Biblical Secrets to Business Success

Tyndale Momentum
 GOD is my CEO: A Prayer Journal For Entrepreneurs is a journal specifically for women in business looking to build their relationship with God. Created by Tatum Temia of the Blessed & Bossed Up Podcast

(formerly known as The Black Girl Boss Podcast), this journal is the first of its kind and a necessity for the ambitious, Christian, entrepreneur. Features + How to Use: Guided Journal Space for Morning and Evening time with God
 Surrender Your Business: It's important to understand that both you and God can not be in control at the same time.

Surrendering your business to God means that you are no longer the CEO, you are the manager. It then becomes your responsibility to manage the day to day of your business, but take overall direction from God himself. As humans, it is natural for us to want to be in control, but in order to be successful you have

to surrender it all to God. Use this section of the journal to write out opportunities you are believing in God for, goals you are surrendering to God, and a prayer over your business. Recite this prayer everyday and remember: But if you remain in me and my words remain in you, you may ask for anything you want, and it will be granted! -John 15:7

Million Dollar Ideas: As you grow in your relationship with God, he will begin to show you new business ideas, strategies, and the list goes on. Use this space to write those things down so you can always refer back to them. The best thing about the business ideas that come from God is that the success is guaranteed, so don't

forget to write them down!

Answered Prayers: In this space, record your answered prayers. It is important on your journey to be able to go back and reference the prayers that God has answered. If he did it for you once, he will for sure do it again.

Journaling Pages: The daily guided journal pages are broken into morning and evening. In the morning, follow the prompts on each page to start your day with God. In the evening, carve out time to reflect on your day and your journey. I feel, but I know: As you embark on your journey of a Christian Entrepreneurship, you are in for double the difficulty, but double the blessing. Building a business is hard on its own and so is growing

in your relationship with Christ so don't go into this assuming it will be a walk in the park. Use this resource in the back of the book as a GPS of sorts, to find comfort during your most difficult times along this journey. I feel, but I know, represents the acknowledgement of how we feel during the struggling times, but reminds us of the TRUTH that is in God's word. Sermon Notes: Whether you attend church in person or virtually, taking notes allows you to not just have one encounter with the word. Use this section to take notes so that you can reference them later in your quiet time.

Much for Business*

Harrison House
Every day for the last

five years, I've read a prayer for my business, and I know without a doubt, those prayers are what have helped me grow, sustain and build a successful business. Those prayers gave me strength when things got hard, when I struggled in business and when I doubted myself. I knew that praying for my business was a game changer and I wanted to help other entrepreneurs create a disciplined behavior to pray for 40-days and watch God move in your business. The number 40 shows up often in the Bible; specifically, 126 times. In the New Testament, Jesus was tempted for 40 days and 40 nights (Matthew 4:2). There were 40 days between Jesus' resurrection and

ascension (Acts 1:3). The Bible seems to use 40 to emphasize a time of testing and strengthening, and after the 40 days, there is an emphasis on spiritual truth, a new beginning, transition, change or renewal. It has been said that 40 is the length of time necessary to accomplish major parts of Gods Plan. This book has 40 prayers for your business. Prayer that helps you push through when things get tough, and they always get tough in business. These prayers help you remember to keep God first in your business and to continue to acknowledge him on your business journey. The prayers in this book are a guide to help build your spiritual muscle in life and

business. These prayers will help you weather the storms that come by building a closer and intimate relationship with God. Take one vitamin P (prayer) each day for essential spiritual nutrients.

 Develop a God-centered prayer strategy that is guaranteed to release favor, grace, and breakthroughs for your small business, ministry, organization, or brand. This book is for you if.... You've been in business for a few years now and have experienced success, but you know deep down that God has more for you. You've been so busy with growing and building a sustainable

brand, that you haven't had time to develop a prayer strategy for your business. You feel stuck or stagnant in your current business, and you are in need of a spiritual push. The enemy doesn't like it when believers become a source of wealth for the Kingdom. For the Bible says, that Money is the Answer to all things - the enemy knows that if there is a transfer of wealth from the wicked to the righteous, then you will be a Kingdom solution for the world's problems. As a Christian entrepreneur, not only do you need a strategy for business growth, but you also need a spiritual strategy to manage your life and business in the supernatural. 31 Prayers for Spiritual Wealth will refresh,

revive, heal, deliver, and loose inheritance and blessings for you and your business. When you are in alignment with God and his purpose for your life, everything else will fall into place. Every resource, every person, every strategy will be made available to you and your business so that you can thrive.

