Business Chemistry Moody Publishers

"What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

The 5 Love Languages Moody Publishers

Working with a discouraged, disorganized, cynical team? Learn how to turn it around. *Sync or Swim* is a small tale with enormous insight on ways you can empower, engage, and energize employees or volunteers facing discouragement or cynicism. Sam, the new CEO, was ready to hit the ground running. But his team members—and Mother Nature—had other plans. An ambitious yet naïve sheepdog is called upon to lead Monarch Enterprises, a troubled organization on a beautiful isle. Confronted with broken systems and challenging personality types, Sam must learn how to marshal his team before the imminent storm washes everything away. Along the way, he gleans valuable lessons from an unlikely mentor: a wise, old puffin. This delightful, quick read will: Teach you communication techniques that enhance teamwork and productivity Bring to life the principles used by hundreds of successful organizations Provide relevant, practical insights based on real-world experiences Stimulate lively and positive interaction (discussion guide included) Based on the principles successfully used by major corporations, health organizations, over 250 colleges and universities, government agencies, churches, and non-profits

5 Voices Moody Publishers

Based on the #1 New York Times bestseller *The 5 Love Languages*® (over 12 million copies sold), Dramatically improve workplace relationships simply by learning your coworkers' language of appreciation. This book will give you the tools to improve staff morale, create a more positive workplace, and increase employee engagement. How? By teaching you to effectively communicate authentic appreciation and encouragement to employees, co-workers, and leaders. Most relational problems in organizations flow from this question: do people feel appreciated? This book will help you answer "Yes!" A bestseller—having sold over 300,000 copies and translated into 16 languages—this book has proven to be effective and valuable in diverse settings. Its principles about human behavior have helped businesses, non-profits, hospitals, schools, government agencies, and organizations with remote workers. PLUS! Each book contains a free access code for taking the online *Motivating By Appreciation (MBA) Inventory* (does not apply to purchases of used books). The assessment identifies a person's preferred languages of appreciation to help you apply the book. When supervisors and colleagues understand their coworkers' primary and secondary languages, as well as the specific actions they desire, they can effectively communicate authentic appreciation, thus creating healthy work relationships and raising the level of performance across an entire team or organization. Take your team to the next level by applying *The 5 Languages of Appreciation in the Workplace*.

What Are the 5 Love Languages? Heinemann

There are many books that promise to help you fix a bad relationship. This groundbreaking bestseller is the first one to help you choose whether you should even try—or if you need to go. Psychotherapist Mira Kirshenbaum draws on years of research and her work with real-life couples to help you make the right decision. She shows you how to diagnose your unique situation with self-analysis and questions like these, which get to the very heart of your problems: • What sins are forgivable and which ones are unpardonable? • Is your partner questioning your opinions to the point where you doubt yourself? • What is your sex life really like, and how important is it? • Is there real love left between you, and how does it stack up against all that you find unlovable? Mira Kirshenbaum provides expert guidelines that are the key to making all your choices, concrete steps that you can implement right now, and the ultimate way to determine your personal bottom line—what you need to be happy. This remarkably insightful and probing guide offers advice that lets you see the truth about your relationship—and with wisdom and compassion, it helps you act with the confidence of knowing that whether you decide to go or stay, you are doing the very best thing. *Plugged In* Bantam

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. *The Big Book of Conflict-Resolution Games* offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let *The Big Book of Conflict-Resolution Games* help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged.

It Happens Every Spring Harmony

The secret to great relationships—just for teens #1 New York Times bestselling book *The 5 Love Languages*® has sold over 10 million copies, helping countless relationships thrive. Simply put, it works. But do the five love languages work for teens, for their relationships with parents, siblings, friends, teachers, coaches, and significant others? Yes! Introducing *A Teen's Guide to the 5 Love Languages*, the first-ever edition written just to teens, for teens, and with a teen's world in mind. It guides emerging adults in discovering and understanding their own love languages as well as how to best express love to others. This highly practical book will help teens answer questions like: What motivates and inspires me? What does it mean to be a caring friend? What communicates love to my family? What is the best way to get along with the opposite sex? Features include: A straight-forward overview of the 5 love languages A profile/assessment instrument specifically geared to teens Practical examples/tips for how to apply each language in a teen's context Graphics that drive home key concepts Teens' relationships matter, and these simple ideas will help them thrive.

501 Critical Reading Questions Moody Publishers

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

The 5 Love Languages Military Edition Harmony

NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.

