Consuming St. Patrick's

Day Charlesbridge
 Publishing
 It was the biggest funeral

Chicago had seen since Lincoln's. On May 26, 1889, four thousand mourners proceeded down Michigan Avenue, followed by a crowd forty thousand strong, in a howl of protest at what commentators called one of the ghastliest and most curious crimes in civilized history. The dead man, Dr. P. H. Cronin, was a respected Irish physician, but his brutal murder uncovered a web of intrigue, secrecy, and corruption that stretched across the United States and far beyond. *Blood Runs Green* tells the story of Cronin's murder from the police investigation to the trial. It is a story of hotheaded journalists in pursuit of sensational crimes, of a bungling police force riddled with informers and spies, and of a secret revolutionary society determined to free Ireland but succeeding only in tearing itself apart. It is also the story of a booming immigrant population clamoring for power at a time of unprecedented change. From backrooms to courtrooms, historian Gillian O'Brien deftly navigates the complexities of Irish Chicago, bringing to life a rich cast of characters and tracing the

spectacular rise and fall of the secret Irish American society Clan na Gael. She draws on real-life accounts and sources from the United States, Ireland, and Britain to cast new light on Clan na Gael and reveal how Irish republicanism swept across the United States. Destined to be a true crime classic, *Blood Runs Green* is an enthralling tale of a murder that captivated the world and reverberated through society long after the coffin closed.

Celebrate St. Patrick's Day Penguin

Tells a saga of two lovers--an untried, young priest who would one day be known as St. Patrick, and Dorelei, young ruler of the people called Faerie--who together discover a miraculous, unimaginable, new world

New York Times-

bestselling author:

"Charming... Warm and homespun characters, plenty of seaside ambience and a fast-moving plot."—Publishers Weekly Not many people in Tinker's Cove, Maine, knew Old Dan Malone.

The grizzled barkeep's social circle was limited to the rough-hewn

lobstermen and other assorted toughs that frequented his bar. But when his body is found bobbing in the town's icy harbor, Lucy Stone makes getting to know more about Old Dan a priority. A local musician insists Old Dan conned a winning lottery ticket worth five grand from him. A handyman claims that Old Dan stiffed him for repair work he'd done at the bar. The confusion surrounding the death is only compounded by the arrival of Dylan Malone, Old Dan's brother and a prominent, if fading, star of the Dublin stage. Dylan has come to direct the production of Finian's Rainbow, the featured event at Our Lady of Hope's St. Patrick's Day extravaganza. Was Old Dan killed by someone he'd cheated or someone he'd loved? Lucy can't be sure, but one thing is abundantly clear: The stage is set for a murder mystery with a killer ending... "Leslie Meier writes with sparkle and warmth."—Chicago Sun Times

Acclaimed biographer John Loughery tells the story of John Hughes, son of Ireland, friend of William Seward and James Buchanan, founder of St. John's College (now Fordham University), builder of Saint Patrick's Cathedral on Fifth Avenue, pioneer of parochial-school education, and American diplomat. As archbishop of the Archdiocese of New York in the 1840 and 1850s and the most famous Roman Catholic in America, Hughes defended Catholic institutions in a time of nativist bigotry and church burnings and worked tirelessly to help Irish Catholic immigrants find acceptance in their new homeland. His galvanizing and protecting work and pugnacious style earned

him the epithet Dagger John. When the interests of his church and ethnic community were at stake, Hughes acted with purpose and clarity. In *Dagger John*, Loughery reveals Hughes's life as it unfolded amid turbulent times for the religious and ethnic minority he represented. Hughes the public figure comes to the fore, illuminated by Loughery's retelling of his interactions with, and responses to, every major figure of his era, including his critics (Walt Whitman, James Gordon Bennett, and Horace Greeley) and his admirers (Henry Clay, Stephen Douglas, and Abraham Lincoln). Loughery peels back the layers of the public life of this complicated man, showing how he revealed in the controversies he provoked and believed he had lived to see many of his goals achieved until his dreams came crashing down during the Draft Riots of 1863 when violence set Manhattan ablaze. To know "Dagger" John Hughes is to understand the United States during a painful period of growth as the nation headed toward civil war. *Dagger John's* successes and failures, his public relationships and private trials, and his

legacy in the Irish Catholic community and beyond provide context and layers of detail for the larger history of a modern culture unfolding in his wake.

