Pocket Book of Hospital Care for Children Vintage Canada

From places like John Piper's den, Al Mohler's office, and Jonathan Edwards's college, Christianity Today journalist Collin Hansen investigates what makes today's young Calvinists tick. Church-growth strategies and charismatic worship have fueled the bulk of evangelical growth in America for decades. While baby boomers have flocked to churches that did not look

or sound like church, it seems these churches do not so broadly capture the passions of today's twenty-something evangelicals. In fact, a desire for transcendence and tradition among young evangelicals has contributed to a Reformed resurgence. For nearly two years, Christianity Today journalist Collin Hansen visited the chief schools, churches, and conferences of this growing movement. He sought to describe its members and ask its leading pastors and theologians about the causes and implications of the Calvinist resurgence. The result, *Young, Restless, Reformed*,

shows common threads in their diverse testimonies and suggests what tomorrow's church might look like when these young evangelicals become pastors or professors.

Ignatius Press

A compelling exploration of how our pursuit of happiness makes us unhappy. We live in an age of unprecedented prosperity, yet everywhere we see signs that our pursuit of happiness has proven fruitless. Dissatisfied, we seek change for the sake of change—even if it means undermining the foundations of our common life. In *Why We Are Restless*,

Benjamin and Jenna Storey offer a profound and beautiful reflection on the roots of this malaise and examine how we might begin to cure ourselves. Drawing on the insights of Montaigne, Pascal, Rousseau, and Tocqueville, *Why We Are Restless* explores the modern vision of happiness that leads us on, and the disquiet that follows it like a lengthening shadow. In the sixteenth century, Montaigne articulated an original vision of human life that inspired people to see themselves as individuals dedicated to seeking contentment in the here and now, but Pascal argued that we cannot find happiness through pleasant self-seeking, only anguished God-seeking. Rousseau later tried and failed to rescue Montaigne's worldliness from Pascal's attack. Steeped in these debates, Tocqueville visited the United States in 1831 and, observing a people "restless in the midst of their well-being," discovered what happens when an entire nation seeks worldly contentment—and finds mostly discontent. Arguing that the philosophy we have inherited, despite pretending to let us live as we please, produces remarkably homogenous and unhappy lives, *Why We*

Are Restless makes the case that finding true contentment requires rethinking our most basic assumptions about happiness.

Young China Restless Books

Hadrian's reign (AD 117-138) was a watershed in the history of the Roman Empire. Hadrian abandoned his predecessor Trajan's eastern conquests - Mesopotamia and Armenia - trimmed down the lands beyond the lower Danube, and constructed new demarcation lines in Germany, North Africa, and most famously Hadrian's Wall in Britain, to delimit the empire. The emperor Hadrian, a strange and baffling figure to his contemporaries, had a many-sided personality. Insatiably ambitious, and a passionate Philhellene, he promoted the 'Greek Renaissance' extravagantly. But his attempt to Hellenize the Jews, including the outlawing of circumcision, had disastrous consequences, and his 'Greek' love of the beautiful Bithynian boy Antinous ended in tragedy. No comprehensive account of Hadrian's life and reign has been attempted for over seventy years. In *Hadrian: The Restless Emperor*, Anthony Birley brings together the new evidence from inscriptions and papyri, and up-to-

date and in-depth examination of the work of other scholars on aspects of Hadrian's reign and policies such as the Jewish war, the coinage, Hadrian's building programme in Rome, Athens and Tivoli, and his relationship with his favourite, Antinous, to provide a thorough and fascinating account of the private and public life of a man who, though hated when he died, left an indelible mark on the Roman Empire.

Restless Diversion Books

A core principle of modern science holds that a scientific explanation must not attribute will or agency to natural phenomena. *The Restless Clock* examines the origins and history of this, in particular as it applies to the science of living things. This is also the story of a tradition of radicals—dissenters who embraced the opposite view, that agency is an essential and ineradicable part of nature. Beginning with the church and courtly automata of early modern Europe, Jessica Riskin guides us through our thinking about the extent to which animals might be understood as mere machines. We encounter fantastic robots and cyborgs as well as a cast of scientific and philosophical luminaries,

including Descartes and Leibnitz, Lamarck and Darwin, whose ideas gain new relevance in Riskin's hands. The book ends with a riveting discussion of how the dialectic continues in genetics, epigenetics, and evolutionary biology, where work continues to naturalize different forms of agency. *The Restless Clock* reveals the deeply buried roots of current debates in artificial intelligence, cognitive science, and evolutionary biology.

