 ""Anna's Story" is a history; a memoir, a tribute to my Grandmother, who was a very remarkable woman. Daughter of pioneer parents, a pioneer herself, as she at age 16 was teaching in a one-room schoolhouse which was nestled in a meadow on a seemingly endless prairie. Blessed with strength of mind, will and body, Anna managed to teach the rudiments of what her students would need to survive in a brutal world. At age 26, Anna met and married a man, Wilmot Fish, who would become the father of the family she had dreamed of; nine beautiful, intelligent children, who grew to be a credit to, her faith in God and devotion to learning and living productive lives. Enjoy!"

Since we are often designing baby blankets, we really wanted to create a simple book where we could easily access pictures and instructions of our favorite stitches, and we thought you might enjoy one, too! We did our best to explain these stitches in a way we hope makes sense, but if you do find yourself needing some more visual help, you can find videos for all the stitches in this book on the Daisy Farm Crafts YouTube Channel. All the stitch instructions in this book are also available for free on daisyfarmcrafts.com." --