The importance of baptism within Christian history, theology, and practice is of the first order. Rooted in Christian Scripture, baptism is initiation into Jesus Christ and the sacramental beginning of engagement with the church, the body of Christ. In recent decades, the relationship between baptismal theology and ecclesiology has changed. Rather than focusing solely on the implications of baptism for individuals, the center of theological conversation has moved increasingly to the nature of baptism as formative of

the church. One of the pioneers in exploring this theological issue in the United States has been the Rev. Dr. Louis Weil, who, from the time he helped author the 1979 Book of Common Prayer, has advocated for an approach called "baptismal ecclesiology." In a number of essays since the 1980s, Dr. Weil has encouraged an increasingly ecumenical conversation around this particular approach to ecclesiology. This ecumenical collection of essays by a distinguished and international group of sixteen scholars continues the conversation on liturgy and ecclesiology begun by Fr. Weil.

St. Patrick's Day Oxford University Press, USA
In this "charming" fantasy by the author of the Deryni novels, a gargoyle guardian and a Knight of Malta defend a Dublin cathedral and battle a demon (Booklist, starred review). The gargoyles of Dublin, Ireland, have a sacred duty to perform. Formerly God's avenging angels, for centuries they have been entrusted with guarding the churches and cathedrals of the Irish capital while avoiding all contact with human beings. But once a month these loyal stone sentries

must leave their posts to attend a conclave of their kind, and it is during one such absence that a sacrilege occurs. The guardian of St. Patrick's Cathedral, the gargoyle Paddy, called "Paddy," has returned to find violence and vandalism committed at his church and two silver artifacts stolen. Taking to Dublin's night streets in search of a culprit, Paddy inadvertently reveals himself to an aged chauffeur in an ancient Rolls Royce, thereby dooming Francis Templeton to an impending premature death. But the grim reaper will have to wait, because old man Templeton is a member of the Knights of Malta, a secret order of defenders of the faith dating back to the Crusades, and as such is an ideal partner for the onetime angel in his quest for justice and revenge. Their hunt is about to take some sinister turns, however, leading the gargoyle and the knight to Clontarf Castle, where a major demon, an emissary of Satan, is preparing to make his reentrance into the world. An acclaimed and much beloved fantasist best known for her popular Adept and Knights

Templar series and her chronicles of the magical Deryni, Katherine Kurtz now displays another side of her extraordinary talent and succeeds magnificently. St. Patrick's Gargoyle is a delightful feast of the imagination, rich in Celtic lore and religious arcana, and brimming with wit and heart, wonder and magic.

Structures of Grace Cambridge Scholars Publishing

There is probably no national day that has such global popularity as St. Patrick's Day. On St. Patrick's Day, it is reputed that 'Everyone is Irish'. What are the factors and factions that give the day such popular appeal? Is St. Patrick's Day the same around the world - in Japan, Northern Ireland and Montserrat - as it is in the Republic of Ireland and the United States? Just how does 'Irishness' figure in the celebration and commemoration of St. Patrick's Day, and how has this day been commoditized, consumed and contested? Does St. Patrick's Day 'belong' to the people, the nation or the brewery? This edited volume brings together the best St. Patrick's Day and Irish Studies scholars from the fields of history, anthropology, sociology, Irish studies, diaspora studies, and cultural studies. The volume thematically explores how St. Patrick's Day has been consumed from the symbolic to the literal, the religious to the political. By doing so, it offers a fresh examination of its importance in contemporary society. This volume will thus appeal to undergraduate and postgraduate students of Irish diaspora

studies, and Irish historians and scholars, as well as to anthropology, sociology and cultural studies students interested in exploring St. Patrick's Day as a case study of globalization, migration and commoditization.

Celtic Mythology Random House Books for Young Readers

A picture book biography of the patron saint of Ireland.

Irish Birmingham Open Road Media

An authoritative modern portrait of Ireland's patron saint and the letters that revealed intimate information about his belief system and life in Ireland.

Through their encounters with St. Patrick and other saints, young children Michael and Cecelia learn catechism lessons as they prepare to receive their First Communion.

