Celebrate Christmas with the inspiration for the beloved Jim Henson film — in print after over 40 years. In 1977, when Jim Henson debuted the now-classic film *Emmet Otter's Jug-Band Christmas*, few knew it was based on a story written and illustrated by Russell and Lillian Hoban, creators of *Bread and Jam for Frances* and other treasured children's books. With an enduring score by the great Paul Williams, the movie remains a holiday tradition in homes across America. Now the book that started it all is back in print, in a beautiful gift edition that will thrill *Muppets* fans young and old. Inspired by the classic tale "The Gift of the Magi," the story begins in a poor country cottage,

as Emmet Otter dreams of buying Ma a piano for Christmas, while Ma dreams of buying Emmet a guitar. When a village talent contest is announced, both imagine their dreams coming true. But what they don't imagine finding is their real reward — the power of love, family, and hope in hard times. It is a story that reaches into a reader's heart and reminds us all that fortune favors the brave. A Bank Street College of Education Best Children's Book of the Year "[A] welcome reissue of the Hobans' 1971 story . . . Colorful illustrations of the close-knit animal community contain plenty of warmth." —*The Horn Book*

 Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author

Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal— and how Furry transformed his own life.

This is a comprehensive sourcebook on the world's most famous vampire, with more than 700 citations of domestic and international Dracula films, television programs, documentaries, adult features, animated works, and video games, as well as

nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker's original creation, and Dracula himself, or a recognizable vampiric semblance of Dracula, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • A PEN/FAULKNER AWARD FINALIST • Set in the eerie days of civilization’s collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. • Now an original series on HBO Max. • Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band’s existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel’s bestselling new novel, *Sea of Tranquility*!
