Living with his little brother, Fudge, makes Peter Hatcher feel like a fourth grade nothing. Whether Fudge is throwing a temper tantrum in a shoe store, smearing smashed potatoes on walls at Hamburger Heaven, or scribbling all over Peter's homework, he's never far from trouble. He's a two-year-old terror who gets away with everything—and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge too long. How can he get his parents to pay attention to him for a change?

The 5-pack provides five books of the same grade level.

*Descriptive Writing Worksheets* Penguin

Bobby is the class clown. He can always be counted on to crack up his friends and sometimes even the teachers. But he can't always be counted on to stay out of trouble—and that's no joke when you're in danger of being shipped off to a special school for kids with 'behavioral problems.' Bobby's got one last chance to prove to his teachers, his principal, and his parents—especially his super-sarcastic dad—that he can be taken seriously. His assignment: to put on a school-wide laugh-off. It's teachers vs. students—and may the best comic win. It's also a chance for Bobby to show his dad that mean jokes aren't just kidding around. Packed with kid-tested jokes and riddles, this funny novel is also a thoughtful exploration of the power of laughter to hurt—and to heal. 2000-2001 Georgia's Picture Storybook Award & Georgia's Children's Book Award Masterlist

Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and

activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers

follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

Hard Times illustrated Charles Dickens - Hard Times: For These Times (commonly known as Hard Times) is the tenth novel by Charles Dickens, first published in 1854. The book surveys English society and satirises the social and economic conditions of the era. "Now, what I want is, Facts. . . . Facts alone are wanted in life." Thus begins Superintendent Mr. Gradgrind—a wealthy, retired

merchant—addressing a group of young students at his school in the industrial town of Coketown, England. A rigid man of fact, rational self-interest and realities, he not only teaches his pupils according to the utilitarian principles, but also raises his children with the same philosophy. When they grow up, as their lives begin to turn chaotic, they reproach their father for their upbringing. Will Mr. Gradgrind realize his flaws and become a humble man? Satirizing the laissez-faire system, Dickens' Hard Times lays bare the wide gap between the rich and the poor. Criticizing the materialistic world, this Victorian novel throws light on the value of emotions and the human heart. It has undergone several film and theatre adaptations.

Writing Enrichment (5th Grade) Teacher Created Materials

Spectrum(R) Writing for grade 5 guides students through each step of the writing process as they write paragraphs, personal narratives, fiction stories, comparisons, visual aids, how-to instructions, research reports, persuasive articles, and more.

Spectrum(R) Writing workbooks guide students as they write for a variety of purposes, including writing to tell a story, writing to provide information, and writing to state an opinion. Lessons support current state standards. Step-by-step instructions help with planning, drafting, revising, proofreading, and sharing writing. A Writer's Handbook reinforces grammar and language skills, and a complete Answer Key is included. Engaging, open-ended writing projects combined with standards-based learning make these workbooks an essential resource for school success.

Spectrum(R), the best-selling workbook series, is proud to provide quality educational materials that support your

students' learning achievement and success.