A Popular History of Ireland Simon and Schuster

Legend has it that if you catch a leprechaun, he'll grant you a wish. But, be careful! Leprechauns are full of trickery. To catch one, you'll need to be clever in crafting your trap. Grab some glitter

and glue and get prepared for your wily holiday visitors! On the night before St. Patrick's Day, leprechauns show up to steal your treasures and then disappear as quickly as they came. However, if you're careful you might be able to catch one and then he'll grant you a wish. You'll have to be sneaky and set just the right trap to trap a leprechaun. Sue Fliess's read-aloud text and Emma Randall's whimsical illustrations will provide much fun for young readers eager to catch their very own leprechaun! But beware: leprechauns may leave you with nothing but a cardboard box and a shoe or two.

Ireland's Great Hunger Boyds Mills Press

On Saint Patrick's Day, an Irish American writer visiting Dublin takes a day trip around the city and muses on death, sex, lost love, Irish immigrant history, and his younger days as a student in Europe. Like James Joyce's *Ulysses*, Thomas McGonigle's award-winning novel *St. Patrick's Day* takes place on a single day, combining a stream-of-consciousness narrative with masterful old-fashioned storytelling, which samples the literary

histories of both Ireland and America and the worlds they influence. St. Patrick's Day relies on an interior monologue to portray the narrator's often dark perceptions and fantasies; his memories of his family in Patchogue, New York, and of the women in his life; and his encounters throughout the day, as well as many years ago, with revelers, poets, African students, and working-class Dubliners. Thomas McGonigle's novel is a brilliant portrait of the uneasy alliance between the Irish and Irish Americans, the result of the centuries-old diaspora and immigration, which left unsettled the mysteries of origins and legacy. St. Patrick's Day is a rollicking pub-crawl through multi-sexual contemporary Dublin, a novel full of passion, humor, and insight, which makes the reader the author's accomplice, a witness to his heartfelt memorial to the fraught love affair between ancestors and generations. McGonigle tells the stories both countries need to hear. This particular St. Patrick's Day is an unforgettable one. [America's Dark History](#) Penguin

The perfect St. Patrick's Day gift, and a book in the best tradition of popular history -- the untold story of Ireland's role in maintaining Western culture while the Dark Ages settled on Europe. Every year millions of Americans celebrate St. Patrick's Day, but they may not be aware of how great an influence St. Patrick was on the subsequent history of civilization. Not only did he bring Christianity to Ireland, he instilled a sense of literacy and learning that would create the conditions that allowed Ireland to become "the isle of saints and scholars" -- and thus preserve Western culture while Europe was being overrun by barbarians. In this entertaining and compelling narrative, Thomas Cahill tells the story of how Europe evolved from the classical age of Rome to the medieval era. Without Ireland, the transition could not have taken place. Not only did Irish monks and scribes maintain the very record of Western civilization -- copying manuscripts of Greek and Latin writers, both pagan and Christian, while libraries and learning on the continent were forever lost -- they

brought their uniquely Irish world-view to the task. As Cahill delightfully illustrates, so much of the liveliness we associate with medieval culture has its roots in Ireland. When the seeds of culture were replanted on the European continent, it was from Ireland that they were germinated. In the tradition of Barbara Tuchman's *A Distant Mirror, How The Irish Saved Civilization* reconstructs an era that few know about but which is central to understanding our past and our cultural heritage. But it conveys its knowledge with a winking wit that aptly captures the sensibility of the unsung Irish who relaunched civilization. **BONUS MATERIAL:** This ebook edition includes an excerpt from Thomas Cahill's *Heretics and Heroes*. *Happy St. Patrick's Day, Tiny!* Wipf and Stock Publishers
THIS EXCLUSIVE MURDER MYSTERY PARTY KIT WILL WORK FOR GROUPS OF SEVEN TO 50. You WON'T NEED to copy anything. Simply take apart this 8.5" X 11" book and you'll have what you need to orchestrate the mystery. Can you solve the case called "Murder Most