Run For Your Life The Young and the Restless

The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

A Breath of Fresh the Young and the Restless Air - 135 Facts St. Martin's Press *Restless Youth in Ancient Rome* presents an inclusive portrayal of the perceptions the Romans had of youth and of the role of this age group in a wide variety of domains - philosophy, literature, education, the law, the army, politics, leisure, amorous pursuits and family life. Emiel Eyben considers the involved farrago of thoughts, feelings and behaviour of youth throughout the period and shows how youth itself put its stamp on its environment.

I'll Be Damned Restless Books

This lyrical novel, structured like a Creole quadrille, is a rich ethnography bearing witness to police violence in French Guadeloupe. Narrators both living and dead recount the racial and class stratification that led to a protest-turned-massacre. Dambury's English debut is a vibrant memorial to a largely forgotten atrocity, coinciding with the government's declassification of documents pertaining to the incident.

The Restless Clock Hachette Books

The rise of youth is among the most dramatic stories of modern China. Since

the last years of the Qing dynasty, youth has been made a new agent of history in Chinese intellectuals' visions of national rejuvenation through such tremendously popular notions as "young China" and "new youth." The characterization of a young protagonist with a developmental story has also shaped the modern Chinese novel. Young China takes youth as a central literary motif that was profoundly related to the ideas of nationhood and modernity in twentieth-century China. A synthesis of narrative theory and cultural history, it combines historical investigations of the origin and development of the modern Chinese youth discourse with close analyses of the novelistic construction of the Chinese Bildungsroman, which depicts the psychological growth of youth with a symbolic allusion to national rejuvenation. Negotiating between self and society, ideal and action, and form and reality, such a narrative manifests as well as complicates the various political and cultural symbolisms invested in youth through different periods of modern Chinese history. In this story of young China, the restless, elusive, and protean

image of youth both perpetuates and problematizes the ideals of national rejuvenation.

The Young and the Restless Crossway Glamour's "The 15 Best Nonfiction Books of 2023, So Far" Vogue's "Best Books of 2023 (So Far)" Town & Country's "The 41 Must-Read Books of Summer 2023" A "heartening inspiration"(The New York Times), the untold story of the people who have helped spark America's most transformative social movements throughout history: teenage girls Nine months before Rosa Parks kicked off the bus boycotts, Claudette Colvin was arrested for refusing to give up her seat on a segregated bus in Montgomery, Alabama. She was fifteen. In 1912, women's rights activists organized a massive march in support of women's suffrage. Leading them up Fifth Avenue in Manhattan was not one of the mothers of the movement, but a teenage Chinese immigrant named Mabel Ping-Hua Lee. Half a century before the better-known movements for workers' rights began, over 1,500 girls—some as young as ten—walked out of factories in Lowell, Massachusetts, demanding safer working

conditions and higher wages in one of the nation's first-ever labor strikes. Young women have been disenfranchised and discounted, but the true retelling of major social movements in America reveals their might: they have ignited almost every single one. *Young and Restless* recounts one of the most foundational and underappreciated forces in moments of American revolution: teenage girls. From the American Revolution itself to the Civil Rights Movement to nuclear disarmament protests and the women's liberation movement, through Black Lives Matter and school strikes for climate, Mattie Kahn uncovers how girls have leveraged their unique strengths, from fandom to intimate friendships, to organize and lay serious political groundwork for movements that often sidelined them. Their stories illuminate how much we owe to girls throughout the generations, what skills young women use to mobilize and find their voices, and, crucially, what we can all stand to learn from them.

Worlds Without End Routledge Praise for THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL "A beautiful dedication to Bill and the pioneering legacy of the

Bell family. Their endless commitment, passion, and creativity have left an indelible mark on the genre."—Frank Valentini, executive producer of *General Hospital* and Emmy-winning director of *One Life to Live* "Reading this book is like rolling in the arms of soap opera's greatest lover...Bill Bell!"—Bill and Susan Seaforth Hayes, Emmy-nominated actors on *Days of our Lives* and authors of the novel *TRUMPET* "An informed, insightful look at the inner workings of the Bell Empire—the most successful dynasty in daytime television history. It's a great read."—Peter Bergman, three-time Emmy-winning actor on *The Young and the Restless* "Michael Maloney has compiled an impressive amount of details into an entertaining and fast-moving book. Read this book if you want a fascinating insight into one of television's original show runners and the legacy he left behind."—Cady McClain, Emmy-winning actress, *All My Children* and *As the World Turns* "One of the reasons for Bill Bell's legendary success in daytime drama was his immense respect for the genre and its audience. Longtime daytime journalist Michael Maloney uses the same respect for the genre to reveal

