Trista Rehn was a pediatric physical therapist moonlighting as a Miami Heat dancer when she heard about casting for a new reality show—one guy getting to know twenty-five girls in the hope of finding a fiancée. As improbable and crazy as it sounded, Trista took the chance—and had her heart broken on the very first season of *The Bachelor*. But the next season, as the first Bachelorette, her fairy tale fell into place during a whirlwind courtship with poetry-writing firefighter Ryan Sutter and, eventually, a dream-come-true wedding on national TV. In the midst of building a life with Ryan and raising two kids, Trista started to make a conscious effort to remember her favorite part of each day. And she's made sure to post these thoughts, her own personal expressions of gratitude, almost every night on Twitter and Facebook—even on days she was dealing with fertility issues, a difficult pregnancy, family deaths, and other challenges that many of us face. Sometimes it's the smallest gestures and the most unassuming things that can have the greatest effects. Trista is often asked her secret to being one of the rare reality-TV relationships to make it to the altar and beyond. In this heartfelt book, she shares the simple yet profound keys to finding everyday happiness: gratitude and grace. From the blink-and-you'll-miss-them moments we have with our kids, our spouses, our pets, or even strangers, to the more obvious lessons we pick up from reading the news or hearing an inspirational story, knowing how to recognize, accept, and be grateful for all of our daily blessings is truly what “happily ever after” means.

On the eve of the fiftieth anniversary of the New York Jets' historic achievement, a nostalgic, inside look from the men who composed the team behind Joe Namath's Super Bowl III win, filled with exclusive insights and stories from the surviving players, coaches, and management of that championship team whose victory changed the landscape of American football. On January 12, 1969, the New York Jets astonished the nation when they beat the favored Baltimore Colts to win Super Bowl III. The key to the Jets' success was quarterback Joe Namath, whose superstar talent, revolutionary personality, cockiness, and charm made him an instant celebrity. But Namath didn't do it alone. In Beyond Broadway Joe, the members of that legendary team share for the first time their often funny, sometimes poignant, and always perceptive personal stories and memorable anecdotes about the Super Bowl team, its players and coaches, and that legendary

win. They reminisce about how they became Jets, their success on the gridiron—ten of them were AFC All Stars that magical year of 1968—and reveal for the first time the tactic Namath used to frustrate the Baltimore Colts' defense. They speak about their reactions to Namath's "guarantee" of a Jets' Super Bowl victory, and how the "39 Forgotten" Jets behind him enabled Joe to fulfill that boast. Furthermore, Lederer has interviewed members of the Baltimore team, to provide a 360-degree account of the game that changed it all. Inside, you'll learn: How Joe Namath was able to manipulate the Baltimore Colts defense in Super Bowl III About the player who convinced Joe Namath he was a "hot date" and pranked the playboy quarterback How coach Weeb Ewbank used salaries of players on four other AFL teams to control Jets' player salaries How one Jet, whose play was limited to two games his rookie year, convinced Jets' Coach and General Manager Weeb Ewbank that he would become an all-star Why Jets' star offensive tackle Winston Hill, an eight-time All Pro tackle, was never considered, much less, elected to the Pro Football Hall of Fame How Super Bowl III may have saved the existence of several AFL teams scheduled to be part of the AFL-NFL merger And much more! The Jets players reflect on their evolution from a team considered part of a "Mickey Mouse" league, through the sudden transformation caused by the signing and introduction of Joe Namath on America's sporting scene. The book explains from different angles—including Jets' game plans—why Jets' coaches and players were supremely confident going into Super Bowl III. Written by a lifelong Jets' fan, *Beyond Broadway* Joe captures memories—and through never-before-seen material—sheds light on what happened from the 1963 launch of the Jets to the Super

Bowl season and in Super Bowl III itself. This first complete celebration of the Jets' Super Bowl team is a must for every Jets diehard, for fans of the old American Football League, those who follow the history of professional football, and for all who love the game.

"Well, son, I guess we have to go to the bank." That's what Leon Hess told me the day the Jets drafted me as the number-one player in the NFL draft. But that first day, the day of the draft, was one of the happiest days in my life, because I knew I was ready to make things happen in the league and help turn things around for the sorry-ass Jets. But what a nightmare! Week after week, loss after loss. The Jets went in with a loser reputation, and they were earning it all over again. We had no emotion, no energy, no hunger. The media tried to cover it all. Rich Kotite tried to explain the disasters away. But nobody outside the team knew the real truth of what really went on. This book is going to change all that.

Over one million young men and women play high school football in the United States each year. Many of these athletes will be diagnosed with a concussion. Others may suffer from a concussion but are not aware or do not report it. The story of Cody Lehe is a cautionary tale of the dangers of playing with concussive symptoms. Written from the perspective of his physical therapist, *The Impact of Cody Lehe* examines Cody's injury in an Indiana high school football game. Following only minor contact in practice four days later, a cascade of chemical events inside Cody's brain altered Cody's life forever. This insightful story offers a look into the sacrifices that Cody's family has made to help him adapt to his new life, after injury. It also displays Cody's determination and sense of humor as he

struggles to stand, transfer, walk, and especially carve out a new identity for himself. Cody's story is inspiring and educational. The goal of this story and of the Lehe family is to raise concussion awareness so that athletes can continue to safely play the sports that Cody loves. Cody's warning to every young athlete is: "If you ever have a headache (or other symptom) in a game (or practice), sit out, Bub, right now, or you are going to regret it!" Net Proceeds from the sale of this book will help fund concussion education and research in honor of Cody Lehe. Before Namath, before the Heidi Game, before the guaranteed Super Bowl victory, there were the New York Titans. Remember the Titans? They played to meager crowds and mediocre results in the decrepit Polo Grounds. The organization, a charter member of the American Football League in 1960, was in constant danger of bankruptcy. After struggling for three seasons, the Titans would finally be assumed by the league. New owners were found, the franchise was renamed the Jets and a new stadium would welcome the team in 1964. The revised edition of this award-winning book covers the turbulent history and eventual crash

landing of the team that would become the New York Jets. The early days of the upstart AFL are also explored, as are the

league's constant feuds with the Titans' underfunded and overbearing owner, Harry Wismer. Four appendices with team results, rosters and statistics are included.
