Asking questions is an important part of learning as it provides a unique framework for thinking and opens doors to unexpected revelations for us. Digging into how or why things are the way they are, paves the way for enlightenment. On the contrary, keeping the doubts to ourselves can keep us from truth, thus depriving us from valuable opportunities life has to offer. As human beings, we must enquire and keep doing so. But what kind of enquiries are we supposed to make? In *Ask the Monk*, celebrated monk Nityanand Charan Das lucidly answers over seventy frequently asked questions-by young and the old alike-on topics such as karma, religion versus spirituality, mind, God, destiny, purpose of life, suffering, rituals, religion, wars and so on. These answers that are extremely crucial to help you, the reader, embark on the journey of self-discovery and self-realization.

 A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • "Healthier Together focuses on real whole foods and bringing community together."—Kelly LeVeque, celebrity nutritionist and bestselling author of *Body Love* Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to

share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake “Fried” Chicken, General Tso’s Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for Healthier Together “This cookbook is one you’ll be reaching for time and time again when you need healthy food that is satisfying and delicious.”—Tieghan Gerard “Liz Moody offers heaps of tasty recipes packed with great ingredients.”—Real Simple “Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy eating journey.”—Gina Homolka “Liz does an amazing job helping you make delicious food in a way that is both feasible and fun.”—Rachel Mansfield “Liz’s book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table.”—Daphne Oz “Liz’s message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!”—Jeanine Donofrio

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Named a Best Book of Summer by Glamour, BuzzFeed, Cosmopolitan, and many more! From the author of *Playing with Matches*, the rollicking tale of a young jewelry shop owner who accidentally leads her Instagram followers to believe that she’s engaged—and then decides to keep up the ruse. Eliza Roth and her sister Sophie co-own a jewelry shop in Brooklyn. One night, after learning of an ex’s engagement, Eliza accidentally posts a photo of herself wearing a diamond ring on that finger to her Instagram account beloved by 100,000 followers. Sales skyrocket, press rolls in, and Eliza learns that her personal life is good for business. So she has a choice: continue the ruse or clear up the misunderstanding. With mounting financial pressure, Eliza sets off to find a fake fiancé. Fellow entrepreneur Blake seems like the perfect match on paper. And in real life he shows promise, too. He would be perfect, if only Eliza didn’t feel also drawn to someone else. But Blake doesn’t know Eliza is “engaged”; Sophie asks Eliza for an impossible sum of money; and Eliza’s lies start to spiral out of control. She can either stay engaged online or fall in love in real life. Written with singular charm and style, *Love at First Like* is for anyone growing up and settling down in the digital age.

Did you ever walk out of class having even more questions than when you walked in? You may feel that way about History or Math, but what about your Sexual Health class (if you even had one)? If

you’re anything like most of the youth in America today, your head is probably spinning with a swirling, high-speed hurricane of questions. It is totally normal to be curious and to have questions about relationships, bodies, consent . . . you name it! But where can your average teen go to get all the reliable and accurate answers they need? In *Case You’re Curious* (ICYC), a text-and-answer program conceived by Planned Parenthood, has been providing this educational service for teens for years. And now *In Case You’re Curious: Questions about Sex from Young People with Answers* from the Experts is a big book of answers with funny and educational illustrations, to the most popular and most interesting questions young people have about birth control, development, sexually transmitted diseases, and so much more. Within these pages you will find non-judgmental (and fun!) answers meant to educate teens without the uncomfortable silence or weird eye contact often associated with “The Talk.” With questions like “Does masturbating give you a disease?” and “Is the pineapple thing true?” *In Case You’re Curious* isn’t afraid to tackle the nitty-gritty questions you may think twice about raising your hand to ask in your Sexual Health class or at home.

