A Study Guide for Edgar Allan Poe's "The Raven" Prestwick House Inc
 ...Quoth the Raven, "Nevermore." "The Raven" is a classic narrative poem by American writer Edgar Allan Poe. First published in January 1845, the poem is often noted for its musicality, stylized language, and supernatural atmosphere. It tells of a talking raven's mysterious visit to a distraught lover, tracing the man's slow fall into madness. The lover, often identified as being a student, is lamenting the loss of his love, Lenore. Sitting on a bust of Pallas, the raven seems to further instigate his distress with its constant repetition of the word "Nevermore". The poem makes use of a number of folk, mythological, religious, and classical

references. Poe claimed to have written the poem very logically and methodically, intending to create a poem that would appeal to both critical and popular tastes, as he explained in his 1846 follow-up essay, "The Philosophy of Composition". The poem was inspired in part by a talking raven in the novel *Barnaby Rudge: A Tale of the Riots of 'Eighty* by Dickens.

THIS stanza from "The Raven" was recommended by James Russell Lowell as an inscription upon the Baltimore monument which marks the resting place of Edgar Allan Poe, the most interesting and original figure in American letters. And, to signify that peculiar musical quality of Poe's genius which intralls every reader, Mr. Lowell suggested this additional verse, from the "Haunted Palace": And all with pearl and ruby glowing Was the fair palace door, Through which came flowing, flowing, flowing, And sparkling ever more, A troop of Echoes, whose sweet duty Was but to sing, In voices of surpassing beauty, The wit and wisdom of their king. Born in poverty at Boston, January 19 1809, dying under painful circumstances at Baltimore, October 7, 1849, his whole literary career of scarcely fifteen years a pitiful struggle for mere subsistence, his memory malignantly misrepresented by his earliest biographer, Griswold, how completely has truth at last routed falsehood and how magnificently has Poe come into his own, For "The Raven," first published in 1845, and, within a few months, read, recited and parodied wherever the English language was spoken, the half-starved poet received \$10! Less than a year later his brother poet, N. P. Essay from the year 2018 in the subject American Studies - Literature, grade: A, , language: English, abstract: The paper deals with the topic of spirituality in Edgar Allan Poe's poem "The Raven". A poem such as "The Raven", especially due to its great resonance, would be a shame to be limited and diminished to apply just

to the life of the writer. A poem is a piece that once created is free to alternate through time and maintain its vitality. Unconsciously though everyone is affected by experience and it is inevitable not to be influenced by it. It is possible that death affected Poe in a higher degree than others but on the other hand death and life after it has always been an alluring subject since it is indeed the most mysterious event of life so far. The supernatural element implies an unknown world, one all people fear and also hope for and it is what makes the poem so enthralling to the audience and what made "The Raven" one of the most popular poems ever.

Edgar Allan Poe (January 19, 1809 - October 7, 1849) was an American writer, editor, and literary critic. Poe is best known for his poetry and short stories, particularly his tales of mystery and the macabre. Widely regarded as a central figure of Romanticism in the United States and American literature as a whole, he was one of the country's earliest practitioners of the short story. Poe is generally considered the inventor of the detective fiction genre and is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, Poe was the second child of two actors. His father abandoned the family in

1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, *Tamerlane and Other Poems* (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming known for his own style of literary criticism. His work forced him to move among several cities, including Baltimore, Philadelphia, and New York City. In Baltimore in 1835, he married Virginia Clemm, his 13-year-old cousin. In January 1845 Poe published his poem, "The Raven," to instant success. His wife died of tuberculosis two years after its publication. For years, he had been planning to produce his own journal, *The Penn* (later renamed *The Stylus*), though he died before it could be produced. On October 7, 1849, at age 40, Poe died in Baltimore; the cause of his death is unknown and has been variously attributed to alcohol, brain congestion, cholera, drugs, heart disease, rabies, suicide, tuberculosis, and other agents. Poe and his works influenced literature in the United States and around the world, as well as in specialized fields, such as cosmology and cryptography. Poe and his work appear throughout popular culture in literature, music, films, and television. A number of his homes are dedicated museums today. The Mystery Writers of America present an annual award known as the Edgar Award for distinguished work in the mystery genre.

Mainz, course: Proseminar I - Introduction to Colonial Literature, language: English, abstract: "The Raven" is one of the most famous poems by Poe, published in January 1845, and will be the basis of this paper. The poet Richard Wilbur said that "of American writers, it is Poe who most challenges the reader not only to read him but to solve him". Based on this quote it seems to be hard work to understand Poe's poems. Nevertheless, this paper aims to 'solve' his poem "The Raven" by analyzing it and by pointing out the significance of the raven within the poem itself, and, on an abstract level, its impact on our everyday life. At first glance, the raven seems to be a symbol of death, which holds control over the narrator within the poem, and moreover becomes a constant reminder about the inability of man to escape his ultimate fate.
