*The Crayon Box that Talked* Scholastic Inc. "Hope is not a sedative; it is a shot of adrenaline, a blood transfusion." Through clever word pictures like this, best-selling author and former pastor Warren Wiersbe preaches the same message Peter preached so long ago. Turning each enlightening page, believers gain increasing confidence in true Hope, a God in whom they don't just wish for eternal life. In Scripture, hope means the promise of salvation for those who have accepted Him and His Son's death and resurrection. Christians who possess this hope and live as though they possess it will learn godly submission, holy living, and harmony with other believers. These qualities will prepare them for what Peter paints in his epistle as inevitable-suffering and persecution. Though Peter is writing to warn a people who would soon be under the tyranny of a heathen Roman emperor, some level of suffering will always be a part of the believers' journey. A time is soon coming when living the "comfortable" Christian life will be far more costly than the life willing to give up all.

Celebrate St. Patrick's Day in this installment of Natasha Wing's best-selling series, a fun read-aloud sure to keep kids engaged and laughing out loud! It's the night before St. Patrick's Day, and Tim and Maureen are wide awake setting traps to catch a leprechaun! When they wake the next morning to the sound of their dad playing the bagpipes and the smell of their mom cooking green eggs, they're shocked to find that they've actually caught a leprechaun. But will they be able to find his pot of gold? Natasha Wing's sweet story is once again told in verse to the same meter of Clement Moore's classic. Everyday Graces Penguin

The National Bestseller, Featuring a Brand-New Introduction by Karen Santorum As a mother, Karen Santorum grew frustrated by her inability to find a book of manners that instructed through engaging stories and poems rather than by dull lists of dos and don'ts. She set out to solve the problem. The result is this wonderfully rich and instructive anthology. A national

bestseller, *Everyday Graces* has become a beloved feature in homes, schools, churches, and libraries across America. It speaks to the fact that manners are seldom discussed anymore—and are practiced even less. Good manners are a prerequisite for the growth of moral character; they are the habits of conduct by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Under such headings as "Honor Your Mother and Father," "Please, Thank You, and Other Kind Words," "Be Considerate at the Table," "Good Sportsmanship," and "Respecting Our Country," *Everyday Graces* gathers stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Andersen, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Find out why *Everyday Graces* has struck a chord with tens of thousands of families. Both inviting and informative, this book helps instill good manners in our children—and takes a stand against the decline in civility and the coarsening of our common life.

Yellow hates Red, so does Green, and no one likes Orange! Can these crayons quit arguing and learn to cooperate? Shane DeRolf's deceptively simple poem celebrates the creation of harmony through diversity. In combination with Michael Letzig's vibrant illustrations, young readers will understand that when we all work together, the results are much more colorful and interesting.