This is an open access book. This conference will discuss transformation issues in various fields along with the COVID-19 crisis in the world. During these two years of this pandemic, the world faced many significant changes. These changes have impacted various aspects of life, not only on a small scale in people’s everyday life, but also on a large scale that changes the social structure of society in the global world. The keywords in this transformation are adaptation, resilience, and innovation. Each party involved in the change is required to make adjustments so as not to be left behind. The important aspect is to what extent these parties come up with new findings to survive amid the pace of this rapid global transformation. By focusing on transformation issues, this conference will bring scholars, practitioners and policy makers from various disciplines to discuss changes in various fields of life during the COVID-19 pandemic and in the future. This conference is also expected to be a medium for disseminating research findings related to issues of change in various fields including but not limited to social, economic, cultural, educational, political and government, gender, environment, religion, communication, and international relations. A set of tools for mastering the one skill standing between us and success: the ability to ask for the things we need to succeed. Imagine you’re on a deadline for a big project, and feeling overwhelmed. Or you’re looking for a job, but can’t seem to get your foot in the door. Or you’re dying for tickets to a sold out concert, and all your leads have gone cold. What do these problems have in common? They can all be solved simply by reaching out to a colleague, friend, or wider network and making an ask. Studies show that asking for help makes us better and less frustrated at our jobs. It helps us find new opportunities and new talent. It unlocks new ideas and solutions, and enhances team performance. And it helps us get the things we need outside the workplace as well. And yet, we rarely give ourselves permission to ask. Luckily, the research shows that asking—and getting—what we need is much easier than we tend to think. Here, Wayne Baker shares a set of strategies—used at companies like Google, GM, and IDEO—that individuals, teams, and leaders can use to make asking for help a personal and organizational habit, including: • A quiz to identify your asking-giving style • SMART criteria for who, when, and how to ask • “Plug-and-play ” routines that make requests a standard component of meetings • Mini-games that incentivize asking within teams • The Reciprocity Ring, a guided activity that allows people to tap into the giving power of a network Picking up where the bestselling book *Give and Take* left off, *All You Have to Do Is Ask* shows us how to ignite the cycle of giving and receiving by asking for the things we need. Advance praise for *All You Have to Do Is Ask* “Asking for help and support has been a key to my success. Wayne Baker expertly shares how everyone can do it.”—Shelley Archambeau, former CEO, MetricStream, and board director, Verizon and Nordstrom “Wayne Baker shares the formula for driving personal, organizational, and social change by tapping the power of our teams and networks for help. This insightful book is a must-read for anyone seeking practical and proven solutions to make our workplaces and world a better place.”—Noel Tichy, professor, University of Michigan, and author of *Judgment and Control Your Destiny or Someone Else Will* [Social Scientific Research](#) Taylor & Francis Making a Living has been carefully crafted to support anyone looking for practical, hands-on advice and inspiring stories to motivate them to make their dream business into a reality. Inspiring stories from leatherworkers to florists, basket weavers to artists, bee-keepers to brewers, will bring bags of real world advice and inspiration for those wanting to take their first steps into this new artisanal

economy. With more time at home than ever before, the restorative distraction of crafts and making has seen a mainstream resurgence. So too has the desire to 'make a living' from creating handmade products to sell, or to sell our creative skills. We are fleeing our desks to become brewers, bakers and pickle-makers. This new wave of at-home entrepreneurs are using Facebook and Instagram to promote their businesses and PayPal and Shopify to manage their payments. Technology-led businesses are transforming the way in which offline maker businesses are operating - and business is booming. From the founder of Yodomo, the online learning platform for arts and crafts, and with chapters on market research, valuing and pricing your work, branding, marketing and sales as well as accounting fundamentals and legal considerations, this is a step by step guide to getting your idea off the ground - as a side hustle or as your next major career move. These makers will be in the UK and the US and include those shipping their products worldwide.

Inspired by her hugely popular podcast, *How To Fail* is Elizabeth Day's brilliantly funny, painfully honest and insightful celebration of things going wrong. This is a book for anyone who has ever failed. Which means it's a book for everyone. If I have learned one thing from this shockingly beautiful venture called life, it is this: failure has taught me lessons I would never otherwise have understood. I have evolved more as a result of things going wrong than when everything seemed to be going right. Out of crisis has come clarity, and sometimes even catharsis. Part memoir, part manifesto, and including chapters on dating, work, sport, babies, families, anger and friendship, it is based on the simple premise that understanding why we fail ultimately makes us stronger. It's a book about learning from our mistakes and about not being afraid. Uplifting, inspiring and rich in stories from Elizabeth's own life, *How to Fail* reveals that failure is not what defines us; rather it is how we respond to it that shapes us as individuals. Because learning how to fail is actually learning how to succeed better. And everyone needs a bit of that.

This volume adopts a multidisciplinary perspective in analyzing and understanding the rich communicative resources and dynamics at work in digital communication about food. Drawing on data from a small corpus of food blogs, the book implements a range of theoretical frameworks and methodological approaches to unpack the complexity of food blogs as a genre of computer-mediated communication. This wide-ranging framework allows for food blogs' many layered components, including recipes, photographs, narration in posts, and social media tie-ins, to be unpacked and understood at the structural, visual, verbal, and discourse level in a unified way. The book seeks to provide a comprehensive account of this popular and growing genre and contribute to our understandings of digital communication more generally, making this key reading for students and scholars in computer-mediated communication, multimodality, critical discourse analysis, corpus linguistics, and pragmatics.

No matter your field of expertise, every day you're presented with seemingly impossible challenges. Issues that you or your company can't seem to crack, even after weeks, months, or years of trying. How do you approach these impossible challenges? Do you have a strategy that you follow, or do you just hold a brainstorming session and hope for the best? Do you tell yourself, "Think harder!" and pray inspiration will strike? There's a better way to solve problems like these — improve the quality of your thinking. Better thinking, problem-solving, and reasoning are skills. They can be developed through self-examination, learning new frameworks, and expanding our mental models. Lucky for us, brilliant thinkers, creators, entrepreneurs, and philosophers — people like Elon Musk, Aristotle, Charlie Munger, Issac Newton, Ada Lovelace, Albert Einstein, Frederick Douglass, Maya Angelou, and Henry Ford — have left behind documentation, frameworks, and tools for considering impossible problems. In "How to Solve Impossible Problems," author Jennifer L. Clinehens (*Choice Hacking, CX That Sings*) presents 7 such tools to improve our thinking and help us solve what feel like insurmountable challenges. In each chapter she gives specific, actionable advice, real-world examples, and in a free companion course (available February 15, 2022) provides worksheets to help apply each principle.
