Far from bitter or self-pitying, *Rock Monster* is an honest account of one woman's life-changing experience in a relationship with rock legend Joe Walsh. At once envious, glamorous, debauched and

disturbing, it's her long and winding journey from life in the fast lane to sobriety and redemption. Set in the late-eighties and nineties, these are some of Walsh's darkest years, from spiraling addiction to a stunning comeback with the Eagles' *Hell Freezes Over* tour. Loaded with true stories never before heard, *Rock Monster* is essential reading for classic rock fans and

anyone touched by addiction. Kristin Casey pulls no punches, sharing gritty details with self-awareness, humor, and affection. Sharply written, bold and incisive, it's the worldly-wise tome only an ex-addict, ex-stripper, and ex-rock-chick could give us. In the tradition of women-in-rock survivor tales--by Marianne Faithfull, Crystal Zevon, or Mackenzie Phillips--Kristin Casey pulls a veil on the

enduring myth of the lifestyle's glamorous decadence. Rock Monster is a sexy, crazy, cautionary tale of two addicts in love without a single relationship skill. Petty Voyageur Press Fleetwood Mac's distinctive sound, first really captured in the 1977 record Rumours, launched the group into the commercial stratosphere, and over the past three decades they have never looked back. All along the way their dysfunctional relationships have

informed their professional success, as well as their personal downfalls. By writing and singing about their problems, Fleetwood Mac has transformed what breaks them apart into what keeps them together. They have turned their dark relationship dilemmas into glittering entertainment. In this highly entertaining chronicle, author Donald Brackett provides readers with a special opportunity to review the band's complicated history and reconsider the personal,

dynamic sources of their classic albums and enduring hits. The band drummer Mick Fleetwood and bassist John McVie started in 1967 has gone through more personnel changes and stylistic innovations than any other pop group in our cultural history. The story of the group began when John Mayall and Alexis Korner, the band's mentors, launched a mid-'60s British blues revival. Ex-Mayall players Fleetwood and McVie then went on to form an incendiary band of

psychedelic blues under the name Fleetwood Mac. But it was not until hearing a little-known 1973 record from Lindsey Buckingham and Stevie Nicks that Mick Fleetwood heard the future sound and true pop potential of his own group.

#### Fleetwood Penguin

A stunning musical biography of Stevie Nicks that paints a portrait of an artist, not a caricature of a superstar. Reflective and expansive, *Mirror in the Sky* situates Stevie Nicks as one of the finest songwriters of the

twentieth century. This biography from distinguished music historian Simon Morrison examines Nicks as a singer and songwriter before and beyond her career with Fleetwood Mac, from the Arizona landscape of her childhood to the strobe-lit Night of 1000 Stevies celebrations. The book uniquely: Analyzes Nicks's craft—the grain of her voice, the poetry of her lyrics, the melodic and harmonic syntax of her songs. Identifies the American folk and country

influences on her musical imagination that place her within a distinctly American tradition of women songwriters. Draws from oral histories and surprising archival discoveries to connect Nicks's story to those of California's above- and underground music industries, innovations in recording technology, and gendered restrictions. *Saltwater Redemption* St. Martin's Press  
Carly Simon's New York Times bestselling memoir, *Boys in the Trees*, reveals her remarkable life,

beginning with her storied childhood as the third daughter of Richard L. Simon, the co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song "You're So Vain." She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song "Let the River Run" from

the movie Working Girl. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing "Anticipation" and "We Have No Secrets" among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her

storybook marriage to James Taylor.

iUniverse

One of rock's master musicians describes how he nurtured his band, Fleetwood Mac, as it dominated the late 1960s, came back in the 1980s, and survives into the 1990s

