Get the proven guidance you need to succeed in both nursing school and professional LPN/LVN practice with *Success in Practical/Vocational Nursing, From Student to Leader*, 9th Edition. Focusing on must-have leadership and problem-solving skills, this unique, market-leading text covers the soft skills that are essential for success in nursing school, in the job market, and in professional practice. Topics build on each other in a logical manner, beginning with tools you'll need for success in class, continuing to the skills needed in LPN/LVN practice, and culminating in the higher-level roles and responsibilities of the LPN/LVN as a leader. The newest feature box on empowerment introduces you to the concepts of self-reflection, self-growth, and power to enhance your student experience and accomplish positive outcomes in nursing school and in practice. Additionally, like in previous editions, Critical Thinking and Try This! boxes are incorporated throughout this ninth edition to challenge you in thinking outside of the box to solve personal, academic, and professional situations. There are also practice review questions at the end of each chapter help you prepare for the NCLEX-PN® examination and chapters on Workforce Trends and Nurse State Practice Acts to help you easily move from the academic to the practice setting. With all its proven guidance and insight, this text is must-have for any LPN/LVN student wanting to find success in today's demanding healthcare environment.

With libraries under the gun to provide more and better services, and with fewer resources in many cases, they need to come up with innovative and reliable ways to fund new initiatives. Providing targeted access to the most promising major givers, *The Big Book of Library Grant Money 2004-2005* is the largest directory available, pulled from an authoritative and up-to-the-minute database of library-specific funders, foundations and givers that have either indicated an interest in giving money to libraries or have already done so. Organized by state, potential donors in *The Big Book* are profiled with contact and portfolio information, past contributions summary and analysis, and application information. Tailored to be the definitive sourcebook for identifying library-friendly givers, the 2004-2005 edition is a must-have for libraries seeking a share of the more than 13.8 billion dollars set aside by *Big Book* givers.

#### *Annual Register of Grant Support*

This volume represents a valuable source of information for organizations eager to enhance their services with the latest technologies. *The National Guide* provides essential facts on over 400 grantmakers, each with a history of awarding grant dollars to projects involving information technology. Imagine the time you will save by having, in a single convenient source, a list of grantmakers already interested in this field. *The National Guide* covers all the facts you need to bolster your target list of funding prospects. Each entry provides crucial data -- address, financial data, giving priorities, application procedures, contact names, and key officials. The volume also includes close to 1,500 descriptions of recently awarded grants -- a sure indication of foundation giving interests. A range of indexes will help you target funders by specific program areas favored and geographic areas preferred by grantmakers. Each year the grantmakers featured in this volume award millions of dollars for projects involving computer science, engineering and technology, telecommunications, and media and communications to a range of educational institutions and other nonprofit organizations. Don't let your organization miss its share of foundation grant dollars -- order your copy today.

After-school programs, scout groups, community service activities, religious youth groups, and other community-based activities have long been thought to play a key role in the lives of adolescents. But what do we know about the role of such programs for today's adolescents? How can we ensure that programs are designed to successfully meet young people's developmental needs and help

them become healthy, happy, and productive adults? *Community Programs to Promote Youth Development* explores these questions, focusing on essential elements of adolescent well-being and healthy development. It offers recommendations for policy, practice, and research to ensure that programs are well designed to meet young people's developmental needs. The book also discusses the features of programs that can contribute to a successful transition from adolescence to adulthood. It examines what we know about the current landscape of youth development programs for America's youth, as well as how these programs are meeting their diverse needs. Recognizing the importance of adolescence as a period of transition to adulthood, *Community Programs to Promote Youth Development* offers authoritative guidance to policy makers, practitioners, researchers, and other key stakeholders on the role of youth development programs to promote the healthy development and well-being of the nation's youth.

#### *Legislative Calendar*

Take an exciting journey to success in your LPN/LVN career! Emphasizing leadership and clinical judgment skills, *Success in Practical / Vocational Nursing: From Student to Leader*, 10th Edition helps you navigate your way through nursing school, examinations, the job search, and success in professional practice. It describes the building blocks essential to a successful career, such as critical thinking, ethics, effective communication, and an understanding of your role in the nursing process. Also useful are review questions to help you get ready for the NCLEX-PN® examination. Written by educators Lisa Falgiatore Carroll and Janyce Collier, this edition adds new insight into the ways self-empowerment can help you achieve positive outcomes in class and on the job. Basic career information includes the value of the LPN, workforce trends, state regulations governing LPN practice, and insight into safe practice and NCLEX-PN® success. Learning features in each chapter include objectives and key terms with phonetic pronunciations, with definitions in the text and in the glossary. Storytelling narratives at the beginning of specific chapters use real-life scenarios to provide context for the topic. Get Ready for the NCLEX-PN® Examination section at the end of each chapter includes key points, critical thinking scenarios, additional learning resources, and review questions with answers at the back of the book. Test-taking and interview preparation tips prepare students to take the NCLEX-PN Examination and guide you through the job search, applications, and interviews -- including electronic resumes. Critical Thinking boxes provide opportunities to practice problem solving. Coordinated Care boxes develop leadership and management skills with hints, tools, and activities. Keep in Mind boxes introduce the underlying theme of each chapter. Professional Pointers boxes give advice on nursing best practices in practice settings. Try This! boxes challenge students to imagine, visualize, and think outside the box. Full-color design makes this text visually appealing and easy to read. References cite evidence-based information and can be found in the back of the book. NEW! Next-Generation NCLEX® (NGN) Examination-style questions are provided at the end of each chapter. NEW! Empowerment boxes introduce tools that can affect positive outcomes in class, clinicals, and professional practice. NEW! Updated content includes delegation, preparing students for leadership positions immediately upon graduation, and the latest on clinical judgment.
