The Inner Game of Tennis Macmillan

"Being a public figure is no walk in the park - the world focuses on every move that politicians make and highlights their every mistake. "Image collapse" can befall anyone whose carefully cultivated persona is pitted against intermediaries in the broadcast booths of cable news networks or behind the photo desks of newspapers, magazines, and today's host of digital platforms. As a world-traveling "advance man," an operative who orchestrates TV- and photo-ready

moments involving important political figures, Josh King has unique experience working with the reputations of officeholders, candidates and other public figures. In *Off Script*, King leads readers through an entertaining and illuminating journey through the Hall of Infamy of some of the most catastrophic examples of political theater of the last quarter century. Readers might remember these cringe worthy moments as simple cases of bad luck. King argues, instead, that they were symptomatic of something larger: our broad appetite for public embarrassment, the media's business imperatives in satiating that craving, and the propensity of politicians to serve it up on a platter, often by pretending to be someone they're not while strutting on the public stage. We

tour recent history - King calls it "the Age of Optics"--To establish this syndrome, and then turn to the Obama administration and what Josh calls the emergence of the "Vanilla Presidency." King argues that Barack Obama has been more guarded and more protective of the presidential persona than anyone in history, and as we look to the elections of 2016 and beyond, we have to wonder: Will our future president follow Obama's example? If so, how will that influence the relationship between our nation's citizens and their leader?"--
The Wednesday Wars Stackpole Books
The timeless guide to achieving the state of "relaxed concentration" that's not only the key to peak performance in tennis but the secret to success in life itself—part of the bestselling *Inner Game*

series, with more than one million copies sold! “Groundbreaking . . . the best guide to getting out of your own way . . . Its profound advice applies to many other parts of life.”—Bill Gates, GatesNotes (“Five of My All-Time Favorite Books”) This phenomenally successful guide to mastering the game from the inside out has become a touchstone for hundreds of thousands of people. Billie Jean King has called the book her tennis bible; Al Gore has used it to focus his campaign staff; and Itzhak Perlman has recommended it to young violinists. Based on W. Timothy Gallwey’s profound realization that the key to success doesn’t lie in holding the racket just right, or positioning the feet perfectly, but rather in keeping the mind uncluttered, this transformative book

gives you the tools to unlock the potential that you’ve possessed all along. “The Inner Game” is the one played within the mind of the player, against the hurdles of self-doubt, nervousness, and lapses in concentration. Gallwey shows us how to overcome these obstacles by trusting the intuitive wisdom of our bodies and achieving a state of “relaxed concentration.” With chapters devoted to trusting the self and changing habits, it is no surprise then, that Gallwey’s method has had an impact far beyond the confines of the tennis court. Whether you want to play music, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you how to tap into your utmost potential. No matter your goals, The Inner Game of

Tennis gives you the definitive framework for long-term success.

During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in. *Taxidermy Art* Harmony

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-

year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

Previously published as Leonard Maltin's 2015 Movie Guide, this capstone edition includes a new Introduction by the author. (Note: No new reviews have

been added to this edition) Now that streaming services like Netflix and Hulu can deliver thousands of movies at the touch of a button, the only question is: What should I watch? Summer blockbusters and independent sleepers; the masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Woody Allen; animated classics from Walt Disney and Pixar; the finest foreign films ever made. This capstone edition covers the modern era while including all the great older films you can't afford to miss—and those you can—from box-office smashes to cult classics to forgotten gems to forgettable bombs, listed alphabetically, and complete with all the essential information you could ask for. With nearly 16,000 entries and

more than 13,000 DVD listings, Leonard Maltin's *Movie Guide* remains “head and shoulders above the rest.” (The New York Times) Also included are a list of mail-order and online sources for buying and renting DVDs and videos, official motion picture code ratings from G to NC-17, and Leonard's list of recommended films.

