**Yashahime: Princess Half-Demon, Vol. 1** VIZ Media LLC

In recent years numerous films, television series, comic books, graphic novels and video games have featured time travel narratives, with characters jumping backward, forward and laterally through time. No rules govern time travel in these stories. Some characters move by machine, some by magic, others by unexplained means. Sometime travelers can alter the timeline, while others are prevented from causing temporal aberrations. The fluid forms of imagined time travel have fascinated audiences and prompted debate since at least the 19th century. What is behind our fascination with time travel? What does it mean to be out of one's own era? How do different media tell these stories and what does this reveal about the media's relationship to time? This collection of new essays--the first to address time travel across a range of media--answers these questions by locating time travel narratives within their cultural, historical and philosophical contexts. Texts discussed include Doctor Who, The Terminator, The Georgian House, Save the Date, Back to the Future, Inception, Source Code and others.

**Urusei Yatsura, Vol. 1** Lulu.com

Upon its U.S. release in the mid 1990s Ghost in the Shell , directed by Mamoru Oshii, quickly became one of the most popular Japanese animated films, or anime, in the country. Despite these accolades, Oshii is known as a contrarian within anime, a self-proclaimed 'stray dog', avoiding the limelight in favour of his own personal cinematic vision. He cannot be pigeon-holed, working in both live-action film and animation, directing everything from absurdist comedy to thrillers to meditations on the nature of reality. Stray Dog of Anime is the first book to take an in-depth look at Oshii's major films, from his early days working on Urusei Yatsura to Avalon , his most recent feature.

Ruh details Oshii's evolution as a director, paying special attention to his personal style and symbolism, resulting in a unique guide that will appeal to anime fans and cineastes of all kinds.

**Beautiful Fighting Girl** VIZ Media LLC

Why are Westerners of all ages now so fascinated by Japanese animated films, movies made purely by Japanese animators for Japanese audiences? The U.S. audience for Japanese animation ranges from millions who don't even know that what they're watching is Japanese, to the growing anime cult, with anime fan clubs on almost every college campus, as well as anime fan magazines and social anime sections in video stores. In Samurai from Outer Space, Antonia Levi uncovers the hidden meaning of Japanese animation: the symbols and stories drawn from Shinto, Buddhism, and Japanese art - the things that Western viewers will overlook unless they are pointed out. With 20 color illustrations, Samurai from Outer Space is both an introduction for beginners and a goldmine of information for the already addicted. VIZ Media LLC

Is Kira's story truly over, or does his influence linger? In this complete collection of Death Note short stories penned by the series' creators, discover tales of lives irrevocably changed by the sinister influence of the Death Note, with surprising and thrilling answers to the question of what it truly takes to use the Death Note...or fight it. Contains stories "C-Kira," "a-Kira," the Death Note pilot chapter, vignettes of L's life, and more. -- VIZ Media

**Urusei Yatsura, Vol. 3** Library of American Comics

Lum cultivates a dreamberry that will allow her to bring her dearest dreams to fruition. But Sakura mistakes it for a sleeping pill and finds herself stuck in a three-day nightmare with Lum's idea of true romance! Later, Benten and Ryunosuke go head-to-head in a battle to see which one is the girliest! When fists can't settle the score, they turn to feminine charm! -- VIZ Media

**500 Essential Anime Movies** Viz

Seven funny short stories in graphic format.

**VideoHound's DVD Guide** Springer

From Nausicaä to Sailor Moon, understanding girl heroines of manga and anime within otaku culture.

**Manga: The Complete Guide** Macmillan

Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to

modern fiction and political propaganda, They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

[Urusei Yatsura, Vol. 5](#) The Sci-Fi Movie Guide

With the popularity of Pokemon still far from waning, Japanese animation, known as anime to its fans, has a firm hold on American pop culture. However, anime is much more than children's cartoons. It runs the gamut from historical epics to sci-fi sexual thrillers. Often dismissed as fanciful entertainment, anime is actually quite adept at portraying important social and cultural issues like alienation, gender inequality, and teenage angst. This

book investigates the ways that anime presents these issues in an in-depth and sophisticated manner, uncovering the identity conflicts, fears over rapid technological advancement, and other key themes present in much of Japanese animation.

*Video Movie Guide 1998* Mercat Press Books

The third novel in the award-winning author's classic Galactic Center series is available once again. "A challenging, pacesetting work of hard science fiction that should not be missed" (Los Angeles Times). Nearly 100,000 years after first contact with the machines that dominate the universe, a few hundred humans survive. Trapped on Snowglade, a barren world near the center of the galaxy, people like Killeen of Family Bishop and his child Toby are primitive scavengers, homeless and hunted by the ruling "mechs." Then suddenly, a strange cosmic entity-neither organic nor cybernetic nor living matter-reaches out from a black hole to

speaking with Killeen. But can this fallen descendant of starfarers understand this alien being in time-and seize his only chance to save his family and mankind from final annihilation?

[Urusei Yatsura, Vol. 13](#) Hachette UK

"An accident at the Moon Temple traps visitors inside the strange building, where a mysterious creature called the King of Distortion begins to whisper to them. Boogiepop comes to the rescue, but this might be a fight even he can't win. What happens when two entities that only exist in the minds of men square off against each other?"

**The Anime Encyclopedia** VIZ Media LLC

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.