The 5 Apology Languages Corwin Press

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she’s showing us how to put those ideas into practice so we can step up and lead. Don’t miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don’t pretend to have the right answers; we stay curious and ask the right questions. We don’t see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don’t avoid difficult conversations and situations; we lean into vulnerability when it’s necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we’re choosing not to invest in developing the hearts and minds of leaders at the exact same time as we’re scrambling to figure out what we have to offer that machines and AI can’t do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It’s learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It’s why we’re here.” Whether you’ve read *Daring Greatly* and *Rising Strong* or you’re new to Brené Brown’s work, this book is for anyone who wants to step up and into brave leadership.

Married And Still Loving It Northfield Pub

They make up nearly one-third of all Americans living today. Born after 1980, they’re now pouring into the work world with values, aspirations, and approaches that differ markedly from their parents—and coworkers. They’re Generation Y. In *Plugged In*, Tamara Erickson shows Gen Y’s how to use their own unique strengths to understand and influence their professional relationships, to figure out how they define “success,” and to help them find their way in the changing workplace. Filled with Erickson’s extensive research into demographic trends and thoughtful insights, *Plugged In* gives Gen Y’s the information they crave to connect with the working world and to craft the lives they want. The author reveals: • A framework Y’s can use to develop their own criteria for making career choices • The unique assets and strengths Y’s bring to the workplace • How X’ers and Boomers view Generation Y and how the different generations can collaborate more effectively at work • 10 rules that can help

Generation Y’s succeed in the corporate world With her trademark warmth and liveliness, Erickson provides a thoughtful, valuable guidebook for the latest newcomers on the corporate scene. *The Play of Daniel Keyes’ Flowers for Algernon* Moody Publishers Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena’s dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

School, Family, and Community Partnerships Moody Publishers

A guide to putting cognitive diversity to work Ever wonder what it is that makes two people click or clash? Or why some groups excel while others fumble? Or how you, as a leader, can make or break team potential? *Business Chemistry* holds the answers. Based on extensive research and analytics, plus years of proven success in the field, the *Business Chemistry* framework provides a simple yet powerful way to identify meaningful differences between people’s working styles. Who seeks possibilities and who seeks stability? Who values challenge and who values connection? *Business Chemistry* will help you grasp where others are coming from, appreciate the value they bring, and determine what they need in order to excel. It offers practical ways to be more effective as an individual and as a leader. Imagine you had a more in-depth understanding of yourself and why you thrive in some work environments and flounder in others. Suppose you had a clearer view on what to do about it so that you could always perform at your best. Imagine you had more insight into what makes people tick and what ticks them off, how some interactions unlock potential while others shut people down. Suppose you could gain people’s trust, influence them, motivate them, and get the very most out of your work relationships. Imagine you knew how to create a work environment where all types of people excel, even if they have conflicting perspectives, preferences and needs. Suppose you could activate the potential benefits of diversity on your teams and in your organizations, improving collaboration to achieve the group’s collective potential. *Business Chemistry* offers all of this—you don’t have to leave it up to chance, and you shouldn’t. Let this book guide you in creating great chemistry!

The Seven Principles for Making Marriage Work Moody Publishers

Now available in mass-market paperback, this classic by bestselling authors and family experts Smalley and Trent explain how to balance love’s hard and soft sides to help readers develop strong relationships with others.

The One Year Love Language Minute Devotional Moody Publishers

Discover your leadership voice and unlock your potential to influence others *5 Voices* is the code for unlocking your capacity to have honest conversations and build deeper, more authentic relationships with your teams, your families and your friends. In order to lead others effectively, we need a true understanding of ourselves, our natural tendencies and patterns of behavior. In learning what your leadership voice sounds like to others, you will discover what it feels like to be on the other side of your personality, as well as how to hear and value others’ voices, namely the Pioneer, the Connector, the Creative, the Guardian, and the Nurturer. Once you understand your own leadership voice, you’ll discover how best to communicate with each of the other voices, which will transform your communication at every level of relationship, both personal and professional. In mastering the *5 Voices* of leadership, you will increase your emotional intelligence, allowing you to gain a competitive advantage as a leader. You will also be equipped with a simple, easy to remember vocabulary that, when shared, has a track record for decreasing the drama, misunderstanding and miscommunication in all spheres of influence. Are you focused on relationships, values, and people? Or are you oriented more toward tradition, money, and resources? Do you know how others hear your voice? Do you appreciate the contributions of others on your team? This book will help you identify your natural leadership style, and give you a framework for leveraging your strengths. Find your foundational leadership voice Learn to hear and value the voices of others Know yourself before leading others Connect and communicate well with team, family and friends All five leadership voices come with their own particular set of strengths, and all have areas for growth. Understanding both sides of the equation is the key to

taking your leadership to the next level and is the secret to increasing your ability to influence your team, family and friends. *5 Voices* is a simple key which unlocks complicated relational dynamics and improves the health and alignment of all your relationships.

