Resin craft is a great way to make beautiful items for your home and jewelry for yourself or others. Hazel Oliver is the name behind Badger & Birch, whose eco-friendly practices include using solvent free and non-toxic resin, and incorporating natural waste such as mussel and oyster shells from her local restaurant, as well as natural minerals, gemstones, and crystals. In this her first book, Hazel shows you the basics of resin craft, including mixing and pouring, making molds, and finishing your pieces. The 30 projects include cups, trays, boxes, and other items for the home, as well as molded jewelry pieces in shell shapes and other natural forms. The soft colors, natural elements and beautiful finish of Hazel's work will inspire you to take up this flourishing new craft, or give you new ideas if you are already a keen resin crafter.

For learning Ayurveda, understanding how Tridosha works in the body is very important to know.

The three Doshas—Vata, Pitta and Kapha—form the most basic Ayurvedic principle upon which the entire practice of Ayurveda is postulated. The book Tridosha Made Easy offers:

- The basic understanding of Tridosha in easy language
- Functions, types, qualities and places of Tridosha
- Tridosha's role in the functioning of the immune system, endocrine system, etc.
- Tridosha's role in maintaining health and causing diseases
- Tridosha Prakriti—Body Type
- Diseases and symptoms caused by Tridosha imbalance
- Diet and lifestyle to balance Doshas
- A healthy daily regimen and relationship with Vata, Pitta and Kapha
- Association of Doshas with Ama
- Concepts of Avarana and Gata Vata—made easy to understand

Call to Action includes the information businesses need to know to achieve dramatic results from online efforts. Are you planning for top performance? Are you accurately evaluating that performance? Are you setting the best benchmarks for measuring success? How well are you communicating your value proposition? Are you structured for change? Can you achieve the momentum you need to get the results you want? If you have the desire and commitment to create phenomenal online results, then this book is your call to action. Within these pages, New York Times best-selling authors Bryan and Jeffrey Eisenberg walk you through the five phases that comprise web site development, from the critical planning phase, through developing structure, momentum, and communication, to articulating value. Along the way, they offer advice and

practical applications culled from their years of experience "in the trenches."

FROM THE WOMAN WHO REDEFINED FANTASY In the short span of a few years, Mercedes Lackey has risen from an exciting new talent to a reigning superstar of fantasy. Last year's Fiddler Fair was a showcase of the wide scope of her talent; ranging from fantasy to science fiction, from screwball humor to macabre supernatural terror. Now comes the successor to that top-selling volume; *Werehunter*. Lope through the night with a young woman who has been given the power to transform herself into a leopard, but who now finds herself pursued by a hunter who is more than human: Follow the adventures of Skitty, ship's cat extraordinaire, and telepathic problem-solver. Ride with a late night driver on a solitary road who learns that what appears to be a piece of cardboard blowing across the road is actually something very sinister in disguise. Join Lackey's celebrated occult detective Diana Tregarde as she attends a gathering of romance writers and encounters a visitor whose passionate desire is for fresh, warm blood. Return to the world of the Heralds of Valdemar. And there's much more. Lackey's many fans will know what to expect: unforgettable characters in spellbinding stories from a grand master of fantasy and science fiction. And readers just discovering her have a treat in store. At the publisher's request, this title is sold without DRM (Digital Rights Management). "She'll keep you up long past your bedtime." -Stephen King "She sweeps you along and never lets you go." -Locus "An undoubted mistress of the well-told tale."-Booklist . . . highly, highly recommended . . . " -Khan

An extraordinary memoir of transition and transgender politics and culture "Six weeks before sex reassignment surgery (SRS), I am obliged to stop taking my hormones. I suddenly feel very differently about my forthcoming operation." In July 2012, aged thirty, Juliet Jacques underwent sex reassignment surgery—a process she chronicled with unflinching honesty in a serialised national newspaper column. Trans tells of her life to the present moment: a story of growing up, of defining yourself, and of the rapidly changing world of gender politics. Fresh from university, eager to escape a dead-end job, she launches a career as a writer in a publishing culture dominated by London cliques and still figuring out the impact of the Internet. She navigates the treacherous waters of a world where, even in the liberal and feminist media, transgender identities go unacknowledged, misunderstood or worse. Yet through art, film, music, politics and football, Jacques starts to become the person she had only imagined, and begins the process of transition. Interweaving the personal with the political, her memoir is a powerful exploration of debates that comprise trans politics, issues which promise to redefine our understanding of what it means to be alive. Revealing, honest, humorous, and self-deprecating, Trans includes an epilogue with Sheila

Heti, author of *How Should a Person Be?*, in which Jacques and Heti discuss the cruxes of writing and identity.

First in a duology that reimagines fairy tale tropes within a space opera—The Princess Bride meets Princess Leia. Rory Thorne is a princess with thirteen fairy blessings, the most important of which is to see through flattery and platitudes. As the eldest daughter, she always imagined she'd inherit her father's throne and govern the interplanetary Thorne Consortium. Then her father is assassinated, her mother gives birth to a son, and Rory is betrothed to the prince of a distant world. When Rory arrives in her new home, she uncovers a treacherous plot to unseat her newly betrothed and usurp his throne. An unscrupulous minister has conspired to name himself Regent to the minor (and somewhat foolish) prince. With only her wits and a small team of allies, Rory must outmaneuver the Regent and rescue the prince. *How Rory Thorne Destroyed the Multiverse* is a feminist reimagining of familiar fairytale tropes and a story of resistance and self-determination—how small acts of rebellion can lead a princess to not just save herself, but change the course of history.