Green"? Flaherty's True Green Plant Nursery has been serving the City of Blarney for 100 years since Pader Flaherty arrived in town and built a greenhouse to grow plants which were popular in his native Ireland. Through the years, operations expanded and, ten years ago, Pader's grandson Patrick became majority owner of a business that is still family-run. Today, Flaherty's is a major producer of shamrocks, supplying the entire state with the plant, especially for "the wearin' of the green." Although rumors persist that family members have been at odds with each other for years, the family has maintained an outward calm, denying all rumors of a rift. Last night, family, the nursery staff, and the nursery's best customer gathered at the Blarney Inn to celebrate the nursery's 100th anniversary of operation. Patrick Flaherty was the center of attention as the nursery's milestone was toasted. He was supposed to spend the night at the Inn with members of his family but, this morning, his body was found in the pond at the rear of the nursery. Tonight was to have been another party -

this one celebrating St. Patrick's Day, with Patrick in attendance as the honored guest. Instead, it will be Patrick's wake. Who knows what will happen when you and the others gather to remember the life of Patrick Flaherty? The suspects . . . Fiona Reilly Flaherty - Wife of the deceased. This was the second marriage for both Patrick and Fiona. They met two years ago while Patrick was in Ireland, and were married six months later in Blarney. Seamus Flaherty - Son of the deceased. He has never married and has spent his whole life in his father's house. He will inherit the nursery upon Patrick's death, the latest in a line of Flahertys who have owned the nursery for the past 100 years. Molly Flaherty - Daughter of the deceased and Seamus' twin sister. Last year, she returned to Blarney after a 17-year absence. She has never told anyone about her life during her sojourn. Sean Flaherty - First cousin of the deceased and a native of County Cork. He arrived in Blarney four weeks ago to "complete a task." His family members consider him to be a bit eccentric because of his beliefs. Rory O'Casey - The

operations manager at the nursery. Although he had limited experience with plants, he was hired by Patrick to run the nursery. He lives in a small cottage on the nursery grounds. Kathleen Moriarty - An employee of the nursery. She was born in Ireland and has worked for Patrick Flaherty for four years. She is a self-educated expert on flowers and exotic plants. Megan Sheffield - The nursery's best customer. An aficionado of flora, she visits the nursery weekly to select fresh-cut flowers and potted plants to decorate her flat in Blarney. ----- This complete Murder Mystery Party Kit from Mysteries on the Net contains everything you need to host your own event at home or in a large facility. YOU WON'T NEED TO COPY ANYTHING for a party of up to 50 people. The kit includes: - Complete instructions on how to run your party, - Facilitator instructions, - 7 suspect roles and role player instructions, - 16 invitations to your party, - 16 copies of a letter from the Undercover Detective, - 16 individual clues, - 8 copies of Patrick Flaherty's last will and testament, - 8 copies of the coroner's report, - 8

copies of a map of Flaherty's True Green Plant Nursery, - 8 copies of the answer sheets to be completed by your investigative teams, - And, of course, the solution to the case. You'll need to take apart the kit to prepare the material for your party. Your friends will enjoy the challenge of solving a case that will be talked about for years to come.

How to Trap a Leprechaun
Sophia Institute Press

The legend of Saint Patrick is irresistibly captivating—he drove the snakes out of Ireland, battled the druids, and used the three-leaf Shamrock to convert the pagan Irish to belief in the Christian Trinity. Yet, as so often happens, these stories are mere myths that fold under closer scrutiny. Snakes never plagued the Irish countryside, and the

Emerald Isle's most beloved saint wasn't even Irish but a Briton of the Roman nobility. Fortunately, the truth is even more fascinating. In *The World of Saint Patrick*, classical scholar Philip Freeman offers the definitive account of Saint Patrick's life through new and vibrant translations of the greatest works of early Christian Ireland. This story of great violence, brutality, and even greater faith begins with two letters Patrick wrote describing his kidnapping by pirates at age sixteen and subsequent slavery. Although his grandfather was a priest and his father a deacon, at the time of his kidnapping Patrick had rejected his childhood faith in favor of atheism. Yet in this deeply moving narrative, Patrick recounts how he regained his faith during his captivity, and

how the voice of God guided him both in his escape from bondage and in his eventual return to Ireland as a missionary to the very people who had enslaved him. *The World of Saint Patrick* delves into colorful tales of Patrick's struggles with pagan kings, soaring hymns of praise, and a prayer of protection against forces of evil such as "the magic of women, blacksmiths, and druids." Freeman also examines the life of Saint Brigid, Ireland's first female saint, and the legendary voyage of Saint Brendan and his monks across the western ocean. Both general readers with an interest in Ireland's saints and scholars studying religion or medieval history will be unable to put down this captivating tale of Ireland's greatest saint and the remarkable times in which he lived.
