Filiquarian Publishing, LLC.

Here are the complete prophecies of Nostradamus. Nostradamus is the best known and most accurate mystic and seer of all times. There are those who say that he predicted Napoleon and even the attack on the World Trade Center. Read the prophecies and judge for yourself. Since governments, sects and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now - monarchs, leaders of sects and religions - would find these so different from their own imaginings that they would be led to condemn what later centuries will learn how to see and understand. -

Nostradamus

The Nostradamus Reader Arcturus Publishing

The first major literary presentation of Nostradamus's Prophecies, newly

translated and edited by prizewinning scholars The mysterious quatrains of the sixteenth-century French astrologer Nostradamus have long proved captivating for their predictions. Nostradamus has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters—as well as the Mayan prediction of the apocalypse on December 21, 2012—his prophecies of doom have assumed heightened relevance. How has The Prophecies outlasted most books from the Renaissance? This edition considers its legacy in terms of the poetics of the quatrains, published here in a brilliant new translation and with introductory material and notes mapping the cultural, political, and historical forces that resonate throughout Nostradamus's epic, giving it its visionary power. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