The Indian science of Ayurveda, or "life knowledge" has been practiced unbroken for thousands of years, handed down from teacher to student. Ayurveda provides the method for living a balanced life, for the prevention of disease and pain and for the treatment of diseases presently thought to be incurable. Unfortunately, during the period of British occupation of India, traditional arts, including the science of Ayurveda, were actively discouraged; 'Vaidyas', or accomplished Ayurvedic masters, were persecuted and numerous libraries and schools were burned to the ground. Since that time of foreign occupation, India and its culture have slowly been recovering. But the truth is that Ayurveda still remains in a semi-dormant state, a state of hibernation, waiting for those earnest and perseverant students who will bring Ayurveda back to its full capacity. Fortunately there are a few excellent texts which have been preserved from ancient times. The *Charaka Samhita* is such a text. Recorded several thousand years ago from the teachings of the sage Punarvasu Atreya, it is a gem of practical wisdom which remains to this day the most respected work on Ayurveda

[Lady Antebellum - On This Winter's Night \(Songbook\)](#) Lulu.com

A stunning graphic novel edition of the internationally bestselling novel and adapted from the major feature film 'The Breadwinner'.

[An Unquenchable Thirst](#) Glitterati

This book explores border crossing among pragmatism, spirituality and society. It opens up American pragmatism to dialogues with pragmatism and spiritual quest from other traditions such as India and China thus making contemporary pragmatism a part of much needed planetary conversations. It cultivates new visions and practices of spiritual pragmatism building upon the seminal works of Charles Sanders Pierce, William James, Sri Aurobindo, John Dewey, Martin Heidegger, Mahatma Gandhi, B.R. Ambedkar, Ludwig Wittgenstein and Luce Irigaray which can help us rethink and transform conventional conceptions and constructions of practice, pragmatism, language, religion, politics, society, culture and democracy and create new relationships of pragmatism, spirituality and society.

Positive advice for divorced dads and their families The country's leading authority on fathers' rights Jeffery M. Leving presents a definitive how-to resource for divorced dads of any age, background, and marriage history. Leving offers targeted guidance and suggests techniques for staying connected with children and dealing with ex-wives—and in some cases a new girlfriend or the wife's new boyfriend—during the divorce and afterwards. This upbeat book offers good news for divorced dads and counters many of the myths that paint divorcing fathers as alienated, irresponsible, or absent. Includes advice for overcoming limited access to children with cooperative responses and legal remedies if necessary Reveals how to avoid depression and feelings of guilt that can cause a divorced dad to give up and lose connection with his kids Offers ideas for responding to an ex-wife's remarriage, moving, unfounded accusations, and other common issues Contains guidance for engaging in new relationships and possibly remarriage How to Be a Good Divorced Dad is practical and down-to-earth and offers dozens of real life examples of dads who have discovered the importance of staying involved in their children's lives.

[Charaka Samhita](#) HarperCollins Leadership

On our best days, we feel God's love in a huge way. We shine brighter, laugh harder, live without worry or fear of the future—and we passionately love others without judgment. Because when God's love floods our lives, we have no choice but to let it radiate throughout the day. But how about on the hard days, when we aren't feeling it? How are we supposed to reflect God's heart when we feel stuck in the seemingly never-ending dullness of the day-to-day? In this life-changing book, Cleere Cherry Reaves reveals how to stay in God's presence and radiate joy through every day and every circumstance. Offering fresh perspective on topics such as childlike faith, vulnerability, the refining process, laying down worries and fears, and the value of hospitality, Radiate shares the many ways that God's Word unlocks the door to a life filled with peace, trust, love, and light. With its uplifting message, the downcast and the discouraged can live lighter in the present, fully trusting the One they belong to as His joy and love shine through them once more.

Inside this book you will find the answers to set you, your team and your business apart in your industry. From the cabin crew member who gives away prizes, to the restaurant in downtown Philadelphia with knockout entertainments, you'll see how service will always lead to the sale.

[Love My Colors](#) Verso Books

Six teens struggle to discover the source of their strange and horrific abilities in this first book of *The Star Shards Chronicles*. Dillon has the terrifying power to create massive amounts of destruction with the slightest tweak of his will. Deanna is so consumed by fear, it has become like a black hole, drawing to her the very things that terrify her. Then, when the glare of a supernova sixteen light-years away illuminates the night sky, they have a vision: There are six of them out there, all teenagers, and all suffering from supernatural afflictions that disfigure their bodies and souls. Only by finding one another will the six ever be strong enough to defeat these mysterious forces that, bit by bit, are devouring their souls from the inside out. Acclaimed author Neal Shusterman "combines personal quest, horror, and science fiction into an absorbing exploration of good and evil, guilt, forgiveness and personal responsibility" (VOYA) in this thrilling start to a riveting trilogy. Originally published by Tor Fantasy in 1995.
