CAN YOU TRUST A KILLER TO CATCH HIS OWN COPYCAT? The utterly gripping new Murder in Yorkshire crime novel by the brilliant Lesley McEvoy - for fans of Happy Valley.

\_\_\_\_\_ Jacob Malecki killed fifteen people over a thirteen-year period. At the height of the murders, Dr. Jo McCready was at university and compiled a profile of Malecki, which broke open the case and helped send him down for life. Twenty-five years later a copycat killer is re-creating Malecki's murders. As the bodies pile up, Malecki makes the police an extraordinary offer: to help catch the killer from his own prison cell. Malecki claims he's repenting for his crimes. Jo doubts it, but as the body count rises, she can't ignore the killer's offer. What does Malecki really want - and can Jo find out before anyone else dies? Praise for Lesley McEvoy's Murder in Yorkshire crime series: 'McEvoy really knows her stuff.' - IAN RANKIN 'This book really got its hooks into me. Highly original and whipsmart on detail, I

devoured it in one sitting' - PETER JAMES 'Such a clever, twisty crime thriller' - SAIMA MIR 'There are plenty of twists in this gripping read' - YORKSHIRE TIMES

*How to Catch a Serial Killer* Anchor

Artist Luc Jacamon and writer Matz (The Black Dahlia) deliver the definitive collection of the Eisner Award-nominated crime saga, The Killer, a hardboiled, noir series following a hitman lost in a world without a moral compass. Get inside the mind of a professional assassin, a man of few scruples, nerves of steel, and a steady trigger finger. A man whose crimes might be catching up with him. A man on the verge of cracking... After misadventures in Central and South America and having earned enough money to retire comfortably, the Killer retires to Mexico, but his colleagues are still in need of his irreplaceable skills... and before long he's drawn back into the great geopolitical game between Cuba, Venezuela, and the United States.

*To Hunt a Killer* Hachette Books

Full of "can't look away" moments, Dear Killer is a psychological thriller perfect for fans of gritty realistic fiction such as Dan Wells's I Am Not a Serial Killer and Jay Asher's Thirteen Reasons Why, as well as television's Dexter. Rule One—Nothing is right,

nothing is wrong. Kit looks like your average seventeen-year-old high school student, but she has a secret—she's London's notorious "Perfect Killer." She chooses who to murder based on letters left in a secret mailbox, and she's good—no, perfect—at what she does. Her moral nihilism—the fact that she doesn't believe in right and wrong—makes being a serial killer a whole lot easier . . . until she breaks her own rules by befriending someone she's supposed to murder, as well as the detective in charge of the Perfect Killer case. As New York Times bestselling author of the *Gone* series Michael Grant says, *Dear Killer* is "shocking, mesmerizing, and very smart."

**To Catch a Killer** HarperCollins Australia

'A thrill a minute - I loved it!' Clare Mackintosh NO ONE KNOWS THE MIND OF A KILLER LIKE EMMA KAVANAGH. I've been watching you DS Alice Parr. I saw you trying to save the poor young woman you found in the park. The woman I tried to kill. I've been waiting for you to find her family. To find someone who cares about her. But you can't can you? You've never had a case like this. I know everything about you. You know nothing about me. Even though I'm the man you're looking for. And you will never catch me... 'To Catch A Killer is one of my favourite books of the year. The intricate, clever story is told well, and the characters are brilliantly drawn.' Rachel Abbott 'Fast-moving. Unexpected twists. Punchy writing. This author has teeth! A perfect thriller for winter nights!' Jane Corry 'A real white-knuckle ride of a thriller that packs a big emotional punch. This is top class crime writing.' Tammy Cohen 'Wow. Whether you like fast-paced thrillers or in-depth (spot-on) character-led mysteries, you're going to love To Catch a Killer by Emma Kavanagh. LOVED it.' Caz Frear 'This transatlantic thriller has elements of Bourne and Lee Child while remaining true to its British police procedural roots. Beautifully written, expertly paced and highly entertaining.' Sinead Crowley 'Pacy, emotional and a cracking read!' Jane Isaac 'A darkly brilliant tale of psychological manipulation, which I was entirely hooked by, from page one. Bravo, Emma!' Kate Rhoades 'I absolutely loved it. I was completely hooked from the start, it was a stunning read. Plus the ending blew me away.' Rebecca Bradley 'To Catch a Killer is a pacy cat-and-mouse thriller with real depth and a protagonist I want to go for a drink with. A brilliant character-driven story perfect for anyone who adores a twisting, turning read. I loved it.' Amanda Jennings