the man behind the legend. For any fan of soap operas, this book is a must-read."—Dave Rupel, executive producer, *The Real Housewives of Beverly Hills* and Emmy-winning writer for *Guiding Light* "Nobody 'gets' daytime like Maloney! A fascinating read for the dedicated soap fan!"—Michael Bruno, daytime talent manager "A fitting tribute to the man who brought daytime's most memorable characters to life, with great insight into his passion for the genre and dedication to his family...THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL honors the legacy of daytime's 'Drama King.'"—Angelica McDaniel, senior vice president, CBS, Daytime "I cannot remember the last biography I enjoyed reading as much as THE YOUNG AND RESTLESS LIFE OF WILLIAM J. BELL. Together with Lee Phillip Bell, Michael Maloney has done a masterful job of weaving private family memories, never-before-told anecdotes, and an insider's knowledge of the soap industry together to create a tapestry as rich and colorful as Bill Bell himself. A must-read for any soap opera fan!"—Roberta Caploe, former managing editor of *Soap Opera Digest* and author of

MELROSE CONFIDENTIAL "The carefully selected photographs alone are worth this beguiling trip down memory lane."—Lynette Rice, *Entertainment Weekly* Millions of fans worldwide know his soap opera and his characters, but few know the story of the man who brought them to life. William J. Bell, television's most prolific writer, reinvented the soap opera genre with his groundbreaking serial *The Young and the Restless* in 1973 and went on to co-create *The Bold and the Beautiful* with his wife and successful TV host Lee Phillip Bell, which debuted in 1987. *The Young and Restless Life of William J. Bell* tells the inside story of daytime's greatest storyteller, including his role as an advertising executive in the era of *Mad Men*, working for legendary serial creator Irna Phillips, and his move from Chicago to Los Angeles, which resulted in Y&R taking the top spot in the rating. This book offers an unprecedented look into the life of the man who defined the soap genre and draws readers behind the scenes into the captivating world of the daytime soap they know and love. [The Wild Book](#) Stoddart From French author-illustrator duo Richard

Marnier and Aude Maurel comes a captivating picture book about creativity, diversity, and self-expression. This is my town, simple and typical. Each house has a door, two windows, a red roof—all so predictable But then one night... someone leaves on their light! And in the morning, what a shock! The shutters are sealed tight! Who is that who lives next door? We've never seen anything like this before! In a town where everyone follows the rules, one neighbor's decision to leave the light on at night completely disrupts the neighborhood, sparking a creative revolution. Vibrant, poetic, and fun, *Who Left the Light On?* playfully teaches the powerful lesson that diversity, creativity, and individuality should be celebrated. *The Restless* Routledge Sally Gilmartin can't escape her past. Living in the idyllic English countryside in 1976, Sally is haunted by her experiences during the Second World War. She also suspects someone is trying to kill her. With mounting fear, Sally confides with her daughter Ruth; a woman struggling with her own past. Sally drops a bombshell. She is actually Eva Delectorskaya, a Russian émigré recruited as a spy by the British

prior to the Second World War. For the past thirty years, Eva has led a second life hiding from the ghosts of her past. Eva reveals her secret to her daughter through a series of written chapters for a planned book. As Ruth delves into her mother's writing, she learns the shocking truth. Eva was recruited in Paris prior to the Second World War, following the death of her brother Kolia; also a British spy. Taught by an enigmatic spymaster named Lucas Romer, Eva learned the art of espionage and was made part of a unit specializing in media manipulation. Above all, she was taught 'Rule Number One' of spying: trust no one — a rule broken when she and Romer began a dangerous love affair. The affair had tragic consequences. In 1941, Eva and Romer were assigned to the United States. They were given the task of manipulating the American media into motivating the public to support entry into the war on the Allied side. While in New York, Eva's affair with Romer set in motion events that culminated in her betrayal and her flight from the British Secret Services. She found eventual refuge in a new life as Sally Gilmartin. Thirty years later, Eva's identity unravels with her confession to

her daughter. Ruth struggles with the truth, and her own recent past fills her with self-doubt and insecurity. A failed relationship in Germany resulted in a son and an eventual return to England. Her mother's confession leads Ruth to the realization that her mother is entangling her in one final mission — a showdown with Eva's past betrayer. Restless twists and turns through the double life of one remarkable woman. Through Eva's life, William Boyd asks the intriguing question — How well do we truly know someone?

