originals
 Never accept culture on its face value! It is because culture carries with it both retrogressive and progressive values. Progressive values of culture can cause development of society; but retrogressive elements of culture can play role against development and that is what has happened in case of folk

literature. Various forms of folk literature have depicted many an instances of gender inequality, gender discrimination and have undermined the status of women in society. The book 'Women in Folk Literature: Exposition of their Status through Gender Lenses' is the result of my prolonged research and thinking and a record of the presence of gender inequality in folk literature in general and folk songs, fairy tales and folk tales, proverbs and riddles in particular. I have noticed that most of the discussion on folk literature is presented from uncritical entertainment viewpoint. Most of the folklorists have very carefully avoided the discussion of retrogressive features of the various forms of folk literature. Society is the maker of culture and on the other hand culture also reconstructs society. In terms of such mutual interaction between society and culture, the identification of the retrogressive features of folk literature and the sociological observation and reassessment of their origin, evolution and social influence is urgently needed and should be an important cultural agenda of the day. Everybody, especially women love to hear, read and perform various rites like vow-rhymes, folk songs and thereby want to get innocent pleasure; but the hidden messages of gender inequality extended in different shades and layers of these various forms of folk literature affect their innocent mind and direct them towards gender socialization by indoctrinating them in the ideology of masculinity and femininity. So, it is high time to unmask the actual objectives of folk literature and to assess them from a critical approach through gender lenses especially.

POPULAR TALES OF THE WEST HIGHLANDS Vol. 2 iUniverse

This book offers a new account of the composer's enduring popularity. 12 essays by a group of leading senior and emerging scholars offer fresh historical and interpretive contexts for all phases of Britten's career.

Woman's Home Missions of the Methodist Episcopal Church
Oxford University Press

The Exeter Book, a late tenth-century manuscript of early Old English poetry, is an anthology of religious homiletic verse, elegiac poetry, and ninety-one lyric riddles. The riddles are of particular interest to students of Old English poetry and Anglo-Saxon culture, to archeologists, anthropologists, and folklorists. This volume will supersede all earlier editions of the riddles as the text contains many new manuscript readings, and a summary is given of the scholarship on each riddle. Originally published in 1977. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Recreations in mathematics and natural philosophy, recomposed by m. Montucla and tr. by C. Hutton Sterling Publishing Company, Inc.

When Chief Constable Sir Clinton Driffield goes to stay with his friend Wendover, mysterious goings-on in the boathouse he owns soon attract the duo's attention. Lights go on and off, strangers come in and out, and a game warden is found murdered nearby. And as they work to solve the crime, a second body is dredged up from the lake ... 'Mr J. J. Connington is a name revered by all specialists on detective fiction' Spectator

Divorce Murder Room

The Order is the third in a series following Beyond Evil and Runaway Mom. Private Investigator Frank McLaughlin sets out to elicit information from Charlene O'Keefe, a friend's cousin, in order to learn why she suddenly gave up a promising career as a singer and return home to ranch life with her father. In the process, Frank begins to experience strong feelings for her.

Wanting to spend more time with her, he hires her to help with his business. Together, they take on one of the most important cases of his career. A minister's wife, Felicity Whitman, hires them to find out why her husband, Matt, is acting strangely. The investigation takes them down a path leading to a secret political society known only as "The Order." The key to the investigation is a missing file and the only person that knew its whereabouts suddenly dies. A bizarre attempt, through Spiritualism, is made to find the lost file. Ruthless contract assassins are suddenly in the mix trying to secure the file for The Order and eliminate any witnesses. Hang on to your seats because this is an exciting ride.

Women and War [2 volumes] PublishAmerica

Tory Harris and Junior Davis were in love -- a fierce, drunk barracks love that finally exploded in deception and betrayal. When their paths cross again it is the opening days of the U.S. invasion of Haiti -- the strangest of America's "little wars" of the 1990s. Rooted in the inner struggles of its characters and the weight of their secrets, Voodoo Lounge is the story of addiction in a triangle: Harris, a young, driven sergeant, the only female in her detachment; Davis, the disgraced former soldier whose tragedy burns all it touches; and Marc Hall, a Haitian-American intelligence officer sent to occupy his mother's homeland. In living, detailed portraits, the novel segues through an army boat, an old missionary ship, the depths of a Haitian prison, and a squatters' camp in the shadow of an HIV hospital. Voodoo Lounge emerges as a novel of longing and love, of excess and bareness, of betrayal flowing in the blood, and the cold, blind passion for redemption.

