Day one makes the success difference in training your Olde English Bulldogge. From the car ride home is the critical moment to begin communicating with your dog at your pup's level. There's a name for it too. It's called 'Dogmanship' and your dog craves it. Fact, it's the key difference in the Blue Fence dog training system that creates the Simple Steps that will get you the absolute Quick Results you're looking for - now. Now, and not some time some day in some-future. If this sounds about right to you, take a look at what you're about to learn how to teach your Olde English Bulldogge beginning today! Blue Fence dog training is all about rewards-based clicker training using Dogmanship, a clicker, treats, praising and phrasing. Simple steps, Quick results. Included are: Clicker Training Combined with Treat Reward Training Basic Commands. All of them you could possibly need. Hand Cues for Dog Training Think about it. Have you ever been on the phone, while your dog is barking? Yeah, here's how to stop that nuisance without skipping a beat! Socializing Your Dog. Dog's love hanging out with friends too. They can also tell who's a true friend too. If you know what I mean. Dog Behaviors too. Such as: Barking, growling, peeing, pooping, chewing, howling, begging, crying, whimpering, rubbing, nipping, jumping, humping, rubbing, running away, chasing animals, and all the rest that can be replaced with the best. Alpha Dog Yep, your dog craves the Alpha. And from the Car ride home its either going to be him, or you that determines it. Learn how to become and remain alpha from day one. This is one of the most critical things to learn how to do, in the most respectful humane manner possible. It's not yelling Its telling in a certain way with rewards. More on that INSIDE. So, if you are ready to bone UP with the best of them, ( the pros) then try my book right now. Go ahead ORDER NOW and I can promise you later today, (or tomorrow if it suits you better) and stop the peeing today, the pooping now, the chewing, humping, nipping and jumping too.  Written by a professional dog whisperer and dog owner, The English Bulldog Complete Owners Manual has the answers you may need when researching this muscular, medium-sized, short-nosed canine that would not exist but for the intervention of humankind. Learn about this iconic, friendly and loyal canine and find out whether or not this shedding snuffling, snoring, stocky dog will be the best choice for you and your family. It is important to gather as much information as possible before you take the plunge to share your home with a fur friend. Learn everything there is to know, including little known facts and secrets, and how to care for every aspect of your English Bulldog's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the English Bulldog is the breed for you. If you already

have a English Bulldog, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Breeding - Temperament - Vital statistics - Before you buy - Choosing the right dog - Health - Daily care - Feeding - House training - Medical care & safety - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog .... and much more.

The English Bulldog is one of those breeds that you know on sight. That short snout, stocky frame, underbite, and spiral tail are simply unmistakable for any other breed. They look quite intimidating too. But don't be fooled. Behind that tough-looking façade is a dog with a goofy disposition, surprising intellect, and a heart of gold. In The Complete Guide to English Bulldogs you will learn everything you need to know from start to end; how to choose a puppy, training, traveling, grooming, health care and senior care. You will also learn all about the background of the breed, its history, breed pre-disposed diseases, and special traits. All the information is specific to Bulldogs and in easy-reading comprehensive detail. Find answers to questions like: Is a English Bulldog the right dog for me? Should I buy from a breeder or adopt from a rescue? I brought my Bulldog home. What now? How can I best train my Bulldog? What are some common mistakes should I avoid? Whether you are a veteran or novice Bulldog owner, there will be something for everyone in this book. Chapters include all the basics such as: A Unique Look - The Bulldog Breed History and Characteristics The Ideal Home Finding Your Bulldog Preparing for Your Puppy The First Week The First Month Housetraining Socialization and Experience Being a Bulldog Parent Living with other dogs Training Your Bulldog Basic Commands Nutrition Grooming - Productive Bonding Basic Health Care Health Concerns Your Aging Bulldog That unforgettable face has always hidden the absolutely darling dog's real potential. Bulldogs are not a high-energy dog, but not all of them are couch potatoes either. Bulldogs are shockingly intelligent as well, which often takes people by complete surprise (if they are basing their opinion of the dog purely on looks). One of the reasons people are so familiar with Bulldogs is that this is a breed that is considered intimidating - simply based on their looks. This has made them one of the most popular mascots in the world. They are the face of high schools, colleges, and universities, as well as sports teams. They make great mascots because they love people and don't mind being the center of attention. As a fairly low maintenance dog, they are great for families of nearly every type. They can be fairly stubborn, but with a loving and consistent approach, they will quickly come to understand the benefits of behaving. That high intellect also means that if your Bulldog has the desire, they can be great in competitions such as Obedience and Agility. Of course, if you prefer a couch potato, many of them love that too.

The Sheepadoodle is a mixed-breed dog, a hybrid of the Old English Sheepdog and the Standard Poodle. While this mix was originally developed in the 1960s as a military dog, it wasn't until the early 2000s that the dogs gained popularity with the mainstream public. Most Sheepadoodles inherit the sturdy build and fun-loving, goofball temperament from their Old English Sheepdog side, and their exceptional intelligence, easier-to-care-for coat, and desire to be the center of attention from their Poodle side. The combination of the two results in a canine companion that is entertaining, intelligent, and easygoing. The Complete Guide to Sheepadoodles is a comprehensive guide to this exceptional designer dog. Pet parents will return to the valuable information found in these pages throughout their Sheepadoodle's life, from the dog's first car ride home to his senior years. Learn the answers to your most crucial questions, such as: Is a Sheepadoodle the right dog for me? How do I select the right Sheepadoodle breeder or rescue? What do I need to do to puppy-proof my home? Which training methods are most effective for my Sheepadoodle? These hybrid dogs are energetic, highly intelligent, and they love to make their humans happy, which makes training Sheepadoodles remarkably easy. Exploring this superbly written book will educate you about the right techniques for training your clever canine not only in the basic obedience commands but also in more advanced commands and training routines. In fact, it covers all of the information essential to owning a Sheepadoodle, including: The history of the Sheepadoodle How to select a reputable breeder Choosing an adult Sheepadoodle How to prepare your home for a large dog The costs of owning a Sheepadoodle House-training your Sheepadoodle Sheepadoodles in the multi-pet household The most effective training methods for your Sheepadoodle Effective training methods for your Poodle Tips for traveling with your sweet Sheepadoodle Proper grooming techniques for the Sheepadoodle coat Sheepadoodle-specific health and wellness information for all stages Sheepadoodles are social and intelligent canines who adore people. Although these big dogs were originally developed with police work in mind, they are much more suited to a more pampered, but playful existence. These dogs make superb therapy dogs, agility competitors, and family companions. Explore this book to discover how to create the perfect environment to foster your

Sheepadoodle's mental and physical health and guide him from being a playful pup to becoming a well-adjusted and well-behaved adult dog. This wide-ranging guidebook is a must-have addition to any Sheepadoodle parent's library!
