The American Revolution: A History (Modern Library ...
Here is a brisk, accessible, and vivid introduction to arguably the most important event in the history of the United States--the American Revolution. Between 1760 and 1800, the American people cast off British rule to create a new nation and a radically new form of government based on the idea that people have the right to govern themselves.

The American Revolution: A History - Gordon S. Wood ...

Raphael explores the history of ordinary Americans in the time of the American Revolution in seven chapters. From the very beginning of the Revolution in the time of the Stamp Act through the Spirit of '75, women, loyalists, Native Americans, and African-Americans, he explores how the actions of these common people affected the course of the era.

The American Revolution: A History - SILO.PUB

The American Revolution—also called the U.S. War of Independence—was the insurrection fought between 1775 and 1783 through which 13 of Great Britain's North American colonies threw off British rule to establish the sovereign United States of

America, founded with the Declaration of Independence in 1776. *American Revolution | Causes, Battles, Aftermath, & Facts ...*

Here is a brisk, accessible, and vivid introduction to arguably the most important event in the history of the United States—the American Revolution. Between 1760 and 1800, the American people cast off British rule to create a new nation and a radically new form of government based on the idea that people had the right to govern themselves.

Lecture Series featuring Nathaniel Philbrick

James L. Stokesbury is the author of *A Short History of World War I*, *A Short History of World War II*, *A Short History of the Korean War*, and *A Short History of the American Revolution*. Before his death in 1995 he was a professor of history at Acadia University in Nova Scotia, Canada.

The American Revolution: A History by Gordon S. Wood

This is a brilliant succinct summary of the great American revolution, by its foremost historian Gordon S. Wood, professor of history at Brown University. Wood points out that “monarchies, based on the presumption that human beings were corrupt, had persisted almost everywhere for centuries because they offered security and order.

The American Revolution: A Concise History by Robert Allison

The American Revolution changed pretty much every aspect of life in the former colonies and The American Revolution: A History covers those changes. Everything is explained pretty quickly (the book isn't super long), though sometimes it does drone on a bit.