[Fleetwood Mac](#) Simon and Schuster

A consummate insider as the girlfriend of Lindsey Buckingham, Fleetwood Mac singer and guitarist, Carol Ann Harris leads fans into the very heart of

the band's storms between 1976 and 1984. From interactions between the band and other stars--Mick Jagger, Eric Clapton, and Dennis Wilson--to the chaotic animosity between band members, this memoir combines the sensational account of some of the world's most famous musicians with a thrilling love story. The parties, fights, drug use, shenanigans, and sex lives of Fleetwood Mac are presented in intimate detail and illustrated with never-before-seen

photographs. With the exception of one brief interview, Carol Ann Harris has never before spoken about her time with Fleetwood Mac. *Stevie Nicks Biography: The Amazing Life of Stevie Nicks and The Inside Rumors About Lindsey Buckingham and Fleetwood Mac For Dummies* Most people know a nerd when they see one but can't define just what a nerd is. *American Nerd: The Story of My People* gives us the history of the concept of nerdiness and

of the subcultures we consider nerdy. What makes Dr. Frankenstein the archetypal nerd? Where did the modern jock come from? When and how did being a self-described nerd become trendy? As the nerd emerged, vaguely formed, in the nineteenth century, and popped up again and again in college humor journals and sketch comedy, our culture obsessed over the designation. Mixing research and reportage with autobiography, critically acclaimed writer

Benjamin Nugent embarks on a fact-finding mission of the most entertaining variety. He seeks the best definition of nerd and illuminates the common ground between nerd subcultures that might seem unrelated: high-school debate team kids and ham radio enthusiasts, medieval reenactors and pro-circuit Halo players. Why do the same people who like to work with computers also enjoy playing Dungeons & Dragons? How are those activities similar? This clever, enlightening book

will appeal to the nerd (and antinerd) that lives inside all of us.

George Harrison Henry Holt and Company Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

Bon Jovi Praeger Stevie Nicks is a legend of rock, but her energy and magnetism sparked new interest in this icon. At 68, she's one of the most glamorous creatures rock has known, and the rare

woman who's a real rock 'n' roller. Gold Dust Woman gives "the gold standard of rock biographers" (The Boston Globe) his ideal topic: Nicks' work and life are equally sexy and interesting, and Davis delves deeply into each, unearthing fresh details from new, intimate interviews and interpreting them to present a rich new portrait of the star. Just as Nicks (and Lindsay Buckingham) gave Fleetwood Mac the "shot of adrenaline" they

needed to become real rock stars—according to Christine McVie—Gold Dust Woman is vibrant with stories and with a life lived large and hard: —How Nicks and Buckingham were asked to join Fleetwood Mac and how they turned the band into stars —The affairs that informed Nicks' greatest songs —Her relationships with the Eagles' Don Henley and Joe Walsh, and with Fleetwood himself —Why Nicks married her best friend's widower —Her dependency on cocaine,

drinking and pot, but how it was a decade-long addiction to Klonopin that almost killed her — Nicks' successful solo career that has her still performing in venues like Madison Square Garden —The cult of Nicks and its extension to chart-toppers like Taylor Swift and the Dixie Chicks

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of

celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

**Music in American Life**  
**[4 volumes]** Gold Dust Woman

A fascinating exploration of the relationship

between American culture and music as defined by musicians, scholars, and critics from around the world. Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history. From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes, our country's musical expressions reflect where we, as a people, have been, as well as our hope for the future. This four-

volume encyclopedia examines music's influence on contemporary American life, tracing historical connections over time. *Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories That Shaped Our Culture* demonstrates the symbiotic relationship between this art form and our society. Entries include singers, composers, lyricists, songs, musical genres, places, instruments, technologies, music in films, music in political

realms, and music shows on television.

 Omnibus Press  
 "...the notoriously media-wary Petty responds...about his life, career, and craft..."  
 Publishers Weekly  
 Conversations with Tom Petty is the first authorized book to focus solely on the life and work of the man responsible for some of the most memorable rock anthems of our generation, including: American Girl, Breakdown, Don't Come Around Here No More, I

Won't Back Down, Free Fallin', Runnin' Down a Dream, You Don't Know How It Feels, and many others. He was inducted into The Rock and Roll Hall of Fame in 2002 and his work with Tom Petty & the Heartbreakers, as well as his solo albums and those with the Traveling Wilburys, have been critically acclaimed the world over and have earned numerous Platinum-status awards from the Recording Industry Association of America (RIAA), as well as Grammys, MTV Awards, a

star on the Hollywood Walk of Fame, and many other honours. Author, Paul Zollo, conducted a series of in-depth discussions with Tom about his career, with special focus on his song writing. The conversations are reprinted with little or no editorial comment alongside rare photographs of the legend and represent a unique perspective on Tom's entire career.