*The Complete The Killer* FriesenPress

This is the larger print version Would you sacrifice your sanity to catch a killer? He was so good at catching serial killers, he became legendary. Now he has post-traumatic stress disorder. Sean Mallon is a former detective turned private investigator, desperate not to let his severe anxiety take control. Victor Crane is a psychopath taking pleasure from forcing Sean to relive his past. How deep can Mallon go until he loses his mental health entirely? Can he prevent any further killing before he completely loses control? Because the answer to that question may just determine how many more victims have to die...

**The Art of Murder** Tor Teen

On the tenth anniversary of a series of unsolved murders, the Five Point Killer is back for blood—and retired cop Arn Anderson could be the next investigator who gets too close to the truth. Retired detective Arn Anderson never thought he'd be broke enough to take on a cold murder case. Or desperate enough to team up with a TV reporter. Or pathetic enough to go back to his rundown childhood home after he swore he'd left Cheyenne for good. But here he is, hunting a serial killer who also appears to have come out of retirement. On the anniversary of the Five Point Killer's crimes, Arn's only option is to survive the carnage of a murderer who may be too twisted—and too brilliant—to catch. [Killer Content](#) Harlequin

"A heart-pounding roller coaster ride."—Tami Hoag, #1 New York Times bestselling author of *The Boy* \*A Crime Reads Most Anticipated Book of 2021\* A serial killer and his copycat are locked in a violent game of cat and mouse. Can DI Anjelica Henley stop them before it's too late? On the day she returns to active duty with the Serial Crimes Unit, Detective Inspector Anjelica Henley is called to a crime scene. Dismembered body parts from two victims have been found by the river. The modus operandi bears a striking resemblance to Peter Olivier, the notorious Jigsaw Killer, who has spent the past two years behind bars. When he learns that someone is co-opting his grisly signature—the arrangement of victims' limbs in puzzle-piece shapes—he decides to take matters into his own hands. As the body count rises, DI Anjelica Henley is faced with an unspeakable new threat. Can she apprehend the copycat killer before Olivier finds a way to get to him first? Or will she herself become the next victim? Drawing on her experience as a criminal attorney, debut novelist Nadine Matheson delivers the page-turning crime novel of the year. Taut, vivid and addictively sinister, *The Jigsaw Man* will leave you breathless until the very last page.

*I Am Not A Serial Killer* Penguin

"Fiendishly inventive." —The Wall Street Journal Chengdu, China: The vibrant capital of Sichuan Province is suddenly held hostage when a shocking manifesto is released by an anonymous vigilante known as Eumenides. It is a bold declaration of war against a corrupt legal system, with Eumenides acting as judge and executioner. The public starts nominating potential targets, and before long hundreds of names are added to his kill list. Eumenides's cunning game has only just begun. First, he publishes a "death notice," announcing his next target, the crimes for which the victim will be punished, and the date of the execution. The note is a deeply personal taunt to the police. Everyone knows who is going to die and when it's going to happen, but the police fail to stop the attack. The 4/18 Task Force, an elite group of detectives and specialists, is assembled to catch Eumenides before he strikes again. In the process, they discover alarming connections to an eighteen-year-old cold case, and they find out that some members of the team have much to hide.

*Catching a Serial Killer* St. Martin's Press

A vivid behind-the-scenes look into the creation of the FBI's Behavioral Science Unit and the evolution of criminal profiling, written by the pioneering forensic nurse who transformed the way the FBI studies, profiles, and catches serial killers. Lurking beneath the progressive activism and sex positivity in the 1970-80s, a dark undercurrent of violence rippled across the American landscape. With reported cases of sexual assault and homicide on the rise, the FBI created a specialized team—the "Mindhunters" better known as the Behavioral Science Unit—to track down the country's most dangerous criminals. And yet narrowing down a seemingly infinite list of potential suspects seemed daunting at best and impossible at worst—until Dr. Ann Wolbert Burgess stepped on the scene. In *A Killer By Design*, Burgess reveals how her pioneering research on sexual assault and trauma caught the attention of the FBI, and steered her right into the middle of a chilling serial murder investigation in Nebraska. Over the course of the next two decades, she helped the budding unit identify, interview, and track down dozens of notoriously violent offenders, including Ed Kemper ("The Co-Ed Killer"), Dennis Rader ("BTK"), Henry Wallace ("The Taco Bell Strangler"), Jon Barry Simonis ("The Ski-Mask Rapist"), and many others. As one of the first women trailblazers within the FBI's hallowed halls, Burgess knew many were expecting her to crack under pressure and recoil in horror—but she was determined to protect future victims at any cost. This book pulls us directly into

