Harlequin  
THE NEW  
YORK TIMES  
BESTSELLER  
RICH-I-STAN n.  
1. a new  
country

located in the  
heart of  
America,  
populated  
entirely by  
millionaires,  
most of whom  
acquired their  
wealth during

the new Gilded Age of the past twenty years. 2. a country with a population larger than Belgium and Denmark; typical citizens include "spud king" J. R. Simplot; hair stylist Sydell Miller, the new star of Palm Beach; and assorted oddball entrepreneurs . 3. A country that with a little luck and pluck, you, too, could be a citizen of. The rich have always been different from you and me,

but Robert Frank's revealing and funny journey through "Richistan" entertainingly shows that they are truly another breed. *Michigan Manufacturer and Financial Record* Nicholas Brealey This multi-volume set is a primary source for basic company and industry information. Names, addresses, SIC code, and geographic location of over 135,000 U.S.

companies are included. Western Oil and Refining OPPBOOKS Publishing Orlando Peralta Peña, or Orly Peña, has written his life story to provide others with the inspiration to write their own story, for he believes that everyone has something to contribute, which need not be a literary masterpiece but lessons which others could learn from. In sharing his journey, or My Rainbow Run as he calls it,

he shares insights and learnings that will surely enrich the reader's view of his own life, his career, his people, his country and his God.

**Moody's OTC Industrial Manual**

Springer  
First published in 1888, The American Commonwealth was an instant classic, a three-volume set discussing the political structure of American society, its legal system, and its people with an analysis that

is both broad and in-depth. Volume III covers those American institutions that exist beyond the realm of politics. These includes churches, Wall Street, the universities, and railroads. Bryce also covers social topics such as equality, the position of women, and the quality of life in America. Anyone with an interest in politics or American history will find Bryce's commentary penetratingly

insightful. British historian VISCOUNT JAMES BRYCE (1838-1922) attended the University of Glasgow and Trinity College, Oxford. He is best known for his scholarship of the Holy Roman Empire. His popular works include Studies in History and Jurisprudence (1901) and Studies in Contemporary Biography (1903).

[Pacific coast business and shipping register](#) John Wiley & Sons Free Money for All makes the case for a basic income guarantee of \$10,000 per adult US citizen. The book shows that a basic

income guarantee will increase gross national happiness and gross national freedom, while helping to mitigate some of the worst consequences of rising technological unemployment.

### **Talk and Grow Rich**

Penguin BEST KNOWN AS THE DIRECTOR of such spectacular films as The Ten Commandments and King of Kings, Cecil B. DeMille lived a life as epic as any of his

cinematic masterpieces. As a child DeMille learned the Bible from his father, a theology student and playwright who introduced Cecil and his older brother, William, to the theater. Tutored by impresario David Belasco, DeMille discovered how audiences responded to showmanship: sets, lights, costumes, etc. He took this knowledge with him to Los Angeles in 1913, where

he became one of the movie pioneers, in partnership with Jesse Lasky and Lasky's brother-in-law Samuel Goldfish (later Goldwyn). Working out of a barn on streets fragrant with orange blossom and pepper trees, the Lasky company turned out a string of successful silents, most of them directed by DeMille, who became one of the biggest names of the silent era.

With films such as The Squaw Man, Brewster's Millions, Joan the Woman, and Don't Change Your Husband, he was the creative backbone of what would become Paramount Studios. In 1923 he filmed his first version of The Ten Commandments and later a second biblical epic, King of Kings, both enormous box-office successes. Although his reputation rests largely on the biblical

epics he made, DeMille's personal life was no morality tale. He remained married to his wife, Constance, for more than fifty years, but for most of the marriage he had three mistresses simultaneously, all of whom worked for him. He showed great loyalty to a small group of actors who knew his style, but he also discovered some major stars, among them Gloria Swanson, Claudette

Colbert, and later, Charlton Heston. DeMille was one of the few silent-era directors who made a completely successful transition to sound. In 1952 he won the Academy Award for Best Picture with *The Greatest Show on Earth*. When he remade *The Ten Commandments* in 1956, it was an even bigger hit than the silent version. He could act, too: in Billy Wilder's classic film *Sunset*

*Boulevard*, DeMille memorably played himself. In the 1930s and 1940s DeMille became a household name thanks to the *Lux Radio Theater*, which he hosted. But after falling out with a union, he gave up the program, and his politics shifted to the right as he championed loyalty oaths and Sen. Joseph McCarthy's anticommunist witch hunts. As Scott Eyman brilliantly

demonstrates in this superbly researched biography, which draws on a massive cache of DeMille family papers not available to previous biographers, DeMille was much more than his clichéd image. A gifted director who worked in many genres; a devoted family man and loyal friend with a highly unconventional personal life; a pioneering filmmaker: DeMille comes alive in these

pages, a legend whose spectacular career defined an era.

The 4 Figure Trick Currency

The first complete Who's Who in the history of the world's best-known financial street Charles D. Ellis and James R. Vertin have crafted a window on

Wall Street that investors won't want to miss. These two Wall Street insiders provide detailed profiles of dozens of the most fascinating, influential, and talked-about financial luminaries ever to light up the dark and cavernous purlieus of the world's most famous street. Related here are intriguing tales of money won and lost, amazing coups, brazen cons of financial brilliance, and untrammelled

greed and blind ambition. This compelling series includes profiles of the biggest names today: Alan Greenspan, Warren Buffett, Larry Tisch, Jim Rogers, Sanford Weill, and George Soros-as well as investment losers like Ivan Boesky and Nicholas Leeson. Charles D. Ellis (Greenwich, CT) is a Managing Partner of Greenwich Associates, the international financial

consulting firm. Now fully retired, James R. Vertin (Menlo Park, CA) was a principal of Alpine Counselors, a financial consulting firm.

One woman gets an offer she can't refuse from a ruthless tycoon in this captivating romance from the USA  
Today–bestselling author.  
Kat Marshall has sacrificed everything for her younger

sisters. And with money tighter than ever, she's in desperate need of help. Innocent Kat has hidden her dreams away until she meets enigmatic Russian, Mikhail Kusnirovich, whose outrageous offer could make them all come true . . . Billionaire Mikhail doesn't have dreams. He has money, lots of it, and he always gets what he wants. Bedding Kat should be easy, but the

tempting redhead is impossible to seduce! So Mikhail offers to pay off her debts—in exchange for a month on his yacht as his hostess. In such close quarters, he'll be impossible to resist—or so he thinks . . .

**How to Get Rich**

How to Get Rich  
Financial management is often portrayed as a demonic science, littered with spreadsheets, inexplicable charts, intricate formulas and

all washed down with swathes of unintelligible jargon. In reality, successful financial management is all about the management of just four figures. Knowing what these four figures are, how they interrelate and (most importantly) how they can be managed is the key to financial success. This is what David Meckin calls 'the four figure trick.' Almost every major business failure can be

pinned down to the ineffective management of at least one of these critical figures. Focusing attention on just four figures not only makes the world of financial management far more accessible to the non-financial manager, it also greatly simplifies the decision-making process. Avoiding all the complexities normally associated with the topic, THE 4 FIGURE

TRICK highlights a variety of practical managerial strategies that can significantly enhance the financial performance of any business. Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and

had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurs hip, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly

overrated; and why "ownership isn't the important thing, it's the only thing."
