KASSANDRA AIYANA

The Structural Transformation of the Public Sphere Liveright Publishing

The Clair model and VH1 star offers herself as a role model for young women who are interested in her profession, discussing such pertinent topics as style, make-up, hair, wardrobe, portfolios, and exercise. Original.

Then They Came for Me Penguin UK

This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

Television Without Pity Springer

A riveting, heart-wrenching memoir of Maziar Bahari's brutal interrogation in Iran's most notorious prison, offering insight into Iran's turbulent recent past and uncertain future.

The Advocate Penguin

The Comic Offense from Vaudeville to Contemporary Comedy examines how contemporary writer/performers are influenced by the comedic vaudevillians of the early 20th century. By tracing the history and legacy of the vaudeville era and performance acts, like the Marx Brothers and The Three Keatons, and moving through the silent and early sound films of the early 1930s, the author looks at how comic writer/performers continue to sell a brand of themselves as a form of social commentary in order to confront and dispel stereotypes of race, class, and gender. The first study to explore contemporary popular comic culture and its influence on American society from this unique perspective, Rick DesRochers analyzes stand-up and improvisational comedy writing/performing in the work of Larry David, Tina Fey, Stephen Colbert, and Dave Chappelle. He grounds these choices by examining their evolution as they developed signature characters and sketches for their respective shows *Curb Your Enthusiasm*, *30 Rock*, *The Colbert Report*, and *Chappelle's Show*.

The Pluto Files: The Rise and Fall of America's Favorite Planet Candlewick Press

The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view

of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

Touch Not the Cat America American democracy is the world's most beloved form of government, which is why so many other nations are eager for it to be imposed on them. But just what exactly is it? Jon Stewart and his fellow patriots from the Emmy-winning *The Daily Show* finally deliver the answer. They offer their insights into a unique system of government, dissecting its institutions, explaining its history and processes, and exploring the reasons why concepts like 'One man, one vote', 'Government by the people', and 'Every vote counts' have become such popular urban myths. Includes such favourites as *Ancient Rome: The First Republicans*; *The Founding Fathers: Young, Gifted and White*; *The President: King of Democracy*; *The Supreme Court: 18 Legs, Four Tits, One Mission*; *Running for Office: What Are You Thinking?*; *The Media: Can It Be Stopped?*; *The Future of Democracy: The Constitutional Robocracy and YouAmerica (the Book)* Offers tongue-in-cheek insight into American democracy with coverage of such topics as the republican qualities of ancient Rome, the antics of our nation's founders, and the ludicrous nature of today's media. *The Complete Idiot's Guide to Being a Model*

With a new epilogue on filibuster battles under the Biden administration **THE CASE FOR ENDING THE FILIBUSTER** "A truly excellent book... blistering and persuasive." —Ezra Klein, *New York Times* An insider's account of how politicians representing a radical white minority of Americans have used "the world's greatest deliberative body" to hijack our democracy. Our democracy is under assault from homegrown authoritarians, with most observers blaming Donald Trump and the Republican Party that submitted to him. Yet as Adam Jentleson shows, the problem not only goes back to the nineteenth century, but is less about the presidency than it is about our nation's most venerated institution: the United States Senate. A revelatory history of minority rule in America as expressed through the Senate filibuster, *Kill Switch* shows that white conservatives have long relied on the filibuster—which is not featured in the Constitution, and which, as Jentleson demonstrates, the Framers would have opposed—to shut down attempts to create a multiracial democracy. Featuring a new epilogue on filibuster battles under the Biden administration, *Kill Switch* will remain an essential warning about the costs of empowering this nation's right-wing minority. • "Jentleson understands the inner workings of the institution, down to the most granular details, showing precisely how arcane procedural rules can be leveraged to dramatic effect." —Jennifer Szalai, *New York Times* • "Careful and thorough and exacting." —Michael Tomasky, *New York Review of Books* • "[An] excellent, surprising new book." —Benjamin Wallace-Wells, *The New Yorker* *The Obama Portraits* Houghton Mifflin

This major work retraces the emergence and development of the Bourgeois public sphere - that is, a

sphere which was distinct from the state and in which citizens could discuss issues of general interest. In analysing the historical transformations of this sphere, Habermas recovers a concept which is of crucial significance for current debates in social and political theory. Habermas focuses on the liberal notion of the bourgeois public sphere as it emerged in Europe in the early modern period. He examines both the writings of political theorists, including Marx, Mill and de Tocqueville, and the specific institutions and social forms in which the public sphere was realized. This brilliant and influential work has been widely recognized for many years as a classic of contemporary social and political thought, of interest to students and scholars throughout the social sciences and humanities.

Sock Monkey Rides Again G.P. Putnam's Sons

Suck It, Wonder Woman! brings Olivia Munn's unique humor, incredible wit, and lightning-fast costume changes to a world that needs more scrapbooking, sea monkeys, and for the love of God, a freakin' hoverboard! In this hilarious collection you'll find essays like "thought's About My First Agent's Girlfriend's Vagina," wherein Olivia skewers what it's like to live in Hollywood. In "Sex: What You Can Do to Help Yourself Have More of It," she frankly gets down to the business of getting it on, including advice on how to appropriately wrap it and bag it. In "What to Do When the Robots Invade (Yes, When!)," Olivia offers valuable information on . . . what to do when the robots invade! And just when you thought she couldn't get any more geeky, she can. This book also includes such handy treasures as a timeline of great moments in Geek history, a flip book, an unofficial FAQ section, and a nifty (read: smokin') foldout poster.