New York Times bestselling author and beloved actress Victoria Rowell delivers

another hilarious and shocking send-up of the soap opera world, featuring Calysta Jeffries, the unstoppable diva of daytime drama. As we learned from Victoria Rowell's smash hit *Secrets of a Soap Opera Diva*, no one gets in the way of leading lady Calysta Jeffries. Now, after a brief stint in drug rehab, Calysta is back on the set and ready for action as she resumes her role as the star of *The Rich and the Ruthless*. But not everyone in the cast and crew is happy to have the diva back. As soon as she wraps her first return episode, some of her fellow colleagues and cast members are conspiring, once again, to sabotage her career. She's already survived amnesia, an alien abduction, and death three times over—but all that and a real-life alcohol abuse problem couldn't keep Calysta down. So her enemies come up with the nastiest plan ever devised. They invite Calysta's beautiful daughter Ivy to audition for *The Rich and the Ruthless* and offer her a role alongside her very competitive mother, turning Calysta's whole world upside down. Ripped from the headlines of TMZ and packed with behind-the-scenes secrets, Victoria Rowell's latest soap opera drama crackles with salacious

details and over-the-top, hot and heavy hijinks. You won't be able to put it down. [The Young and the Restless Renaissance Books](#)

The 2014 Lok Sabha elections saw the involvement of India's youth like never before. They were debating inside classrooms, sitting for dharnas on the street, having conversations in offices and on social media. The election in 2014 saw 150 million young voters---and the highest number of first-time voters in India. And yet, the average age of our parliamentarians is sixty-three. Our leaders are almost four decades older than the average twenty-five-year-old. In *The Young and the Restless*, Gurmehar Kaur, student activist and author of *Small Acts of Freedom*, follows the journeys of eight youth leaders, their aspirations for the country's youth, their aspirations for themselves and, most importantly, their aspirations for the nation. She explores whether their politics only mimics that of the older party leaders or if they have the ideas, passion and motivation of the demographic they represent.

Andrew Jenson undertook a lifelong quest to render the LDS historical record complete and comprehensive. As Assistant Church Historian of The Church of Jesus Christ of Latter-day Saints, Jenson tirelessly carried out his office's archival mission and advocated for fixed recordkeeping to become a duty for Latter-day Saints. Reid L. Neilson and

Scott D. Marianno offer a new in-depth study of Jenson's long life and career. Their account follows Jenson from his arrival as a Danish immigrant to 1860s Utah through trips around the world to secure documents from far-flung missions, and on to his public life as a newspaper columnist and interpreter of LDS history. Throughout, Jenson emerges as a figure dedicated to the belief that recorded history united past and present Latter-day Saints in heaven and on earth--and for all eternity. Engaging and informed, *Restless Pilgrim* is a groundbreaking study of an important figure in Latter-day Saint intellectual life during a transformative era in Church history.

Young, Restless, and Broke Harper Collins

The first novel from Madagascar ever to be translated into English, Naivo's magisterial *Beyond the Rice Fields* delves into the upheavals of the nation's precolonial past through the twin narratives of a slave and his master's daughter. Fara and her

father's slave, Tsito, have shared a tender intimacy since her father bought the young boy who'd been ripped away from his family after their forest village was destroyed. Now in Sahaso, amongst the cattle and rice fields, everything is new for Tsito, and Fara at last has a companion to play with. But as Tsito looks forward toward the bright promise of freedom and Fara, backward to a twisted, long-denied family history, a rift opens that a rapidly shifting political and social terrain can only widen. As love and innocence fall away, their world becomes defined by what tyranny and superstition both thrive upon: fear. With captivating lyricism and undeniable urgency, Naivo crafts an unsentimental interrogation of the brutal history of nineteenth-century Madagascar as a land newly exposed to the forces of Christianity and modernity, and preparing for a violent reaction against them. *Beyond the Rice Fields* is a tour de force about the global history of human bondage and the competing narratives that keep us from recognizing ourselves

and each other, our pasts and our destinies.

Young and Restless Wipf and Stock Publishers

Modern society has a negative view of youth as a period of storm and stress, but at the same time cherishes the idea of eternal youth. How does this compare with ancient Roman society? Did a phase of youth exist there with its own characteristics? How was youth appreciated? This book studies the lives and the image of youngsters (around 15-25 years of age) in the Latin West and the Greek East in the Roman period. Boys and girls of all social classes come to the fore; their lives, public and private, are sketched with the help of a range of textual and documentary sources, while the authors also employ the results of recent neuropsychological research. The result is a highly readable and wide-ranging account of how the crucial transition between childhood and adulthood operated in the Roman world.
