Moments That Take Your Breath Away

John Wiley & Sons
Laced with atmospheric poetry and literature and set in the heart of Denver's black community, this gripping crime novel pits three characters in a race against time to thwart a gross miscarriage of justice—and a crooked detective who wreaks havoc...with deadly consequences. What happens to a deferred dream—especially when an innocent man's life hangs in the balance? Langston Brown is running out of time and options for clearing his name and escaping death row. Wrongfully convicted of the gruesome Mother's Day Massacre, he prepares to face his death. His final hope for salvation lies with his daughter, Liza, an artist who dreamed of a life of music and song but left the prestigious Juilliard School to pursue a law degree with the intention of clearing her father's name. Just as she nears

success, it's announced that Langston will be put to death in thirty days. In a desperate bid to find freedom for her father, Liza enlists the help of Eli Stone, a jazz club owner she met at the classic Five Points venue, The Roz. Devastated by the tragic loss of his wife, Eli is trying to find solace by reviving the club...while also wrestling with the longing to join her in death. Everyone has a dream that might come true—but as the dark shadows of the past converge, could Langston, Eli, and Liza be facing a danger that could shatter those dreams forever?

A guide for sports fans on how to watch and appreciate the game of

hockey More and more fans are watching the NHL each week, but many of them don't know exactly what they should be watching. How does an offense create shooting lanes for its best sniper? When a center breaks through and splits between two defensemen, which defender is to blame? Why does a goalie look like a Hall of Famer one week and a candidate for the minor leagues the next? This guide for sports fans on how to watch and appreciate the game of hockey takes you inside a coach's mind as he builds a roster or constructs a game plan, to the chaos of the goalie's crease, and deep into the perpetual chess match between offense and defense. Discussing topics such as what to look for when a team goes on the power play and why playing center might be the most grueling job in sports, *Take Your Eye Off the Puck* shows fans how to get the most out of watching their favorite sport.

The interactive dialogue will leave space for the reader to respond. "Austin is an outstanding young man! He inspires us to dream bigger, reach higher and love deeper. His story deserves a wide

hearing.” Max Lucado “I am very impressed with Austin Gutwein’s story in *Take Your Best Shot*. This book is filled with words of encouragement, inspiration, and hope. It’s guaranteed to motivate you into action.” Pat Williams, Senior Vice President, Orlando Magic “I spent a day with Austin and his family and found them inspiring. His story, I believe, challenges us all. The first thing I thought as I drove to the airport was: What was I doing when I was twelve? And then, of course, the next thought: What, exactly, am I doing now?” John Larson, Former NBC National Correspondent “When people ask me how they can possibly make a difference fighting a problem as big as ‘global poverty’, I tell them about a boy named Austin who, like David, stared Goliath in the eye without flinching. This young man has done more to make a difference in the lives of children orphaned by AIDS than most American churches, let alone individuals. If you are older than 10 and you haven’t yet done your part to change the world, read *Take Your Best Shot* and be inspired. Austin Gutwein shows us the way”. Richard Stearns,

President, World Vision US, Author of *The Hole in Our Gospel* “When people ask who has most impacted me over the last year, without hesitation I can say Austin Gutwein and the story of *Hoops of Hope*. I am around amazing leaders all the time, and Austin rivals all of them. Austin is my friend. And Austin is one of my heroes. You can’t be around Austin or the amazing work of *Hoops of Hope* without being deeply impacted and inspired. Trust me. Do yourself a favor and read this book and the incredible story. But once you do, be prepared to be changed and challenged. You’ll see the world and your significant role in helping those less fortunate in an amazingly fresh way.” Brad Lomenick, Executive Director, Catalyst “Austin’s story is one of modern day heroism. He represents a new generation that can carry us all into the twenty-first century: a world of hope, peace and selfless love. Austin completely inspires me.” Daniel Biro, Hawk Nelson
