Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Learning from agri-environment schemes in Australia is a book about the birds and the beef -- more specifically it is about the billions of dollars that governments pay farmers around the world each year to protect and restore biodiversity. After more than two decades of these schemes in Australia, what have we learnt? Are we getting the most out of these investments, and how should we do things differently in the future? Involving contributions from ecologists, economists, social scientists, restoration practitioners and policymakers, this book provides short, engaging chapters that cover a wide spectrum of environmental, agricultural and social issues involved in agri-environment schemes.

Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical resources, such as ways to help guide children through grief, suggestions for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.

NEW YORK TIMES BESTSELLER • From the New York Times food editor and former restaurant critic comes a cookbook to help us rediscover the art of Sunday supper and the joy of gathering with friends and family "A book to make home cooks, and those they feed, very happy indeed."—Nigella Lawson NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY NPR • Town & Country • Garden & Gun "People are lonely," Sam Sifton writes. "They want to be part of something, even when they can't identify that longing as a need. They show up. Feed them. It isn't much more complicated than that." Regular dinners with family and friends, he argues, are a metaphor for connection, a space where memories can be shared as easily as salt or hot sauce, where deliciousness reigns. The point of Sunday supper is to gather around a table with good company and eat. From years spent talking to restaurant chefs, cookbook authors, and home cooks in connection with his daily work at The New

York Times, Sam Sifton's *See You on Sunday* is a book to make those dinners possible. It is a guide to preparing meals for groups larger than the average American family (though everything here can be scaled down, or up). The 200 recipes are mostly simple and inexpensive ("You are not a feudal landowner entertaining the serfs"), and they derive from decades spent cooking for family and groups ranging from six to sixty. From big meats to big pots, with a few words on salad, and a diatribe on the needless complexity of desserts, *See You on Sunday* is an indispensable addition to any home cook's library. From how to shuck an oyster to the perfection of Mallomars with flutes of milk, from the joys of grilled eggplant to those of gumbo and bog, this book is devoted to the preparation of delicious proteins and grains, vegetables and desserts, taco nights and pizza parties.
