Random House Webster's American Sign Language Dictionary Gallaudet University Press

Communicate, connect, and bond with your baby with 50 essential, easy-to-learn ASL signs. Your baby is crying. Are they hungry or are they tired? With 50 practical ASL signs that cover a child's day, *Learn to Sign with Your Baby* will help you better understand your child and help them communicate with you. Author Cecilia S. Grugan, a Deaf parent, gives you detailed instructions and tips for how to master each sign, as well as helpful advice and fun activities for incorporating ASL into your life with baby. And with clear illustrations and video demonstrations for each sign, you can confidently start signing with your baby—and watch as your bond deepens and strengthens. *Learn to Sign with Your Baby* includes: 50 of the most useful ASL signs. From “more” and “eat” to “change” and “hurt,” this book teaches the most relevant and practical terms for your daily life with baby—and makes signs for specific needs easy to find. Step-by-step color illustrations and video for every sign. The video for each sign can be accessed by a QR code; scan it for step-by-step guidance to confidently and correctly form each sign. Engaging activities make ASL fun. Play a game, sing a song—this book makes incorporating ASL into your life enjoyable and rewarding. Helpful tips. Tips for remembering the signs, how to effectively use them, and what to look for as baby signs back make ASL easy to learn and easy to use.

Perigee Books

While learning a new language isn't a “knack” for everyone, *Knack American Sign Language* finally makes it easy. The clear layout, succinct information, and topic-specific sign language partnered with high-quality photos enable quick learning. By a “bilingual” author whose parents were both deaf, and photographed by a design professor at the leading deaf university, Gallaudet, it covers all the basic building blocks of communication. It does so with a view to each reader's reason for learning, whether teaching a toddler basic signs or communicating with a deaf coworker. Readers will come away with a usable knowledge base rather than a collection of signs with limited use. · 450 full-color photos · American Sign Language · Intended for people who can hear · Can be used with babies and young children

Basic Sign Language Penguin

Discover the intricacies of American Sign Language with this comprehensive, essential guide to learning the basics of sign language. The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it's even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.

Random House Webster's Compact American Sign Language Dictionary Cartwheel Books