It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, *Atlas Obscura* celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub

inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thuras and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our

sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer. *The Gardener's Monthly and Horticultural Advertiser* Artisan Books

As a parent, you want to see your teen succeed in school and in life-and you do your best to help. But how do you know what will make a difference? Maybe it's time to listen to a teacher. Day in and day out, teachers watch kids interact with peers, make decisions, deal with difficulty, accept or deflect responsibility . . . Teachers are our eyes and ears-and there's a lot they wish we knew. In *Teenagers 101*, veteran high school

teacher Rebecca Deurlein examines how we can support our teens as they cope with the challenges of the modern world. In an age of instant gratification, how do they learn to work hard? How do they become self-reliant when Mom and Dad are quick to step in? How do they make the transition from kids to adults? Speaking as an educator and a parent herself, Deurlein offers practical strategies for getting teens to: Be self-motivated * Take responsibility for learning * Puzzle through problems * Become their own advocate * Present themselves well * And more Packed with engaging anecdotes and backed by years of experience, *Teenagers 101* is a crash course on the skills teenagers everywhere need to thrive in college and beyond.

Book to Draw Everything Flyfisher's Guide to Eastern Trophy Tailwaters
The Classic Guide That Helps You Select the Books the Child You Know Will Love
In this third, fully revised and updated edition of *The New York Times Parent's Guide to the Best Books for Children*, the children's book editor of *The New York Times Book Review* personally selects and recommends books for children of every age. The most comprehensive and authoritative book of its kind has been completely updated for the new millennium. It contains hundreds of new entries, many expanded descriptions, and notations of additional companion and related titles -- more than 1,700 in all. The best-loved classics of the

twentieth century are included, as well as a thoughtful selection of outstanding titles from the last decade. Six sections are organized according to reading level: Wordless, Picture, Story, Early Reading, Middle Reading, and Young Adult. In addition to a summary of the book, each entry provides the essential bibliographic information you need to find a book in your local library or bookstore, including title author and/or illustrator hardcover and/or paperback publisher and publication year major awards related titles The unique and most popular feature of the guide is its system of special indexes -- more than sixty in all. They make it easy for parents and grandparents, teachers and librarians, even children themselves, to match the right book to the right child.

Browse through the indexes and find titles for every interest and mood: picture books about cats, mice, or dinosaurs for babies; funny books to read aloud to toddlers; series about family life or school or fantasy adventures for a middle-grade child; books on divorce or death; and coming-of-age novels just right for someone starting junior high school. There are also indexes for books about minorities and religion, an age-appropriate reading-level index, and much more. Lavishly decorated with more than three hundred illustrations from representative titles, the guide also features extra-wide margins for notes on which of your children liked which book, at what age, and why. Thus the guide becomes a family reading record as well as an

invaluable resource you'll use again and again.

The Eastern United States is wrought with tailwater fisheries that can produce monster trout, but anglers need the wheres, whens and hows in order to capitalize. In the newest Flyfisher's Guide, Tom Gilmore gives you everything you need to know to hook into the East's trophy tailwater trout. Other guidebooks have inconsistent writing and photography, with vague maps. Gilmore gives you everything you need to know, along with spectacular

full-color photography. Regulations, seasons, fish, river characteristics, expert insights, recommended gear, hub-city information, history, and complete directions are listed for every river. Gilmore also details what makes a tailwater a tailwater, and offers specific advice on how to approach them. Fish, flies and hatches are broken down, along with tips on how to read the water, flow and release schedules, seasonal variations, appropriate gear and more. This book keeps up Wilderness Adventures Press' tradition of producing

superior maps with GPS coordinates for all access points, boat ramps, campgrounds and more. The Upper Connecticut, Deerfield, Housatonic, Delaware, Gunpowder, Jackson, South Holston, Watauga, Tuckasegee, Chattahoochee and many more rivers are covered in full detail. Authors Ed Jaworowski's and Beau Beasley's endorsements validate this offering as the authoritative guide on fishing eastern tailwaters. Start catching more and bigger fish with this guidebook from Wilderness Adventures Press.
