Author's note: This special edition of Shut Up and Sell More Weddings & Events is for Caterers and Venues. If you've already read the original edition, most of this is going to be the same for you. I've updated and changed the references to be specifically applicable to caterers and venues. It will certainly be a

good refresher for you, I just want to be transparent. If you've not read the original book, this will be all new to you. Thanks for choosing this book, and I look forward to your feedback and seeing how else I can help you succeed. It all starts with a sale. Whether you love it or hate it, making sales drives your venue or catering business. If you've been selling for a long time, this book will be a good refresher. If you're new to

selling, this book will give you the tools, and the confidence, to make more sales. I'll show you how to ask better questions, really listen to the answers, and help your customers buy. Using real examples and stories, of people just like you, I'll guide you to find your own, unique selling style. When your customers can see and understand why they should buy from you, and only you, they have to pay your price. You've taken an important first step towards making more sales. Thanks for choosing me as your guide. E-plan Your Wedding

Mothers in today’s world wear many hats and struggle to keep the stress in their lives at manageable levels. Add the delightful but demanding new hat of mother of the bride (MOB) to the roles they are already juggling, and you have a host of middle-aged moms pushed to their limits, in desperate need of an empathetic voice and moments of nourishing relaxation. While trying to maintain life as they knew it before their daughter’s big announcements, MOB’s are called upon to magically morph into wedding planners, help their daughters navigate the journey to the altar, and establish new and loving relationships with their prospective sons-in-law and their families. With all focus, financial and otherwise, dedicated to the brides and the weddings themselves, the needs of mothers of the bride are overlooked. Mother of the Bride will help MOB’s step away from the hurried pace of daily life complicated by a demanding new role. It will offer them the refreshment found in discovering community as they take time for themselves—time to be encouraged, to gain helpful insight and

practical tips, and to enjoy the feminine beauty of a book designed just for them. Through essays featuring relevant quotes or Scriptures, personal stories, nuggets of wisdom, simple suggestions for personal pampering, journaling opportunities, communication aids, and practical tips for wedding planning, *Mother of the Bride* will nurture the all-important but too often neglected mother of the bride.