the investigations as she experienced them, interweaving never-before-seen interview transcripts and crime scene drawings alongside her own vivid recollections to provide unprecedented insight into the minds of deranged criminals and the victims they left behind. Along the way, Burgess also paints a revealing portrait of a formidable institution on the brink of a seismic scientific and cultural reckoning—and the men forced to reconsider everything they thought they knew about crime. Haunting, heartfelt, and deeply human, *A Killer By Design* forces us to confront the age-old question that has long plagued our criminal justice system: "What drives someone to kill, and how can we stop them?" **To Catch a Killer** Bonnier Zaffre Ltd.

Amateur sleuth Odessa Dean is about to discover the only thing harder than finding her way out of an escape room is finding an affordable apartment in Brooklyn in this sequel to *Killer Content*. Odessa Dean has made a home of Brooklyn. She has a fun job waiting tables at Untapped Books & Café and a new friend, Izzy, to explore the city with. When she's invited on a girls' day out escape room adventure, she jumps at the chance. It's all fun and games until the lights come on and they discover one of the girls bludgeoned to death... The only possible suspects are Odessa and the four other players that were locked in the escape room with the victim. She refuses to believe that one of them is responsible for the murder, despite what the clues indicate. In between shifts at the café, Odessa splits her time interviewing the murder suspects, updating the bookstore's social media accounts, and searching for the impossible—an affordable apartment in Brooklyn. But crime—and criminally high rent—waits for no woman. Can Odessa clear her and Izzy's names before the police decide they're guilty?

*Poison* Bonnier Zaffre Ltd.

It's murder most viral in this debut mystery by Olivia Blacke. Bayou transplant Odessa Dean has a lot to learn about life in Brooklyn. So far she's scored a rent free apartment in one of the nicest neighborhoods around by cat-sitting, and has a new job working at Untapped Books & Café. Hand-selling books and craft beers is easy for Odessa, but making new friends and learning how to ride the subway? Well, that might take her a little extra time. But things turn more sour than an IPA when the death of a fellow waitress goes viral, caught on camera in the background of a couple's flash-mob proposal video. Nothing about Bethany's death feels right to Odessa—neither her sudden departure mid-shift nor the clues that only Odessa seems to catch. As an up-and-coming YouTube star, Bethany had more than one viewer waiting for her to fall from grace. Determined to prove there's a killer on the loose, Odessa takes matters into her own hands. But can she pin down Bethany's killer before they take Odessa offline for good?

*Livid* CreateSpace

Sheryl Scarborough continues the adventures of teen amateur sleuth and aspiring forensic scientist Erin Blake in *To Right the Wrongs*, the sequel to *To Catch a Killer*. Barely three weeks after catching the killer of Erin's mother and their biology teacher, Erin and her crew are back, up to their elbows in forensics projects. But this time it's with the full approval of their parents. With Uncle Victor at the helm, Erin and her best friends, Spam and Lysa, are prepping a new classroom for CSI summer camp, where they will serve as camp counselors. Meanwhile, Erin's super-hot new boyfriend, Journey, is graduating, just in time for him to take a position as Victor's intern in the new CSI lab on campus. Journey and Victor are going to take another look at the evidence

in the murder trial that sent Journey's father to prison. The girls are under strict orders not to meddle with the murder case, but that's easier said than done... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**A Deadly Likeness** Delacorte Press

Join the search for Typhoid Mary in this early twentieth-century CSI. Now in paperback! Prudence Galewski doesn't belong in Mrs. Browning's esteemed School for Girls. She doesn't want an "appropriate" job that makes use of refinement and charm. Instead, she is fascinated by how the human body works—and why it fails. Prudence is lucky to land a position in a laboratory, where she is swept into an investigation of a mysterious fever. From ritzy mansions to shady bars and rundown tenements, Prudence explores every potential cause of the disease to no avail—until the volatile Mary Mallon emerges. Dubbed "Typhoid Mary" by the press, Mary is an Irish immigrant who has worked as a cook in every home the fever has ravaged. But she's never been sick a day in her life. Is the accusation against her an act of discrimination? Or is she the first clue in solving one of the greatest medical mysteries of the twentieth century?