**Playing in the Rain:**  
**Lindsey Buckingham & Fleetwood Mac** Chicago Review Press

Turn on the radio or take the time to flip through the stacks of used CDs at your local Goodwill or thrift store. Google ?rock ?n? roll music, ? even. Better yet, visit any public place that plays popular music from the last 50 years or so as the soundtrack to your Saturday afternoon grocery-shopping, clothes-buying or indie record store-scouting experience and you?ll find that no matter where you go, there's an ever-enduring presence that since the late 1960s has

been a mainstay in the world of pop culture and popular music: a former blues band turned rock ?n? roll atom bomb called Fleetwood Mac. Though much of the band's popularity stems from their work in the late seventies and eighties, from an era when gas was 50 cents a gallon and singers were their own songwriters, there's a reason why the band has been able to maintain their status as rock ?n? roll royalty even more than 50 years after making their debut as a

London-based blues group. His name is Lindsey Buckingham. Storms Ballantine Books This collection of interviews across the entirety of Fleetwood Mac's career features articles from many celebrated publications as well as interviews that have never previously appear in print. Edited by Sean Egan, Fleetwood Mac On Fleetwood Mac is a fascinating insight into an era-defining rock band. Fleetwood Mac was a triumph from the beginning - their first

album was the UK's bestselling album of 1968, and their 1977 album 'Rumours' became one of history's immortals, a true classic that remained in the charts for years and public affection forever. In the press, the ethereal Californian Stevie Nicks, the tormented rocker Lindsey Buckingham, the dignified English rose Christine McVie, the blunt-speaking John McVie, and the loquacious Mick Fleetwood have all regularly been astoundingly candid. In Fleetwood Mac On

Fleetwood Mac, readers will learn the Fleetwood Mac story from the band members' own mouths, and experience it contemporaneously rather than through hindsight. Editor Sean Egan is an author and journalist who has interviewed members of Fleetwood Mac, the Beach Boys, the Beatles, Led Zeppelin and many others.

*Gold Dust Woman*

Looming onto the television landscape in 2011, *American Horror Story* gave viewers a

weekly dose of psychological unease and gruesome violence. Embracing the familiar horror conventions of spooky settings, unnerving manifestations and terrifying monsters, series co-creators Ryan Murphy and Brad Falchuk combine shocking visual effects with an engaging anthology format to provide a modern take on the horror genre. This collection of new essays examines the series' contribution to television horror, focusing on how the show speaks to social

concerns, its use of classic horror tropes and its reinvention of the tale of terror for the 21st century.

### **Orange Coast Magazine**

McFarland

A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in

popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a

bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller captures the character of each woman and gives a

balanced portrayal enriched by a wealth of new information. *Girls Like Us* is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.

Fleetwood Mac Hal Leonard Corporation *Saltwater Redemption* is a fictional memoir concerning the life experiences of its protagonist, Mayson

Darcy, set in in Avalon, New Jersey. The plot tracks Mr. Darcys attempt to rediscover the golden innocence hed experienced as a kid growing up down the shore, revolving around his nineteenth summer living with a group of new friends and old acquaintances a group of gender-segregated collegians who pick themselves to live in a summer shore house and have their lives recorded by a mad diarist. It explores the romance and magic of seashore living,

as well as the perennially relatable themes of ones search for God, romantic love, and friendship. The novel begins with Maysons first recollection of swimming in the ocean, out past the drowning waters with his mother as a young child in Avalon, and ends with him venturing forth, out beyond the bow into an eternity of moonlight. In between, the narrative recounts some chronologically hopscotching recollections, including his enduring (and at times

unrequited) love for three graceful ladies: Grayce Bateman, Lyrica Le Fay, and Sadie McGoldrick. Saltwater Redemption highlights the timelessness of certain settings: places to which we often return to escape from the manifold insanities and belittlements of the world in order to discover where we essentially belong. Above all else, Saltwater Redemption is poetically written filled with much humor and heartbreak, as well as a deep-seated admiration for the ocean

and its manifold heroines,  
concerning a life  
inevitably crested in one

timeless Arthurian locale.
