TESSA FRIEDMAN

The Seven Husbands of Evelyn Hugo Penguin

The USA Today bestselling author tempts success in this stunning debut novel. National bestselling author Eileen Wilks draws readers into a bold new world where the magical and mundane co-exist in an uneasy alliance--and a cop balanced on her own knife-edged struggle is their only hope against a cold-blooded killer.

The Compact Edition of the Oxford English Dictionary: Complete Text Reproduced Micrographically: P-Z, Supplement and bibliography Time Inc. Books

"Cook ahead, mix and match, nourish body and soul"--Cover.

Watching the World Cup Publications Combined: Studies In Open Source Intelligence (OSINT) And Information

You may have watched hundreds of episodes of The Simpsons (and its sister show Futurama) without ever realizing that they contain enough maths to form an entire university course. In The

Simpsons and Their Mathematical Secrets, Simon Singh explains how the brilliant writers, some of the mathematicians, have smuggled in mathematical jokes throughout the cartoon's twenty-five year history, exploring everything from to Mersenne primes, from Euler's equation to the unsolved riddle of P vs. NP, from perfect numbers to narcissistic numbers, and much more. With wit, clarity and a true fan's zeal, Singh analyses such memorable episodes as 'Bart the Genius' and 'Homer3' to offer an entirely new insight into the most successful show in television history.

The Puzzler Random House Puzzles & Games

It's murder most viral in this debut mystery by Olivia Blacke. Bayou transplant Odessa Dean has a lot to learn about life in Brooklyn. So far she's scored a rent free apartment in one of the nicest neighborhoods around by cat-sitting, and has a new job working at Untapped Books & Café. Hand-selling books and craft beers is easy for Odessa, but making new friends and learning how to ride the subway? Well, that might take her a little extra time. But things turn more sour than an IPA when the death of a fellow waitress goes viral, caught on camera in the background of a couple's flash-mob proposal video. Nothing about Bethany's death feels right to Odessa--neither her sudden departure mid-shift nor the clues that only Odessa seems to catch. As an up-and-coming YouTube

star, Bethany had more than one viewer waiting for her to fall from grace. Determined to prove there's a killer on the loose, Odessa takes matters into her own hands. But can she pin down Bethany's killer before they take Odessa offline for good?

The Puzzlemaster Presents 200 Mind-bending Challenges Skyhorse

The New York Times bestselling author of The Year of Living Biblically goes on a rollicking journey to understand the enduring power of puzzles: why we love them, what they do to our brains, and how they can improve our world. "Even though I've never attempted the New York Times crossword puzzle or solved the Rubik's Cube, I couldn't put down The Puzzler."—Gretchen Rubin, author of The Happiness Project and Better Than Before What makes puzzles—jigsaws, mazes, riddles, sudokus—so satisfying? Be it the formation of new cerebral pathways, their close link to insight and humor, or their community-building properties, they're among the fundamental elements that make us human. Convinced that puzzles have made him a better person, A.J. Jacobs—four-time New York Times bestselling author, master of immersion journalism, and nightly crossword—set out to determine their myriad benefits. And maybe, in the process, solve the puzzle of our very existence. Well, almost. In The Puzzler, Jacobs meets the most zealous devotees,

enters (sometimes with his family in tow) any puzzle competition that will have him, unpacks the history of the most popular puzzles, and aims to solve the most impossible head-scratchers, from a mutant Rubik's Cube, to the hardest corn maze in America, to the most sadistic jigsaw. Chock-full of unforgettable adventures and original examples from around the world—including new work by Greg Pliska, one of America's top puzzle-makers, and a hidden, super-challenging but solvable puzzle—The Puzzler will open readers' eyes to the power of flexible thinking and concentration. Whether you're puzzle obsessed or puzzle hesitant, you'll walk away with real problem-solving strategies and pathways toward becoming a better thinker and decision maker—for these are certainly puzzling times.

American Teacher Penguin

Amateur sleuth Odessa Dean is about to discover the only thing harder than finding her way out of an escape room is finding an affordable apartment in Brooklyn in this sequel to *Killer Content*. Odessa Dean has made a home of Brooklyn. She has a fun job waiting tables at Untapped Books & Café and a new friend, Izzy, to explore the city with. When she's invited on a girls' day out escape room adventure, she jumps at the chance. It's all fun and games until the lights come on and they discover one of the girls bludgeoned to death... The only possible suspects are Odessa and the four other players that were locked in the escape room with the victim. She refuses to believe that one of them is responsible for the murder, despite what the clues indicate. In between shifts at the café, Odessa splits her time interviewing the murder suspects, updating the bookstore's social media accounts, and searching for the impossible—an affordable apartment in Brooklyn. But crime—and criminally high rent—waits for no woman. Can Odessa clear her and Izzy's names before the police decide they're guilty?