America (the Book) Penguin

Unveiling the unconventional : Kehinde Wiley's portrait of Barack Obama / Taína Caragol -- "Radical empathy" : Amy Sherard's portrait of Michelle Obama / Dorothy Moss -- The Obama portraits, in art history and beyond / Richard J. Powell -- The Obama portraits and the National Portrait Gallery as a site of secular pilgrimage / Kim Sajet -- The presentation of the Obama portraits : a transcript of the unveiling ceremony.

Crimes Committed by Terrorist Groups Simon and Schuster

Judith Miller—star reporter for The New York Times, foreign correspondent in some of the most dangerous locations, Pulitzer Prize winner, and longest jailed correspondent for protecting her sources—turns her reporting skills on herself in this “memoir of high-stakes journalism” (Kirkus Reviews). In *The Story*, Judy Miller turns her journalistic skills on herself and her controversial reporting, which marshaled evidence that led America to invade Iraq. She writes about the mistakes she and others made on the existence in Iraq of weapons of mass destruction. She addresses the motives of some of her sources, including the notorious Iraqi Chalabi and the CIA. She describes going to jail to protect her sources in the Scooter Libby investigation of the outing of CIA agent Valerie Plame and how the Times subsequently abandoned her after twenty-eight years. Judy Miller grew up near the Nevada atomic proving ground. She got a job at The New York Times after a suit by women employees about discrimination at the paper and went on to cover national politics, head the paper's bureau in Cairo, and serve as deputy editor in Paris and then deputy at the powerful Washington bureau. She reported on terrorism and the rise of fanatical Islam in the Middle East and on secret biological weapons plants and programs in Iraq, Iran, and Russia. Miller shared a Pulitzer

for her reporting. She describes covering terrorism in Lebanon, being embedded in Iraq, and going inside Russia's secret laboratories where scientists concocted designer germs and killer diseases and watched the failed search for WMDs in Iraq. *The Story* vividly describes the real life of a foreign and investigative reporter. It is an account filled with adventure, told with bluntness and wryness. *The Fourth Hand* Grove/Atlantic, Inc.

A NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF THE YEAR BY NPR Amy Poehler, Mel Brooks, Adam McKay, George Saunders, Bill Hader, Patton Oswalt, and many more take us deep inside the mysterious world of comedy in this fascinating, laugh-out-loud-funny book. Packed with behind-the-scenes stories—from a day in the writers' room at The Onion to why a sketch does or doesn't make it onto Saturday Night Live to how the BBC nearly erased the entire first season of Monty Python's Flying Circus—Poking a Dead Frog is a must-read for comedy buffs, writers and pop culture junkies alike.

The Comic Offense from Vaudeville to Contemporary Comedy Random House

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong'o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Sissy Penguin

Offers tongue-in-cheek insight into American democracy with coverage of such topics as the republican qualities of ancient Rome, the antics of our nation's founders, and the ludicrous nature of

today's media.

Culture Fix John Wiley & Sons

America One World

America

Born a Crime Grand Central Publishing

An electric and intimate story of 1970s gay Atlanta through its bedazzling drag clubs and burgeoning rights activism. Coursing with a pumped-up beat, gay Atlanta was the South's mecca—a beacon for gays and lesbians growing up in its homophobic towns and cities. There, the Sweet Gum Head was the club for achieving drag stardom. Martin Padgett evokes the fantabulous disco decade by going deep into the lives of two men who shaped and were shaped by this city: John Greenwell, an Alabama runaway who found himself and his avocation performing as the exquisite Rachel Wells;

and Bill Smith, who took to the streets and city hall to change antigay laws. Against this optimism for visibility and rights, gay people lived with daily police harassment and drug dealing and murder in their discos and drag clubs. Conducting interviews with many of the major figures and reading through deteriorating gay archives, Padgett expertly re-creates Atlanta from a time when a vibrant, new queer culture of drag and pride came into being.

Crazy Town W. W. Norton & Company

American democracy is the world's most beloved form of government, which is why so many other nations are eager for it to be imposed on them. But just what exactly is it? Will They Ever Trust Us Again? Penguin

Recounts the personal story and international travels of a professional fighter, from his initial discovery of his passion for fighting upon his arrival in Australia, to his training at Bangkok's legendary Fairtex gym, to his research throughout the world in search of historical and contemporary fighting disciplines. Reprint.

Difficult Men Grand Central Publishing

Where do we come from? Who created us? Why are we here? These questions have puzzled us since the dawn of time, but when it became apparent to Jon Stewart and the writers of The Daily Show that the world was about to end, they embarked on a massive mission to write a book that summed up the human race: What we looked like; what we accomplished; our achievements in society, government, religion, science and culture -- all in a tome of 238 pages with lots of color photos, graphs and charts. After two weeks of hard work, they had their book. EARTH (The Book) is the definitive guide to our species. With their trademark wit, irreverence, and intelligence, Stewart and his team posthumously answer all of life's most hard-hitting questions, completely unburdened by objectivity, journalistic integrity, or even accuracy.
