An early-twentieth-century classic — the turbulent dreamlike story of a businessman torn between middle-class respectability and sensational bohemia “No one who has read it has failed to love it.” —

Nicholas Lezard Mihály and Erzs are on honeymoon in Italy.

Mihály has recently joined the respectable family firm in Budapest, but as his gaze passes over the mysterious back-alleys of Venice, memories of his bohemian past reawaken his old desire to wander.

When bride and groom become separated at a provincial train station, Mihály embarks on a chaotic and bizarre journey that leads him finally to Rome, where he must reckon with both his past and his future. In this intoxicating and satirical masterpiece, Szerb takes us deep into the conflicting desires of

marriage and shows how adulthood can reverberate endlessly with the ache of youth.

Everything was more than perfect in the Bay Of Moonlight, located in beautiful Southern Portugal. Yet Sarah was in love with Philip Saratola, who did not seem to have eyes for her but rather his lovely sister-in-law Venetia. Yet as fate would have it, such romantic settings had a world of romance in store for her as well. The love story dating back to the 20th century was written by Rose Burghley, a pseudonym of the

beloved romance writer Ida Pollock. A must-read for fans of literary romance and surprising twists of fate. Rose Burghley is a pseudonym of Ida Pollock (1908 - 2013), a highly successful British writer of over 125 romance novels translated into numerous languages and published across the world. In the global economy, linguistic diversity influences economic and political development as

well as public policies in positive and negative ways. It leads to financial costs, communication barriers, divisions in national unity, and, in some extreme cases, conflicts and war--but it also produces benefits related to group and individual identity. What are the specific advantages and disadvantages of linguistic diversity and how does it influence social and economic progress? This book examines linguistic diversity as a global social phenomenon and considers what degree of linguistic variety might result in the greatest economic good. Victor Ginsburgh and Shlomo Weber look at linguistic proximity between groups and between languages. They describe and use simple economic, linguistic, and statistical tools to measure diversity's impact on growth, development, trade, the quality of institutions, translation issues, voting patterns in multinational competitions, and the likelihood and intensity of civil conflicts. They address the choosing of core languages in a multilingual community, such as the European

Union, and argue that although too many official languages might harm cohesiveness, efficiency, and communication, reducing their number brings about alienation and disenfranchisement of groups. Demonstrating that the value and drawbacks of linguistic diversity are universal, *How Many Languages Do We Need?* suggests ways for designing appropriate linguistic policies for today's multilingual world. *CTET/TETS ENGLISH LANGUAGE & PEDAGOGY PAPERS-I & II* Plural Publishing  
USA TODAY bestselling author Sheila Roberts returns with a brand-new series set on the charming Washington coast. Once happily married, Jenna Jones is about to turn forty, and this year for her birthday – lucky her – she's getting a divorce. She's barely able to support herself and her teenage daughter, but now her deadbeat artist ex is hitting her up for spousal support...and then spending it on his “other” woman. Still, as her mother always says, every storm brings a rainbow. And when she gets a very unexpected gift from her Great-Aunt Edie, things seem to be

taking a turn for the better. Aging aunt Edie is finding it difficult to keep up her business running The Driftwood Inn, so she invites Jenna to come live with her and run the place. It looks like Jenna's financial problems are solved! Or not. The town is a little more run-down than Jenna remembers, but that's nothing compared to the ramshackle state of The Driftwood Inn. Aunt Edie is confident they can return it to its former glory, though Jenna feels like she's jumped from the proverbial frying pan into the beach fire. But who knows? With the help of her new friends and a couple of handsome citizens, perhaps that rainbow is on the horizon after all. Because, no matter what, life is always good at the beach. Featuring all the warmth, romance and trademark humour of Sheila Roberts's writing, this new series will delight longtime fans and welcome a generation of new readers. This book promotes linguistically responsive foreign language teaching practices in multilingual contexts by facilitating a dialogue between

teachers and researchers. It advances a discussion of how to connect the acquisition of subsequent foreign languages with previous language knowledge to create culturally and linguistically inclusive foreign language classrooms, and how to strengthen the connection between research on multilingualism and foreign language teaching practice. The chapters present new approaches to foreign language instruction in multilingual settings, many of them forged in collaboration between foreign language teachers and researchers of multilingualism. The authors report findings of classroom-based research, including case studies and action research on topics such as the functions and applications of translanguaging in the foreign language classroom, the role of learners' own languages in teaching additional languages, linguistically and culturally inclusive foreign language pedagogies, and teacher and learner attitudes to multilingual teaching approaches. Moonlight can't remember any box--but that doesn't mean he doesn't have it. He just better figure out where it is before he winds up dead for the last time.

*My Roots, My Love, My Destiny* is the story of two strong women, told across an epic and rich canvas painted by two wars and two unique destinies. In her ninety-six years, Ogeri, author Beatrice Akpu Inyang Eleje's

mother, experienced danger, heartbreak, and great love. Her journey spanned most of the twentieth century and was dictated by the societal norms, values, and traditions of the Nigeria of her time. Lovingly reconstructed, these are a few of Eleje's most beloved and revered memories of her mother. For the daughter, her journey was spent attempting to navigate rapidly changing waters. Caught between two colliding civilizations--the Western civilization and African culture and Nigeria--two cultures, and two world views, her path was less certain. While one world encouraged independence, the other demanded absolute filial obedience. Rebellion was inevitable. As Eleje listened to her mother speak of her life, the similarities emerged. Both women survived their husbands, and both knew the heartache of illness, loss, and uncertainty--as well as the joys of love in the most unexpected places. But through it all rings a life-sustaining truth worth celebrating: no matter how dark the tunnel, there is always light just around the corner ... if you can just lift your head to look.

Designed to inspire younger women to persevere in the face of seemingly insurmountable odds, the story of these two women proves that no matter what, you just need to take the next step-toward hope.
