"Long before the network era, radio writers and programmers developed methods and performance styles that were grounded in emerging audio technologies. Making Radio reveals radio as the missing link in the history of modern sound culture" -- source : éditeur.

The Art of Angling Simon and Schuster

An all-new, official prequel novel to The Battle for Azeroth, Blizzard Entertainment's next expansion to the critically acclaimed World of Warcraft. In Before the Storm, Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde, are new to their positions of power, both ascending before they were truly prepared. As the Alliance and the Horde struggle

to recover from the devastating war with the demonic Burning Legion, a terrible discovery will test both leaders, threatening to reignite the bitter enmity between their factions and shake the very foundations of the world of Azeroth.

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Imitations of Life Simon and Schuster

Praised by Stephen Baxter and Adam Roberts, reviewed ecstatically by *SFX* magazine, Gavin Smith is one of the brightest stars of space opera. In the far future, many years after the loss of earth, humanity has changed. Strength is the only way to survive. And the most vicious man alive has a new con in mind... Here and now, a man with unnatural powers hunts down a killer with impossible abilities. Infused with a barely-understood alien technology, the two are merely pawns in a bigger game... A long time ago, the last tribes of Northern Britain face an unimaginable enemy. Demons risen from the sea, absorbing and twisting everything they touch. But there are some among the tribes who have power, who will fight... And all of these times are connected... Gavin Smith's new epic space opera is a wide-ranging exploration of the past, present and future of mankind.

Polly watched the flames licking the edge of the curtains. She was trapped. Her stomach flipped and her legs went weak, then Courtleigh's hand was on her elbow. "This way," he said pushing open the landing window. "It's too high to jump," she cried. But jump they must, out of the window of their foster home and into the strange world of The Edges, where who know what dangers await.

World of Warcraft: The Shattering Simon and Schuster

The second graphic novel based on the world's most popular massively multiplayer videogame tells the saga of the Missing King of Stormwind. Upon learning he is in fact the lost ruler of Stormwind, Lo'Gosh returns to reclaim his throne with his comrades in arms Valeera and Broll. But all is not as it seems in the eastern kingdom, especially if one informed dwarf has anything to say about it.

[Altar of Bones](#) Simon and Schuster

"[A] sophisticated and intelligent high fantasy epic."—Publishers Weekly The legendary Briar King has awakened, spreading madness and destruction across a land devastated by a royal family's fall from power through treachery and dark magic. Half-remembered prophecies may point to the young princess Anne Dare, rightful heir to the throne of Crotheny, as the world's only hope. But a mysterious assassin stalks her, so skilled that even Anne's friend and protector Cazio cannot stand against him, nor can her sworn defender, the young knight Neil MeqVren. Though Anne herself is the conduit of fearsome powers beyond her understanding and control, it is time for girl to become woman, princess to become queen. Anne must stop running and instead march at the head of an army to take back her kingdom . . . or die trying. Praise for *The Kingdoms of Thorn and Bone* "A graceful, artful tale . . . a snare of terse imagery and compelling characters that grips tightly and never lets up."—Elizabeth Haydon, author of *The Assassin King*, on *The Briar King* "There is adventure and intrigue, swordplay and dark sorcery aplenty."—*Realms of Fantasy*, on *The Charnel Prince*