*Blaze Me a Sun* To Catch a Killer

A profiler who wants to understand the mind of the serial killer must have been prepared by life experiences before he or she can dare to venture into the abyss. A person who has led a protected life will not survive...

*Murder City Bitter Wind* Mystery

Looking for heart-racing romance and breathless suspense? Want stories filled with life-and-death situations that cause sparks to fly between adventurous, strong women and brave, powerful men? Harlequin® Romantic Suspense brings you all that and more with four new full-length titles in one collection! *Chasing a Colton Killer* (A *The Coltons of New York* novel) by Deborah Fletcher Mello Stella Maxwell is one story away from Pulitzer gold, but when she becomes the prime suspect in the murder of her ex-boyfriend, those aspirations are put on hold. FBI agent Brennan Colton suspects Stella might be guilty of something, but it isn't murder. Between his concern for Stella's well-being and the notorious Landmark Killer taunting them, Brennan never anticipates fighting for his heart. *Missing in Texas* by Karen Whiddon It's been four brutal years for Jake Cassin, who finally locates the daughter who's been missing all that time. But his little girl is abducted before he can even meet her. Despite his reservations and an unwanted stirring of attraction, he must work with Edie Beswick, her adoptive mother, who is just as frantic as he is. How can they stay rational on this desperate search when they have everything to lose? *A Firefighter's Hidden Truth* (A *Sierra's Web* novel) by USA TODAY bestselling author Tara Taylor Quinn When Luke Dennison wakes up in the hospital with amnesia, he doesn't know why a beautiful woman is glaring down at him. He soon learns he is a firefighter, a father and someone wants them both dead. After engaging the experts of *Sierra's Web*, Luke and Shelby are whisked into protective custody. Could this proximity bring them to a greater understanding of each other...or finally separate them forever? *Texas Law: Serial Manhunt* (A *Texas Law* novel) by Jennifer D. Bokal For more than twenty years, Sage Sauter has been keeping a secret—her daughter's biological father is Dr. Michael O'Brien. Michael has never forgotten about his first love, Sage. So when Sage's daughter shows up at his hospital—presumably after being attacked by a serial killer—he offers to help. Sage knows that Michael's the best forensic pathologist around, but she's terrified that he'll discover her secret if he gets involved with a very deadly investigation.

*Catch me a Killer* Union Square & Co.

John Wayne Cheever keeps his obsession with serial killers in

check by a set of rigid rules that he lives by, hoping to the prevent himself from committing murder, but when a body turns up at a laundromat, must confront a danger outside himself.

To Catch a Killer Thomas & Mercer

Inspired by three true-life SoCal homicide cases, "Anatomy of a Killer" becomes a labyrinth of shocking crime stories beginning with the disappearance of an Afghanistan Army veteran and the murder of his fiance. This is followed by the cold-case tale of an LAPD lady-cop who brutally murders her lover's wife. The trilogy is completed when a leading movie actor is bludgeoned to death by a pair of hustler-brothers in his Hollywood Hills mansion. Compelling...intriguing...a rich police procedural where no one of left unscathed in these sinister tales of greed and corruption...

*How to Catch a Killer* iUniverse

"Previously publisher under the pseudonym Andy Stack."--Title page verso.

**The Spider** Boom! Studios

Over a third of serial killers are never caught. That's despite

estimates that put the number of serial killers currently active across the world in the hundreds. Why is it so difficult to catch a killer, especially when many attempt to drop hints as to their identities? Why do psychics currently score higher hit rates than police profilers?

*A Killer Plot* Tor Teen

On Labor Day weekend the charred remains of a handy man are discovered in the wreckage of Martha and Phil Rickman's yacht. A second body, that of a missing young woman, is pulled from the river very near where the boat had been moored. At first both deaths appear to have been accidental misadventures. Upon closer inspection, however, it is discovered that each is a not too cleverly disguised homicide. Police detectives trace a flimsy network of dead end leads. But it is John Robie, the Richman's dog with a penchant for kleptomania who provides the evidence that will eventually bring the killer to justice. *To Catch a Killer* is a fast paced, lighthearted who-dunnit that will keep you guessing until the very end.