On the road to becoming a successful entrepreneur, Bob Diener confronted a lot of tough issues: how to treat employees, how to please customers, whether or not to cut corners, whether to follow the temptation of an unsavory deal... Although he had no formal business training, Bob found solutions to all these issues and reached the top using a simple strategy that is available to anyone. His secret? Careful study of “the best guidebook to running a

successful business ever written”: the Bible. Difficult dilemmas become easy when viewed from the biblical perspective.

“Our work is meaningless unless to do good,” counsels the Book of Ecclesiastes. Companies that abide by the Bible's rules of business tend to be the ones that prosper long term. Companies that cheat their workers and partners, defraud their customers, and operate unethically don't stay in business very long. You too can become a successful entrepreneur by following the tips, strategies, and biblical principles outlined in this exploration of best practices for market research, labor management, business negotiations, risk mitigation, watching

the bottom line, and, perhaps most important of all, leaving a lasting legacy. Bob Diener and his partner David Litman created the company that became hotels.com, which pioneered hotel distribution online. When Bob and his partner took the company public in 2000, the stock price soared from \$16 to \$90 in one of the most successful IPOs ever. Having gone on to cofound getaroom.com, Bob is a familiar presence on national media outlets, offering his sage advice on the travel industry.

You will not achieve fulfillment and happiness until you allow God to be the architect of your reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through prayer. You will be able to release all fear and doubt simply because you know that God gives you the strength. You can utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. God's gift of

life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in

an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your

perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action

that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that God can make in your life through the power of creating truth with prayer... Read This Book To Change Your Life Today! Also available in Audiobook & Ebook Format *Praying for Money* UpwardAction Media IN all the forty years of praying, of which only

a partial record could be kept, there was no topic more satisfactory than the experience of such a large company in praying for money. There was no prearranged plan of procedure and no speculative purpose to obtain the help of God in the accumulation of property. But for some reason, which is not now recalled, there was given out for an evening's meditation the topic, "Shall we pray for money?" There was a strong division of opinion, some asserting that we are not authorized to pray for anything but for the Holy Spirit. Others asserted with complete confidence that prayer should be made for anything which we felt we needed. The majority appeared to be assured that men

must work and seek only "the kingdom of God," and that they should believe that all other things would be given from God as we should have need. Fortunately or providentially the men and women who held to the theory that God commands his disciples to pray for money determined to put the matter to a fair test. They were led by a consecrated deacon, at whose house they held the weekly meetings. They did not ask the Lord for money at first, but prayed daily for instruction on the important question whether it was a duty, or was permissible, for men to pray for success in their secular business. There were four men and several business women whose experience was

especially valuable. One of them was the owner or partner in a bookbindery. The company of believers devoted an entire evening to prayer for the prosperity of his business. They agreed, further, to pray for that one thing in unison at twelve o'clock each day for one week. The conditions were especially for observation, as the owner of the business was a devout, unselfish Christian who had determined, years before, to give a tenth of all his income to the Lord's work, and he stood willing to give his all if any good cause demanded such a sacrifice.

“A practical and powerful resource for any business owner who desires to do business led and

empowered by God.”—Shae Bynes, author of *The Kingdom Driven Entrepreneur’s Guide* While Christian entrepreneurs start their days with prayer, the hustle and bustle of running their own businesses quickly takes focus away from their vital partnership with the almighty God. As a result, prayers for business are often broad, unfocused, and strictly tied to the entrepreneur’s vision of ideal results. The *Prayer Powered Entrepreneur* model walks entrepreneurs through 31 days of recognizing God as CEO through an inside-out system of praying for transformation: In themselves Their relationship with God Their relationship with others Their relationship with their

business Culminating in praying for the impact they want their business to have in the world. Kim Avery encourages entrepreneurs to keep God at the center of everything, praying in alignment with the things He has already promised, and anticipating His daily activity in their lives. During this month-long journey, business owners learn how to build a better business, live a better life, and make a bigger impact—all through the simple practice of inside-out prayer. “Kim Avery gives everyone who is called into such an entrepreneurial challenge a wealth of wisdom and an easy-to-implement practical tool to keep one going.