Discovering the 5 Love Languages at School (Grades 1-6) John Wiley & Sons

#1 New York Times Bestseller “Significant...The book is both instructive and surprisingly moving.” —The New York Times Ray Dalio, one of the world’s most successful investors and entrepreneurs, shares the unconventional principles that he’s developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to *Fortune* magazine. Dalio himself has been named to *Time* magazine’s list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater’s exceptionally effective culture, which he describes as “an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency.” It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he’s learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book’s hundreds of practical lessons, which are built around his cornerstones of “radical truth” and “radical transparency,” include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating “baseball cards” for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, *Principles* also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they’re seeking to achieve. Here, from a man who has been called both “the Steve Jobs of investing” and “the philosopher king of the financial universe” (*CIO* magazine), is a rare opportunity to gain proven advice unlike anything you’ll find in the conventional business press.

Making Things Right at Work Harvard Business Press

Many standardized tests, including high school entrance exams, PSAT, SAT, and GRE, professional and civil service qualifying exams, all use reading comprehension questions to test critical reading skills. This book includes short and long passages designed to help you become familiar with the passages found on your test, as well as the typical questions that you will be asked to answer. In this workbook, test-takers get immediate, focused practice on preparing for and answering questions based on critical reading passages. The Skill Builder in Focus method provides the targeted practice necessary to attain higher scores.

The Five Love Languages Random House

OVER 500,000 COPIES SOLD! “Most people spend far more time in preparation for their vocation than they do in preparation for marriage.” With more than 45 years of experience counseling couples, Gary has found that most marriages suffer due to a lack of preparation and a failure to learn to work together as intimate teammates. So he put together this practical little book, packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage they envision, such as: What the adequate foundation for a successful marriage truly is What to expect about the roles and influence of extended family How to solve disagreements without arguing How to talk through issues like money, sex, chores, and more Why couples must learn how to apologize and forgive Ideal for newly married couples and those considering marriage, the material lends itself to heart-felt, revealing, and critical conversations for relational success. Read this book and you’ll be prepared for—not surprised by—the challenges of marriage. - Bonus features include: Book suggestions and an interactive websites to enhance the couples’ experience “Talking it Over” questions and suggestions to jumpstart conversations over each chapter Appendix on healthy dating relationships and an accompanying learning exercise *Dare to Lead* McGraw Hill Professional Meet the characters that live, work, dream, and love in the community of Deepwater Cove. Best-selling authors Gary Chapman and Catherine Palmer team up to show how four married couples, all in different stages in life, experience the joys and hardships of marriage as examined in Gary Chapman’s *The Four Seasons of Marriage*. In book one, Steve and Brenda face a common problem among middle-age couples: empty nest syndrome. Steve works too much, and with their two children out of the house, Brenda feels lonely and unfulfilled. In order to save

their marriage, the two must learn to reconnect. Readers are also introduced to many charming characters, like Cody, the mentally challenged homeless man that shows up on Steve and Brenda's porch; Pete, who owns the Rods 'N' Ends tackle shop; and Patsy Pringle, who owns the Just As I Am beauty parlor, where much of the action takes place. The series is based on the marriage principles found in Gary Chapman's non-fiction book *The Four Seasons of Marriage*. Similar in tone and light-hearted, quirky humor as Jan Karon's *Mitford* series, Fannie Flagg's books or *Steel Magnolias*. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that

volume's story.

The Personality Self-portrait John Wiley & Sons

NEW YORK TIMES BESTSELLER • Over a million copies sold! "An eminently practical guide to an emotionally intelligent—and long-lasting—marriage."—Daniel Goleman, author of *Emotional Intelligence* *The Seven Principles for Making Marriage Work* has revolutionized the way we understand, repair, and strengthen marriages. John Gottman's unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a

harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential.