This A-Z reference contains 275 biographical entries on Native American women, past and present, from many different walks of life. Written by more than 70 contributors, most of whom are leading American Indian historians, the entries examine the complex and diverse roles of Native American women in contemporary and traditional cultures. This new edition contains 32 new entries and updated end-of-article bibliographies. Appendices list entries by area of woman's specialization, state of birth, and tribe; also includes photos and a comprehensive index.

The Boatman's Daughter Oxford University Press

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Pigman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?'

Conundrums, Riddles and Puzzles Literatureslight Publishing
Giants are a ubiquitous feature of medieval romance. As remnants of a British prehistory prior to the civilization

established, according to the *Historium regum Britannie*, by Brutus and his Trojan followers, giants are permanently at odds with the chivalric culture of the romance world. Whether they are portrayed as brute savages or as tyrannical pagan lords, giants serve as a limit against which the chivalric hero can measure himself. In *Outsiders: The Humanity and Inhumanity of Giants in Medieval French Prose Romance*, Sylvia Huot argues that the presence of giants allows for fantasies of ethnic and cultural conflict and conquest, and for the presentation—and suppression—of alternative narrative and historical trajectories that might have made Arthurian Britain a very different place. Focusing on medieval French prose romance and drawing on aspects of postcolonial theory, Huot examines the role of giants in constructions of race, class, gender, and human subjectivity. She selects for study the well-known prose *Lancelot* and the prose *Tristan*, as well as the lesser known *Perceforest*, *Le Conte du papegau*, *Guiron le Courtois*, and *Des Grantz Geants*. By asking to what extent views of giants in Arthurian romance respond to questions that concern twenty-first-century readers, Huot demonstrates the usefulness of current theoretical concepts and the issues they raise for rethinking medieval literature from a modern perspective.

Shares perspectives from twelve successful women school superintendents.

[THE LIFE-BOAT](#) Abela Publishing Ltd

This second volume of *Tales of the West Highlands* contains thirty ursgeuln, or tales, fifty riddles plus a few extra stories. As always, these are tales and stories in which something 'Fairy' or magical occurs, something extraordinary --fairies, giants, dwarfs, princes, princesses, kings and queens, speaking animals and the remarkable stupidity of some of the characters. But these aren't just a collection of amusing and entertaining stories. Just 20 years after the Elementary Education Act of 1870 these are the tales that were still being used in those far-flung reaches of the Highlands to teach the young the lessons of life. Also included are Seanachas--those old Highland stories which in their telling resemble no others, whose origins are lost in the mists of the Highlands, if not the midst of time. So take some time out and travel back to a period before television and radio, a time when

tales were passed on orally-- at the drying kilns, at the communal well or in homes, where families would gather around a crackling and spitting hearth and granddad or grandma or uncle or auntie would delight and captivate the gathering with stories passed on to them from their parents and grandparents from time immemorial. A proportion of the profit from the sale of this book will be donated towards the education of the underprivileged in Scotland.

Christianity in China State University of New York Press

"Go read Andy Davidson's lush nightmare, *The Boatman's Daughter*. It put an arrow through my head and heart." —Paul Tremblay, author of *Growing Things* "Ample bloodshed is offset by beautiful prose . . . A stunning supernatural Southern Gothic." —Kirkus (starred) Ever since her father was killed when she was just a child, Miranda Crabtree has kept her head down and her eyes up, ferrying contraband for a mad preacher and his declining band of followers to make ends meet and to protect an old witch and a secret child from harm. But dark forces are at work in the bayou, both human and supernatural, conspiring to disrupt the rhythms of Miranda's peculiar and precarious life. And when the preacher makes an unthinkable demand, it sets Miranda on a desperate, dangerous path, forcing her to consider what she is willing to sacrifice to keep her loved ones safe. With the heady mythmaking of Neil Gaiman and the heartrending pacing of Joe Hill, Andy Davidson spins a thrilling tale of love and duty, of loss and discovery. *The Boatman's Daughter* is a gorgeous, horrifying novel, a journey into the dark corners of human nature, drawing our worst fears and temptations out into the light.

Principles of Power Routledge

Is idol worship ever a good thing? Perhaps, if your secular idol makes you feel closer to God? But can Jimmy Buffett's music really have anything to do with Jesus? The answers depend on how you reconcile one influence with the other, and whether the process interferes with other sacred relationships, such as your marriage. *Riddle in the Sand* tells the story of a young married couple searching for these answers. Jackson and Maggie hope to find them while vacationing on the Texas Gulf Coast, but instead they are roiled by forces of nature on land and sea. An eccentric cast of locals in the village and a killer hurricane in the Gulf of Mexico bring both comical and harrowing adventures. Finally, a cathartic encounter with a surprise visitor helps them all to comprehend the true foundation of enduring relationships, and the ultimate question in life.