Celebrity Crosswords Independently Published

The Million Word Crossword Answer Book Simon and Schuster

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

No Memes of Escape Penguin

Celebrating educators, who go far above and beyond the call of duty, *American Teacher* shines a spotlight on one of the most underappreciated, undercompensated, yet critically important professions in the world. Over the course of two years, Katrina Fried has interviewed and written the stories of 50 extraordinary teachers from kindergarten through 12th grade, selected from public and charter schools across the United States. The result is a collection of inspiring and informative first person-narratives accompanied by heartfelt letters from students and captivating portraits taken by celebrated photographers from around the country such as Peter Feldstein, Roman Cho, Paul Natkin and Laura Straus. *American Teacher* introduces us to classroom heroes like Stephen Ritz of NYC's South Bronx, who uses sustainable agriculture as a tool to engage and inspire his neighborhood's most at-risk special-needs students; Rafe Esquith, a trail-blazing, multi-award-winning educator and author, who has spent 31years teaching 5th grade from within the same four walls at Hobart Elementary School in Los Angeles; and Iowan Sarah Brown Wessling who's unique "learner-centered" approach to teaching high school English earned her the 2010 National Teacher of the Year award. These are our most unsung heroes, the men and women responsible for molding and preparing our children to meet the challenges of the 21st century. In the face of increasing class sizes, insufficient resources, and budget cuts, many of our teachers are dipping into their own pockets and personal time to bridge the gap for their students; they are finding innovative and engaging solutions to institutional problems and changing the outcome of countless lives in the process. Hear their stories, see their faces, and join us as we pay tribute to their passion and sacrifice.

Tiny Love Stories Penguin

In the tradition of *Shattered* and *Game Change*, *Washington Post* columnist Jennifer Rubin provides an insider's look at how women across the political spectrum carried a revolution to the ballot box and defeated Donald Trump, based on interviews with key figures such as Kamala Harris, Amy Klobuchar, Stacey Abrams, Nancy Pelosi, and many more. In a compelling narrative, bookended by Donald Trump's 2016 victory and his 2020 defeat, Rubin delivers an absorbing analysis of the women's counter-Trump revolution. Resistance tracks a set of dynamic women voters, activists and politicians who rose up when Donald Trump took the White House and fundamentally changed the political landscape. From the first Women's March the day after Trump's inauguration to the Blue Wave in the 2018 midterms to the flood of female presidential candidates in 2020 to the inauguration of Kamala Harris, women from across the ideological spectrum entered the political arena and became energized in a way America had not witnessed in decades. They marched, they organized, they donated vast sums of cash, they ran for office, they made new alliances. And they defeated Donald Trump. Democratic women candidates learned that they could win in large numbers, even in red districts. Black women voters in 2020 surged in Georgia and in suburbs in key swing states. Women across the country voted in greater numbers than in any previous election, flipped the Senate, and ensured victory for the first female Vice President in the nation's

history. While Democrats recorded impressive victories, Republican women delivered critical victories of their own. From the White House to Congress, from activists to protestors, from liberals to conservatives, Resistance delivers the first comprehensive portrait of women's historic political surge provoked by the horror of President Trump. This is the indelible story of how American women transformed their own lives, vanquished Trump, secured unprecedented positions of power and redefined US politics decades to come. Resistance is essential reading for understanding the most important election in American history and the role women played in redesigning modern politics.

Holocaust Education in Primary Schools in the Twenty-First Century Sterling Innovation

The debut cookbook by the creator of the wildly popular blog *Damn Delicious* proves that quick and easy doesn't have to mean boring. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

Environmental Life Cycle Assessment (Open Access) Sterling Publishing Company, Inc.

Generations of children have fallen in love with the pioneer saga of the Ingalls family, of Pa and Ma, Laura and her sisters, and their loyal dog, Jack. Laura Ingalls Wilder's *Little House* books have taught millions of Americans about frontier life, giving inspiration to many and in the process becoming icons of our national identity. Yet few realize that this cherished bestselling series wandered far from the actual history of the Ingalls family and from what Laura herself understood to be central truths about pioneer life. In this groundbreaking narrative of literary detection, Christine Woodside reveals for the first time the full extent of the collaboration between Laura and her daughter, Rose Wilder Lane. Rose hated farming and fled the family homestead as an adolescent, eventually becoming a nationally prominent magazine writer, biographer of Herbert Hoover, and successful novelist, who shared the political values of Ayn Rand and became mentor to Roger Lea MacBride, the second Libertarian presidential candidate. Drawing on original manuscripts and letters, Woodside shows how Rose reshaped her mother's story into a series of heroic tales that rebutted the policies of the New Deal. Their secret collaboration would lead in time to their estrangement. A fascinating look at the relationship between two strong-willed women, *Libertarians on the Prairie* is also the deconstruction of an American myth. Skyhorse Publishing, along with our *Arcade*, *Good Books*, *Sports Publishing*, and *Yucca* imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Nine Perfect Strangers Simon and Schuster

In her second compilation of published writing, Brianna Wiest explores pursuing purpose over passion, embracing negative thinking, seeing the wisdom in daily routine, and becoming aware of the cognitive biases that are creating the way you see your life. This book contains never before seen pieces as well as some of Brianna's most popular essays, all of which just might leave you thinking: this idea changed my life.

Killer Content Crown

"BUST's hilarious Queen of Crosswords now has men squarely in her crosshairs." - Emily Rems, Managing Editor, BUST Magazine For every woman who has pulled her hair out trying to

explain—for the 46th time—the importance of putting the toilet seat down, there's a man snickering, "Someone's on the rag." And this book is for that justifiably furious gal. The war between the sexes has raged for millennia, and *It's Not PMS, It's You!* is a hilarious, take-no-prisoners reconnaissance mission into the minds and souls of men and the things they do to infuriate women. Beginning with a completely scientific, fairly non-hormonal look at the history of the term "on the rag" and ending with the "Diary of a Break Up in One Full Menstrual Cycle," this lighthearted guide looks at: Who should fund the medical research into why men do what they do. (Hint: It's definitely NOT the government) - How to take a lesson from Hamlet's poor in-law

management (Not to self: Don't kill your future father-in-law) - Why men hate to talk about their feelings (with four separate mentions of the word "penis") - An absolutely foolproof method for sustaining a long-term relationship, and why it could kill you
