Ask And Ye Shall Receive Financial Blessings: 60 Financial Blessings Prayer Points For Daily Use - BY Ezekiel Benson

One of the greatest desires of man is to be able to change negative or contrary circumstances into good and positive ones. The poor want to be rich; the unemployed want to have a well-paying job or business; those with financial trouble in their marriage want restoration, peace, prosperity and love to reign; the man who just lost his job wants to get a

better one immediately; a man living on the streets with no roof over his head wants the blessing of accommodation. The list goes on. There is no person on earth that does not want to change a particular or several financial situations and circumstances in his life. Is it your destiny to suffer and live in financial poverty? Who is to blame? The sad thing is that a very high percentage of people have resorted to what they call 'fate' or 'my destiny', and because they have tried to change their situation and failed several times they resort to saying that the condition of life they have found themselves in is their destiny or fate in life. You can change all the negative situations in your life by the instrument of Word-of-God-based prayers via the principle of ASKING GOD!. No matter how deep a man is in poverty, stagnancy, failure, and depravity, he can come out of it today by properly applying the instrument of the Word-of-God-based prayers!. It is the will of God that we prosper (3 John 2). But when a person finds him or herself in a state of "FINANCIAL TIGHTNESS", the right person has to be

contacted and that person is God. Secondly, the right approach is supposed to be taken to get the blessings. The right approach is through the Word of God. God would not do anything outside His Word. Praying with scriptures is the key to having a very strong case to make before God. It guarantees that you get answers to your prayers. It also guarantees that the supernatural is made manifest in your life and ministry. The supernatural power of God and the anointing are available for you to get answers to your prayers. See this exercise as a means of advancing and attaining new heights in your life with guaranteed victory and success. All that is required is faith. We believe that God will do great and mighty things in your life through these Prayers. We trust that this edition of the "ASK AND YE SHALL RECEIVE" devotional will enhance your spiritual growth and development, and position you for resounding success AND ANSWERS TO PRAYERS. The life changing prayers in this edition will refresh, transform and prepare you for a very fulfilling, fruitful, and rewarding experience with God's

power everyday. We invite you to enjoy God's glorious presence, love, power and blessings, as you pray these prayers in believing faith

This prayer is not a donation request or complex program. It is prayer and Bible verses asking God for SUPERNATURAL Power and victory in your financial problems.

Scriptures encourage you to overcome and receive victory! Listen as we pray together to do the impossible then watch God do it. He did it for me and thousands more and will do it for you! I don't know what you are facing but I know from experience what God can and will do. He has not left you. Don't give up. Don't be discouraged. God is still in the blessing business and is still healing the finances of His people. That includes you! Let God have your financial problems. He will give you the wisdom to handle your money and He will bless you with more. "I was close to suicide because of debt. In desperation I ordered your CD and oil package. Four days later, we received a \$30,000.00 miracle. Since keeping the prayer cloth in my wallet and my wife the mustard seed card in hers we always have money. We did what you said and also renewed our relationship with God. What a blessing! "Angelo Gomez, Omaha, NE.

Building on this understanding, this book contains over 220 prayers that are capable of releasing financial blessings upon your life, and raise your finances in no time. The prayers in this book are not meant to be prayed casually, they are highly spiritual. You are to pray the prayers in this book with all seriousness. Pray most of them repeatedly before moving to the next prayer. These prayers will also be great for midnight prayers. I look forward to your testimonies as you read this book and add the wisdom and Grace in it to your life and family. *Forgiveness and Repentance lead to Financial Breakthrough!* Violent Prayers for Supernatural Financial Breakthroughs One day, I was in my room, and I was thinking, and I was like, God if only you would drop an idea in me that will make me financially buoyant for a lifetime.

Unluckily for me, I just got sacked after only three months of getting a new job. I was PERPLEXED and frustrated until the day I prayed in my heart, and the Holy Spirit said, Hey Sammy, pick up your pen. I was like, "Pick up my pen?" "You wouldn't believe it; but that pen I picked up that day, made me financially established up until now... Until you believe in God and have complete faith in Him, you might struggle to stand out in life. I made the MONEY I never made in several years in one year all because of some powerful prayers I prayed... This led me to ask God, "Won't You even wait for me to call before You answer?" His reply was, "No. There is a company of people who, before they call, I answer, and while they are yet speaking, I am on the line to perform." You can provoke HEAVENLY response without utterance. You can secure divine financial interventions without crying your eyes out. The violent prayers in this book do not cancel or take the place of speaking and making UTTERANCES in prayer; it is only an extra depth in communicating with God. It is knowing how to

position yourself in the realm of answers without tears. A realm where God contends with all that fight with you, without you having to ask Him. It is a realm where God silences all the PARASITES eating up your financial blessings. It is a realm where you can reach heaven and receive from heaven - a realm where you compel things to happen on their own accord. So, winning the financial war is not only a function of INTERCESSIONS, supplications, and prayers of agreement; other direct avenues to God, bring you victory without a sweat. I call it operating God's private lines - the violent prayer frequency. If you want to be a SUCCESSFUL thinker, there is a need to separate yourself from the noise and row of activities and create quietness around you. It's time to work on your IMAGINATION so that you can be free from all frustrations. Your vision is a pace-setter for your destiny; it determines how far you go in life. That means you must put a leash on your mind, so it doesn't lead you to destruction. Let me be honest with you; financial breakthrough will never be possible if you don't

conceive financial BUOYANCY in your mind. Whatever your DESIRE from God, act it, and God will respond. If He responded to Ahab (that wicked king), how much more will He respond to you, the son of His love? If you believe that when you pray according to His will, God hears you and that if He hears, you have received your PETITION, then act it. Stop looking sorrowful and mournful, because no good thing will He withhold from you. After praying these prayers, don't tell me you are jobless and then stay at home all day, SLEEPING. You should get up every morning, dress up faster than those who have jobs and be on your way out. If anybody asks where you are going, say, "I'm going to work." You have PRAYED to God for a job, and He has heard you, but the job won't come to you on your bed, you have to go for it. Don't tell me you are broke after you have prayed to be financially stable. When you pray these prayers, believe it will come to pass.. If you desire to be strong, and you say you are strong, then look strong. Act wealthy, and you will be prosperous. When you allow God's Word to

determine your actions, you can't miss divine intervention. Don't only confess your desires; act it! Let it show in everything you do. All the Violent prayers in this book will grant direct access to God. However, they call for self-discipline, and COMMITMENT, to operate in them. You will never have to sweat again to get answers to command financial breakthroughs and issues troubling your life, in Jesus' name.
